What happens when an ordinary girl finds the extraordinary love of God? By a well in Samaria, one girl found out when she came face to face with Jesus. Today's young women may be in a different culture, but they have something in common with that girl by the well: Sometimes they go looking for love in all the wrong places. Just as the Samaritan woman carried an empty jar to the well, they carry their empty hearts, looking for that one person, one more award, one glowing accolade, to fill it up and make it whole. True love is waiting at the well. In the eyes of the One, the woman at the well had infinite worth, meaning, and purpose, and there's a secret waiting for girls who take the time to listen to what Jesus had to say to her that day: When an ordinary girl fills up on the love of an extraordinary God, unforgettable things happen.

Everyone worships. But Jesus tells us that God is seeking a particular kind of worshiper. In *True Worshipers*, a seasoned pastor and musician guides readers toward a more engaging, transformative, and biblically faithful understanding of the worship God is seeking. True worship is an activity rooted in the grace of the gospel that affects every area of our lives. And while worship is more than just singing, God's people gathering in his presence to lift their voices in song is an activity that is biblically based, historically rooted, and potentially life-changing. Thoroughly based in Scripture and filled with practical guidance, this book connects Sunday worship to the rest of our lives—helping us live as true worshipers each and every day.

"When church historians reflect on the worship revolution that happened around the turn of the 21st century, Darlene Zschech will be credited for playing a major role," Bill Hybels says. While challenging the Christian in the congregation to be an extravagant worshiper, Zschech also presents valuable insights and help for the worship leader. These are the words of a woman of God who lives what she writes.

"Powerful and life-altering encouragement for us all."--Louie Giglio In this inspiring book, Matt and Beth Redman draw on their experiences as well as those of others, exploring how to offer praise even in the face of hardship and pain. Focusing on the psalms, many of which were written out of struggle, they show how difficult or tragic circumstances--and our choices--can propel us toward God or away from him, build up our faith or break it. Learn how to ride out the storms of life with a cry of "blessed be your name" on your lips.

Most believers understand that worship is not a compartmentalized aspect of the Christian experience but rather it is the motivation-the driving force-behind all that we do and are. We exist to worship God. For years we have been basking in God's love and worshiping Him with uplifted hands and hearts. Now we need to go deeper and see that God is also an awesome, mysterious being that should engender our silent, even dumbstruck-reverence for His holiness, His "otherness". Until we are undone by the knowledge of who God is in all His glory, we will only touch the edges of true worship.

Matt Redman says, "When we face up to the glory of God, we find ourselves face down in worship." This book shows the biblical record of those who found themselves prostrate before God.

Worship leader and songwriter Matt Redman reminds us it's never too late to live a big life. "Mirror Ball" is a call to get a great big view of Jesus and then live as boldly and brightly as we can for His honor.

The Unquenchable Worshipper issues a passionate call for a return to an unadulterated, first-love lifestyle of worship. In his first book release, respected worship leader and songwriter Matt Redman writes: "The revelation of God is the fuel for the fire of our worship. And there is always more fuel for the fire. When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of The Unquenchable Worshipper cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Make me Thy fuel O flame of God." It's time to dive into the heart of worship—will you take the plunge?

Georgina Weldon was born in 1837 and, although almost no one will have heard of her, the only talent she really had was for self-advertisement. She is one of the great undiscovered and unsung eccentrics of the 19th-century. Her ego was monstrous and manifested itself in the 6-volume record of her life which she sold through a spiritualistic medium. Her garrulous work was composed in a convent cell in Gisors where she lived with her pet monkey Titilehee. She was born to parents on the margins of aristocracy and spent her early life in Florence. After a string of liaisons which ruined her reputation she had an affair with a penniless Hussar officer called Harry Weldon and eloped with him to a two-bedroom cottage in Beaumaris. She opened a singing academy in a house formerly owned by Dickens but, with things going characteristically awry, she met the composer Gounod, who came to live with them. The singing ladies were dumped in favour of orphans who drove around the West End of London in a converted milk float advertising their weekly concerts at the Langham Hotel.

Together with Matt Redman, Louie Giglio, David Crowder and an inspiring host of others, start the journey to understand worship that begins on the inside and finds expression in everything you do. If you yearn for the true heart of worship, you will find clarification here. Todd Proctor provides worship leaders with useful hints for choosing songs while David Crowder tells of the importance of teamwork. Tim Hughes exposes the process of songwriting, while Charlie Hall uses the powerful theme of relational accountability to further illuminate what it means to truly give our all to God. This is a creative collection of invaluable insights from some of today's most influential worship leaders.

Worship is always a choice. During peaceful and pain-free times, the choice to respond to God in thanksgiving and praise may be relatively easy. But at other painful or confusing times in our lives, the choice to worship is a costly act of devotion. In the life of every worshipper there will come times when worship meets with suffering. In *Blessed Be Your Name*, Matt and Beth Redman use the words of their inspiring song to explore how to stand in the place of praise even in the face of hardship and pain. Focusing on the Psalms, many of which were written out of struggle, the Redmans share from their own experience and show how painful circumstances and our choices can either propel us toward God or away from Him, build up our faith or break it. In discussions of worship, the term 'participation' covers a lot of ground. It refers not only to concrete acts in gathered liturgy, but also to some of the loftiest claims of Christian theology. In this book, Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation. Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology. This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect, and offers fresh perspectives on such current theological concerns as God's triunity, *missio Dei*, and the practical theology of participation. Offering a fresh contribution to a young but important discipline, the liturgically-informed study of evangelical worship practice, this book reconnects the evangelical tradition to the 'Great Tradition' and in the process re-appropriates classic concepts that are full of promise for contemporary ecumenical dialogue.

Why were so many religious images and objects broken and damaged in the course of the Reformation? Margaret Aston's magisterial new book charts the conflicting imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images, rails and screens to bells, organs and stained glass windows. She explores the motivations of those who smashed images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity. She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge in the long term new generations of new believers. Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning. Idol-breaking with its emphasis on the treacheries of images fundamentally transformed not only Anglican ways of worship but also of seeing, hearing and remembering.

A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: "I chase after that I may catch that which apprehended me" (Phil. 3:12). Job was a God chaser. He said, "Oh that I knew where I might find Him!" David was one; he said, "My soul followeth hard after Thee." Paul was one too: "That I may know Him..." The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer, David the singer, and Paul the itinerant

preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord. These are people whose relentless, passionate pursuit of Christ often made them appear foolish in the eyes of others. Yet, having tasted His goodness and glimpsed the invisible, they could be satisfied with nothing less. Add your name to the list...become a God chaser. Who know? You might be one whom He catches.

What does it mean to praise God? In the ancient world, something extraordinary happened when God's people gathered to worship Him. It was more than just singing; it was a declaration, a proclamation, a time to fully embody praise to God for who He is and what he has done. In fact, in the Psalms, seven Hebrew words are translated into the English word praise, each of which represents a different aspect of what it means to truly praise God. In *Holy Roar*, Chris Tomlin and Darren Whitehead share a fresh perspective from the worship practices of the ancient world. Grow in your understanding of praise as Darren offers unique insights. Be inspired as Chris shares how those insights take shape in the stories behind some of your favorite worship songs, including "How Great Is Our God," "We Fall Down," and "Good Good Father." Whether for your own personal use or for use in your church small group, *Holy Roar* provides insight and encouragement to deepen your practice of praise. Become a part of the Holy Roar.

Redman shares powerful messages and insights that are sure to appeal to the growing market of passionate worshipers. (Motivation)
