

Busy Baby Animals Busy Books

A perfect first book to introduce toddlers to animals that live in the pond, on a farm, underwater, in the trees, and at the beach. Bright, bold images with a glossy treatment allow images to jump off the page, and the large flaps will keep toddlers entertained and engaged while encouraging the development of fine motor skills. Each spread asks a simple question that is answered by flipping the flap open. Who hides on the beach under the sand? A crab! More first concepts books in the Peek-a-boo series include First Words and Vehicles. Collect them all!

Push, pull, turn, and slide--it's playtime! This interactive board book has spinners to turn and tabs to slide, colorful illustrations filled with things to spot, and lots of new vocabulary to learn. At the beach having fun--throw and catch, jump and run! Kids will spend a lovely day by the sea making a whirly pinwheel spin, building sandcastles, eating ice cream, and bringing the whole sunny scene to life.

Push, pull, turn, and slide--it's playtime! This interactive board book has spinners to turn and tabs to slide, colorful illustrations filled with things to spot, and lots of new vocabulary to learn. Let's go to the park! There's so much to do and see, from spotting creatures in a tree to going up and down on the teeter-totter. What a happy way to play.

With lots to see and heaps to do, in Busy Pets children can join in by pushing, pulling and turning the tabs to learn about looking after pets. Feed the dog some treats, watch the hamster turn in its wheel and visit the bunny in the garden.

Children will love playing with this bright and colourful board book with gentle rhyming text and wonderful illustrations by Louise Forshaw, which is part of the Busy Book series. Also available: Busy Garage, Busy Builders, Busy Playtime, Busy Beach, Busy Garden, Busy Park, Busy Airport, Busy Railway, Busy Town, Busy Farm, Busy Bookshop, Busy Swimming, Busy Fire Station, Busy Zoo, Busy Hairdresser and Busy Baking

The Busy Book of Search and Find: Amazing Animals is a fun spin on a traditional search and find activity book that also offers a strong message about the importance of protecting the many exotic and endangered creatures that inhabit our planet.

A thick board book with padded covers features color photographs of baby animals busy at work, including squirrels, beavers, and others.

Whether they're dashing, splashing, munching, or crunching, baby animals are ever-exploring! At home in their natural habitats, baby animals learn about the world that surrounds them. When the fun is done, it's time for baby animals to go to sleep. After all, every baby animal has to rest. Full of action, sound effects, and patterned text, each story features the adorable antics and accurate behavior of six wild animal babies: tiger, elephant, giraffe, rhinoceros, panda, and gorilla.

The only thing better than a book about animals is one about adorable baby animals! Kids will love learning about baby animals and their favorite snacks as they turn the pages and spin the sturdy wheel to answer the prompts. So, when the baby monkeys are hungry after a long day of swinging and leaping, children can turn the wheel until the monkeys' favorite snack shows up on the page! Each spread features a different animal and a different snack to find. This special format is perfect for keeping little hands and curious minds busy and engaged. The colorful board pages are bright, busy, and playful, which are all perfect ways to keep toddlers engaged. This book's sturdy construction can handle the rough-and-tumble life of a toddler! Other books in this series include Busy Shapes, Busy Christmas, Busy Numbers, and Busy Colors. Collect them all!

A guide to putting cognitive diversity to work Ever wonder what it is that makes two people click or clash? Or why some groups excel while others fumble? Or how you, as a leader, can make or break team potential? Business Chemistry holds the answers. Based on extensive research and analytics, plus years of proven success in the field, the Business Chemistry framework provides a simple yet powerful way to identify meaningful differences between people's working styles. Who seeks possibilities and who seeks stability? Who values challenge and who values connection? Business Chemistry will help you grasp where others are coming from, appreciate the value they bring, and determine what they need in order to excel. It offers practical ways to be more effective as an individual and as a leader. Imagine you had a more in-depth understanding of yourself and why you thrive in some work environments and flounder in others. Suppose you had a clearer view on what to do about it so that you could always

perform at your best. Imagine you had more insight into what makes people tick and what ticks them off, how some interactions unlock potential while others shut people down. Suppose you could gain people's trust, influence them, motivate them, and get the very most out of your work relationships. Imagine you knew how to create a work environment where all types of people excel, even if they have conflicting perspectives, preferences and needs. Suppose you could activate the potential benefits of diversity on your teams and in your organizations, improving collaboration to achieve the group's collective potential. Business Chemistry offers all of this--you don't have to leave it up to chance, and you shouldn't. Let this book guide you in creating great chemistry! From beloved author-illustrator Eric Carle, this brand-new busy book is filled with touch-and-feels, lift-the-flaps, mirrors, and more—sure to endlessly entertain your little ones! This brand-new busy book featuring Eric Carle's bright, colorful artwork is jam-packed with interactive activities to keep little hands busy. Each page features a different concept, from numbers and shapes, to colors, animals, and sounds! With a mylar mirror that's visible through the cover, glitter, lift-the-flaps, touch-and-feels, and more, this book is sure to be a hit with babies and parents. It's a must-have for every Eric Carle collection!

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Provides information on animals, discussing their classification, family life, skills, and relationship with humans, and invites young readers to lift flaps, turn wheels, and slide back tabs to learn more. On board pages.

The busy chickens of the beloved Busy Animals board book series are sure to cluck their way into your child's heart this spring! Busy chickens are squawking, perching, leaping, and more! What has happened to Minnie's daffodils? The stems are still standing, but the flowers are gone! Join Minnie and Daisy as they follow the clues, put the pieces together, and unravel the mystery of the disappearing daffodils.

A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's *Orientalism* or *The Autobiography of Malcolm X*, and it is now available in a new translation that updates its language for a new generation of readers. *The Wretched of the Earth* is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of post independence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been reflected all too clearly in the corruption and violence that has plagued present-day Africa. *The Wretched of the Earth* has had a major impact on civil rights, anticolonialism, and black consciousness movements around the world, and this bold new translation by Richard Philcox reaffirms it as a landmark.

Learn about hibernation, migration, and other ways that animals cope with the change of the seasons.

In *Friends*, Busy Baby can play, share, paint, and help cleanup. Whatever Busy Baby does, the most important thing is to make some new friends along the way. Both books will keep the very youngest readers busy reading, playing, and learning.
