FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Put into action the characteristics needed to be a great fisherman, and see how they can also make you into a great fisher of men. Fishermen don't rely on luck in order to catch fish—they put their skills, knowledge, and experience into play every time they cast their line. Likewise, righteous and godly living doesn't come naturally but requires study, commitment, and a lot of practice. In *Catch of the Day*, Jimmy Houston combines both his love of fishing and his love of God in this unique fisherman's 365-day devotional. Each day features Scripture and a thought for meditation that applies insights from the art of fishing to daily spiritual growth, as well as fishing tip from a pro. Anyone who loves God's creation, combined with the excitement of the catch, will truly enjoy this guide of spiritual lessons for life.

A comprehensive big-game hunting guide for hunters ranging from first-time novices to seasoned experts, with more than 400 full-color photographs, including work by renowned outdoor photographer John Hafner Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life. In this first-ever complete guide to hunting—from hunting an animal to butchering and cooking it—the host of the popular hunting show *MeatEater* shares his own expertise with us, and imparts strategies and tactics from many of the most experienced hunters in the United States as well. This invaluable book includes • recommendations on what equipment you will need—and what you can do without—from clothing to cutlery to camping gear to weapons • basic and advanced hunting strategies, including spot-and-stalk hunting, ambush hunting, still hunting, drive hunting, and backpack hunting • how to effectively use decoys and calling for big game • how to find hunting locations, on both public and private land, and how to locate areas that other hunters aren't using • how and when to scout hunting locations for maximum effectiveness • basic information on procuring hunting tags, including limited-entry “draw” tags • a species-by-species description of fourteen big-game animals, from their mating rituals and preferred habitats to the best hunting techniques—both firearm and archery—for each species • how to plan and pack for backcountry hunts • instructions on how to break down any big-game animal and transport it from your hunting site • how to butcher your own big-game animals and select the proper cuts for sausages, roasts, and steaks, and how to utilize underappreciated cuts such as ribs and shanks • cooking techniques and recipes, for both outdoor and indoor preparation of wild game
