

By Eric Foner Give Me Liberty An American History Brief Fourth Edition Vol 2 Brief Fourth Edition Paperback

A volume of original essays on the sixteenth president includes James M. McPherson's evaluation of his politics and wartime strategies, Sean Wilentz's perspectives on Lincoln's party politics, and Eric Foner's assessment of his views on slavery and race. 15,000 first printing. This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. *A Children's Bible* is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social, cultural, political, and economic history.

This is a preassembled package of *Give Me Liberty!: An American History*, combined volume (978-0-393-41822-4) and *Voices of Freedom: A Documentary History*, volumes 1 and 2 (978-0-393-69691-2 and 978-0-393-69692-9). Affordable at an exceptional value, this leading text in the U.S. survey course and its best-selling companion reader have both been updated for the Sixth Edition.

The leading text in the U.S. survey course.

A powerful text by an acclaimed historian, *Give Me Liberty!* delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion--reinforced by new primary source features in the text and a new secondary source tutorial online--*Give Me Liberty!* strengthens students' most important historical thinking skills.

Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Fourth Edition features stronger coverage of American religion and a reinforced pedagogical program aimed at fostering effective reading and study skills. The Seagull Edition includes the full text of the regular edition in a compact volume, for an affordable price.

From the bestselling, award-winning author of *The Buddha in the Attic*, this commanding debut novel paints a portrait of the Japanese internment camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty internment camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. *When the Emperor Was Divine* is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don't miss Julie Otsuka's new novel, *The Swimmers*, coming in February 2022!

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Give Me Liberty! An American History Seagull Fourth Edition W. W. Norton & Company

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

"A masterwork [by] the preeminent historian of the Civil War era."—*Boston Globe* Selected as a Notable Book of the Year by the *New York Times Book Review*, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

'Reconstruction' is the name given to the period that, beginning shortly before the end of the American Civil War and running until 1877, saw the frustration of federal government's attempts to integrate the newly freed slaves into the American political and economic system. It ended in frustration, disillusionment and also violence, with individual southern states denying rights to freed slaves, preventing them from voting, and largely forcing them back into roles that exploited their labor and prevented them from gaining access to education. For much of the 20th century, the predominant view of the Reconstruction period was that of the Dunning School, which argued that former slaves were unprepared for the responsibilities of voting and holding office, and that it was their incapability of handling such responsibilities – and not the racist actions of whites – that was largely responsible for the failures of the Reconstruction period. Eric Foner's great work reverses those judgements. Foner adopts a problem-solving approach, asking productive questions of state archives and generating and assessing alternative possibilities to assess the views of the Dunning School in a much wider context. His verdict – that slaves and freedmen were often key figures who shaped the eventual emergence of a more progressive American democracy – is backed up by persuasive reasoning which explains how these results came about and shows how the white establishment, led by President Andrew Johnson, was primarily responsible for the disasters of the Reconstruction era.

Describes the changes brought about by the Civil War, discusses the impact of slavery's end, and looks at the political, economic, and social aspects of Reconstruction.

The leading United States History survey text, now available in a brief, full-color edition.

The leading U.S. history textbook, with a new focus on "Who is an American?"

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

The American Revolution was a home-front war that brought scarcity, bloodshed, and danger into the life of every American. In this groundbreaking history, Carol Berkin shows us how women played a vital role throughout the conflict. The women of the Revolution were most active at home, organizing boycotts of British goods, raising funds for the fledgling nation, and managing the family business while struggling to maintain a modicum of normalcy as husbands, brothers and fathers died. Yet Berkin also reveals that it was not just the men who fought on the front lines, as in the story of Margaret Corbin, who was crippled for life when she took her husband's place beside a cannon at Fort Monmouth. This incisive and comprehensive history illuminates a fascinating and unknown side of the struggle for American independence.
