

## By George W Bohlander Scott A Snell Study Guide For Bohlandersnells Managing Human Resources Fifteenth 15th Edition

In its 9th edition, AHRI-endorsed Human Resource Management continues to provide a strong conceptual and practical framework for students of human resource management. The successful integrative strategic HRM model is retained and the most recent developments in human resource management theories and practices are explored. A multitude of contemporary regional and international examples are integrated throughout, alongside an expanded coverage on ethics and a focus on critical analysis. Thoroughly revised and updated with the latest research findings, this edition incorporates a wealth of new material including: corporate social responsibility, ethics, sustainable management practice, leadership, talent management, industrial relations, and retains its focus on core human resource elements.

Accompanied by online study tools which help to reinforce concepts, apply critical thinking and enhance skills, this 9th edition of Human Resource Management offers the complete learning experience required to succeed in human resource management.

Comprehensively, this textbook highlights the importance of effective management of human resources which results not only in organisational effectiveness but also sustainable competitive advantage. With the coverage of contemporary topics such as HR Scorecard, Gen-Y Employees and Work-life Balance, it keeps the students abreast with the current human resource practices of the real world. This textbook caters to the requirements of management students and is also a useful resource for HR professionals.

HR functions within both internal and external contexts. The understanding of both contexts is crucial for comprehending how and why they drive HR strategies and practices in organizations, as well as the rules and structures within which they work. Built around five major themes which impact upon the HR function, and mapping to the CIPD Level 7 Advanced module of the same name, Human Resource Management in Context enables students to understand the complex and changing organizational context in which HR operates today by providing a comprehensive breakdown of the concepts, theories and issues from globalization and government policy to demographic, social and technological trends. This fully updated 4th edition of Human Resource Management in Context includes a range of pedagogical features, balancing theory with practical analysis to form an engaging insight into the strategic side of HR. It includes enhanced emphasis on the impact of the external environment on the HR profession, a discussion of the impact of technology and social media, increased coverage of ethics and CSR and links to the HR Profession Map. Online supporting resources for lecturers include an instructor's manual, lecture slides, annotated web links and guidance for the chapter activities.

Gain a better understanding of how human resources impacts both individuals and organizations with this market-leading, practical text.
