gangsters, dictators, competing governments, and multinational corporations, and until now, no book has set out to tell the story of this largely hidden world. The global fleet of some 11,000 tankers—that's tripled during the past decade—moves approximately 2 billion metric tons of oil annually. And every stage of the route, from discovery to consumption, is tainted by corruption and violence, even if little of that is visible to the public. Based on trips to New York, Washington, Houston, London, Paris, Geneva, Phnom Penh, Dakar, Lagos, Baku, and Moscow, among other far-flung locals, *The Secret World of Oil* includes up-close portraits of a shadowy Baku-based trader; a high-flying London fixer; and an oil dictator's playboy son who has to choose one of his eleven luxury vehicles when he heads out to party in Los Angeles. Supported by funding from the prestigious Open Society, this is both an entertaining global travelogue and a major work of investigative reporting.

International Trade and the Successful Intermediary reveals how intermediaries can safely and effectively guarantee they are paid commission in lucrative commodity trades. Davide Papa and Lorna Elliott explain how intermediaries should conduct a deal from start to finish, whilst adhering to the laws and rules of international trade and maintaining control over the transaction at all times. The explosion of the internet has created tens of thousands of trading houses and independent home-based brokers all seeking to buy or sell commodities to one another. Businesses may spend considerable time and resources evaluating the merits or otherwise of available brokers. International Trade and the Successful Intermediary is designed to give independent intermediaries, potential buyers, procurement agents, mandates, lawyers, bankers

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough

transfer as methods of financing some of the international business transactions. This book is very helpful for those who are dealing with the financing of the international trade, their professional advisors, staff of the conventional and Islamic banks and students who study law and commerce as part of their syllabuses of legal and international business studies. This book is also very essential reading for anyone who wants to succeed in the competitive conditions of modern banking business vis-a-vis the international trade in the Gulf Arab states. This book is also very helpful for the lawyer who is called upon to assist the businessman in his ventures or who wants to resolve a problem which has arisen in financing the international business transactions. The Extraordinary Life of an Ordinary Man in Letters to my Grandchildren and Other Friends Anyone who studies contemporary history, business and management or aspires to succeed in life without selling out on their values and dreams should read this book. In Volume III Keith and Claire Norman continue the unabridged account of their lives, which takes the reader through the 1980's. At this stage, Keith is approaching 60, not many would call themselves 'young', 'brave', and 'adventurous'. In fact, the majority of us would probably have started thinking of retirement and check on the state of their pension funds. Well, not Keith! Keith met Claire, the love of his life, in 1979 and from then on

this remarkable duo became an example of business acumen, tenacity and selfless devotion to any task they undertook. Not everything they touched turned to gold. Quite literally, it was gold that escaped. But this set back was a prelude to incredible achievements on the international stage, as well as in their personal businesses. From the freezing temperatures of Northern Canada and the heat and humidity of Guyana's rainforest, infested with sand flies, snakes and roaming jaguars, to the high powered corridors of the IFC, the United Nations, and the exclusive members' clubs of New York, Washington and London, they tirelessly embraced the thrills and adversity which are the bed fellows of entrepreneurs. Accepting the status quo would never get Keith where he wanted to be, but knowing which of the rules to bend or having an iron clad sense of fairness and integrity resulted in Keith receiving letters of commendation from the head of the IFC and the appreciation of many political and noted business figures of the day. Volume III culminates on a personal note with a description of their wedding that would make everyone wish they had shared in the celebrations... and everyone who was there were truly blessed by the occasion. This volume takes us through the intricacies of risky business undertakings, across continents and into the world of high finance and political intrigue and leaves us hungry for more. Keith and Claire write about their

Part III provides an introduction to insolvency and its relevance to property acquisition and the relationship of landlord and tenant.

Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. It provides a broad overview of the foundation of various legal systems and goes on to examine the various areas of legal liability that may impact on business activities. These areas include tort law, criminal law, internet law and payment in business transactions. Specifically, the book targets the development of business law in several Commonwealth jurisdictions, including Canada and

Australia, but with special focus on legal developments in Commonwealth Caribbean countries. The approach of the book is to present excerpts from judgments, so as to enable students to understand legal principles as espoused by the judiciary without the filtering bias of authors. This new title is essential reading for students taking LLB and Business Degree courses in the Caribbean and other Commonwealth jurisdictions.

This book is the culmination of research collaboration between the Nelson Mandela University and the University of Johannesburg, and, in particular, between the South African Research Chair in the Law of the Sea and Development in Africa (housed at Nelson Mandela University) and the Centre for Banking Law (housed at the University of Johannesburg). The topics considered have their roots respectively in international law, environmental law, public law and international trade law. The common denominator is the sea.
