Accompanys: 9780393935431 .

The leading text in the U.S. survey course.

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Describes the changes brought about by the Civil War, discusses the impact of slavery's end, and looks at the political, economic, and social aspects of Reconstruction.

Pulitzer Prize-winning historian Eric Foner tells the story of how, between 1830 and 1860, three remarkable men from New York city - a journalist, a furniture polisher, and a black minister - led a secret network that helped no fewer than 3,000 fugitive slaves from the southern states of America to a new life of liberty in Canada.

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes 139 primary-source documents touching on the theme of American freedom.

The leading text, in a compact, value edition.

Assesses the impact of the Civil War

Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social, cultural, political, and economic history.

Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's Give Me Liberty! is making a difference in the American history survey course.

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

In Lincoln's Constitution Daniel Farber leads the reader to understand exactly how Abraham Lincoln faced the inevitable constitutional issues brought on by the Civil War. Examining what arguments Lincoln made in defense of his actions and how his words and deeds fit into the context of the times, Farber illuminates Lincoln's actions by placing them squarely within their historical moment. The answers here are crucial not only for a better understanding of the Civil War but also for shedding light on issues-state sovereignty, presidential power, and limitations on civil liberties in the name of national security-that continue to test the limits of constitutional law even today.

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion--reinforced by new primary source features in the text and a new secondary source tutorial online--Give Me Liberty! strengthens students' most important historical thinking skills.

The leading United States History survey text, now available in a brief, full-color edition.

"A masterwork [by] the preeminent historian of the Civil War era."—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

The leading U.S. history textbook, with a new focus on "Who is an American?"

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

From the Pulitzer Prize-winning scholar, a timely history of the constitutional changes that built equality into the nation's foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens" and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.
