A new job and a few therapists later, things look much brighter. Especially when a challenging new project presents itself — to catalogue the late M. H. Mason's wildly eccentric cache of antique dolls and puppets. Catherine can't believe her luck when Mason's elderly niece invites her to stay at Red House itself, where she maintains the collection until his niece exposes her to the dark message behind her uncle's "Art." Now, the young are being haunted by night terrors and those who are visited disappear. This is certainly not a place for outsiders, especially at night. A chilling occult thriller from award-winning author Adam Nevill, *Banquet for the Damned* is both a homage to the great age of British ghost stories and a pacey modern tale of Devil worship and witchcraft.

investigation of a dangerous cult—with creepy consequences When guerrilla documentary maker, Kyle Freeman, is asked to shoot a film on the notorious cult known as the Temple of the Last Days, it appears his prayers have been answered. The cult became a worldwide phenomenon in 1975 when there was a massacre including the death of its infamous leader, Sister Katherine. Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where The Temple of the Last Days met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken – and what is its interest in him?

A trio of mismatched mercenaries is hired by a young woman to evaluate the safety of a boy who may have been taken against his will to a New Mexico backwoods settlement, where the mercenaries encounter paranoia, mistrust, and insanity in the shadow of a monolithic idol. These selected terrors range from the speculative to supernatural horror, encompass the infernal and the occult, and include stories inspired by H. P. Lovecraft, Robert Aickman and Ramsey Campbell. *Hasty for the Dark* is the second short story collection from the award-winning and widely appreciated British writer of horror fiction, Adam L. G. "A horror landmark and a work of gory genius."—Joe Hill, New York Times bestselling author of *The Fireman* New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death! George A. Romero invented the modern zombie with *Night of the Living Dead*, creating a monster that has become a key part of pop culture. Romero often felt hemmed in by the constraints of film-making. To tell the story of the rise of the zombies and the fall

of humanity the way it should be told, Romero turned to fiction. Unfortunately, when he died, the story was incomplete. Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller *The Shape of Water* (based on the Academy Award-winning movie) and *Trollhunters* (which became an Emmy Award-winning series), and author of *The Death and Life of Zebulon Finch* (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete *The Living Dead*. Set in the present day, *The Living Dead* is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical examiners find themselves battling a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From indie horror author and bestselling sensation Ania Ahlborn, this brand-new supernatural thriller questions: how far would you go for success, and what would you be capable of if the promise of forever was real? With his marriage on the rocks and his life in shambles, washed up crime writer Lucas Graham is desperate for a comeback. So when he's promised exclusive access to notorious cult leader and death row inmate Jeffrey Halcomb, the opportunity is too good to pass up. Lucas leaves New York for the scene of the crime—a split-level farmhouse on the gray-sanded beach of Washington State—a house whose foundation is steeped in the blood of Halcomb's diviners; runaways who, thirty years prior, were drawn to his message of family, unity, and unconditional love. Lucas wants to tell the real story of Halcomb's faithful departed, but when Halcomb goes back on his promise of granting Lucas exclusive information on the case, he's left to put the story together on his own. Except he is not alone. For Jeffrey Halcomb promised his devout eternal life...and within these walls, they're far from dead.

This collection explores artistic representations of vegetal life that imperil human life, voicing anxieties about our relationship to other life forms with which we share the earth. From medieval manuscript illustrations to modern works of science fiction and horror, plants that manifest monstrous agency defy human

Plant Horror explores how depictions of monster plants reveal concerns about the viability of our prevailing belief systems and dominant ideologies— as well as a deep-seated fear about human vulnerability in an era of deepening ecological crisis. Films discussed include *The Day of the Triffids*, *Invasion of the Body Snatchers*, *The Wicker Man*, *Swamp Thing*, and *The Happening*.
