

By Shri Shanker Nath Fotedar Ikashmir

With reference to India.

Kashmir Has Been A Land Of Saints, Savants And Sages-Some Belonged To The Buddhist Faith-Some Advocated Shaiva Philosophy, Some Were Sufis And Some Were Saint-Poets. The Volumes Gives A Glimpse Of This Tradition Through An Account Of It Selected Sages From Kashmir And Lead Us To Divinity.

Articles chiefly on social life and customs of Kashmiri Pandits of India.

The advent of Islam in medieval Kashmir gave birth to a narrative that describes forcible mass conversion of Hindus, eviction of local people and wanton demolition of religious symbols. A minority of Kashmiri Brahmins and their progeny who did not convert to Islam built and successfully perpetuated this narrative over the centuries. Following the eruption of armed insurgency in Kashmir and mass migration of Kashmiri Pandits in 1990, this community narrative has turned into the Indian mainstream view on Kashmiri Pandits. Kashmir: Exposing the Myth behind the Narrative challenges the existing narrative. It exposes many fallacies used to uphold this narrative and dissects the work of historians that has sustained ahistorical perceptions over a long period of time. By linking history to the present, the book facilitates an understanding of the situation today.

Hindu-Muslim conflict in India, since pre-1947 till the present.

The Kashmir issue is typically cast as a "territorial dispute" between two belligerent neighbors in South Asia. But there is much more to the story than that. The Jammu and Kashmir state, home to an extraordinary medley of races, tribal groups, languages, and religions, makes up one of the most diverse regions in the subcontinent. Demystifying Kashmir argues that recognizing the rich, complex, and multi-faceted character of Kashmir is important not only for understanding the structural causes of this conflict but also for providing opportunities to establish a just, viable, and lasting solution. In this remarkable book, Navnita Chadha Behera traces the history of Kashmir from the pre-partition India to the current-day situation. She provides a comprehensive analysis of the philosophical underpinnings and the local, bilateral, and international dynamics of the key players involved in this flashpoint of conflict, including New Delhi, Islamabad, political groups and militant outfits on both sides of the Line of Control, and international powers. The book explores the political and military components of India's and Pakistan's Kashmir strategy, the self-determination debate, and the insurgent movement that began in 1989. The conclusion focuses on what Behera terms the four P's: parameters, players, politics, and prognosis of the ongoing peace process in Kashmir. Behera also reflects on the devastation of the October 2005 earthquake and its implications for the future of the area. Based on extensive field research and primary sources, Demystifying Kashmir breaks new ground by framing the conflict as a political battle of state-making between India and Pakistan rather than as a rigid and ideological Hindu-Muslim conflict. Behera's work will be an essential guide for journalists, scholars, activists, policymakers, and anyone interested in how to avert a war between these nuclear powers.

On the life of the Hindu mystic Gopinath, 1898-1968.

The Book Contains Pignettes Of Outstanding Women Who Flourished From Early Times In Any Field Of Social Activity. This Book Describes The Kashmiri Women As How They Lived Through Different Periods Of History.

When P.V. Narasimha Rao became the unlikely prime minister of India in 1991, he inherited a nation adrift, violent insurgencies, and economic crisis. Despite being unloved by his people, mistrusted by his party, and ruling under the shadow of 10 Janpath, Rao transformed the economy and ushered India into the global arena. With exclusive access to Rao's never-before-seen personal papers and diaries, this definitive biography provides new revelations on the Indian economy, nuclear programme, foreign policy and the Babri Masjid. Tracing his early life from a small town in Telangana through his years in power, and finally, his humiliation in retirement, it never loses sight of the inner man, his difficult childhood, his corruption and love affairs, and his lingering loneliness. Meticulously researched and brutally honest, this landmark political biography is a must-read for anyone interested in knowing about the man responsible for transforming India.

Review of Bhagawan Gopinath Ji of Kashmir by Shankar Nath Fotedar.

The poems of the fourteenth-century Kashmiri mystic Lal Ded, popularly known as Lalla, strike us like brief and blinding bursts of light. Emotionally rich yet philosophically precise, sumptuously enigmatic yet crisply structured, these poems are as sensuously evocative as they are charged with an ecstatic devotion. Stripping away a century of Victorian-inflected translations and paraphrases, and restoring the jagged, colloquial power of Lalla's voice, in Ranjit Hoskote's new translation these poems are glorious manifestos of illumination.

Electoral Calculus- 1996 With The Cut-Off Point Of 31 December 1995 Has Come Out The Thinking Cap Of Prof. T.N. Rastogi Who Is An Original Thinker, The Sort Of Author Who Makes The Reader Understand What Sir Edmond Burke Meant When He Wrote Of Politics Being Philosophy In Action . All Said And Done; This Is A Thought-Provoking And Stimulating Book Of Monumental Importance With Warning Signals To Our Pocket-Picking Politicians So That They Can Mend Their Fences And Improve Their Performance At The Hustings.

Political conditions in Jammu and Kashmir, India.

Includes supplements and extraordinary issues.

India, Pakistan and the Secret Jihad explores the history of jihadist violence in Kashmir, and argues that the violent conflict which exploded after 1990 was not a historical discontinuity, but, rather, an escalation of what was by then a five-decade old secret war. Praveen Swami addresses three key issues: the history of jihadist violence in Jammu and Kashmir, which is examined as it evolved from 1947-48 onwards the impact of the secret jihad on Indian policy-making on Jammu and Kashmir, and its influence on political life within the state why the jihad in Jammu and Kashmir acquired such intensity in 1990. This new work will be of much

interest to students of the India-Pakistan conflict, South Asian politics and security studies in general.

Short biographies of saints of Kashmir, India.

Review on the Biography of Bhagawan Gopinath Ji of Kashmir And ... Letters Expounding Shiva-Sakhti [sic] Philosophy
Original Inhabitants Now Living As Refugees In Their Own Land This Is The Plight Of Kashmiri Pandits Now. This Book
