Regardless of your level of training or comfort around firearms, understanding and applying firearm fundamentals will increase your proficiency. Handguns for Self-Defense provides easily understood explanations of what shooters need to do to fire more accurately. Author David Nash has more than twenty years of experience as a firearm instructor and in this book he explores such topics as: • How to choose the firearm, holster, and carry method that best fits you, your lifestyle, and your particular protection needs • Understanding state and federal firearm laws • Developing and implementing a safe and effective firearms training regime • How to deal with friends and family who don't like guns • And much more All of this is done without politics, judgments, or complex explanations. Handguns for Self-Defense is a valuable resource for anyone thinking about purchasing a firearm for the first time, exploring carrying a gun for self-defense, or seeking to improve the skills they already have.

In 1990 the Beretta M9 replaced the venerable Colt 1911 as the main pistol of choice for the US Army, and it has seen widespread use in Iraq and Afghanistan. Written by a leading pistol expert who currently trains US Special Forces in the use of this weapon, this book is an honest appraisal of the successes and failings of the 9mm Beretta. The volume traces the Beretta designs that preceded the M9, as well as its use on the battlefield, including the impact it has had on close combat training due its the larger magazine capacity. It also details the adoption of the Beretta by US law enforcement agencies and the impact this has had. This is a fascinating history of a classic pistol and an assessment of its future use. Target shooters, handgun hunters, collectors and those who rely upon handguns for self-defense will want to pack this value-loaded and entertaining volume in their home libraries. Shooters will find the latest pistol and revolver designs and accessories, plus test reports on several models. The handgun becomes an artist's canvas in a showcase of engraving talents. The catalog section -- with comprehensive specs on every known handgun in production -- includes a new display of semi-custom handguns, plus an expanded, illustrated section on the latest grips, sights, scopes and other aiming devices. Directories offer easy access to products, services and manufacturers.

With more than 60,000 prices listed, this revised and updated reference features the most up-to-date information on thousands upon thousands of the most sought-after items. New this year are sections on movie memorabilia and buying and selling on the Internet. Illustrations throughout.

Enrico De Pedis. La mala a Roma e i segreti del Vaticano Chi è Enrico De Pedis? Ha solo 36 anni, quando, all'apice della sua "carriera", viene ucciso da un commando di sette persone. Nel giro era soprannominato "Renatino" o anche "il presidente", la stampa invece lo definisce "capo dei capi", appellativo che è stato usato solo per Totò Riina. alti prelati scrivono che è un benefattore, i collaboratori di giustizia lo definiscono un boss e legano il suo nome all'inchiesta sulla sparizione di Emanuela Orlandi. Raffaella Notariale ricostruisce il ritratto di un personaggio oscuro che, cresciuto nella batteria dei Testaccini, la più potente della banda della Magliana, finisce incredibilmente per essere sepolto nella basilica vaticana di Sant'Apollinare, con il benestare del Vicario del papa e presidente della CEI, il cardinale Ugo Poletti. Dopo oltre un ventennio di misteri e illazioni si decide di riaprire la pietra tombale e spostare il corpo di De Pedis. Ma la traslazione della salma lascia aperti inquietanti interrogativi. Perché Enrico De Pedis è stato seppellito in quella chiesa? Quali scandalosi favori aveva fatto all'allora Vicario del papa? Queste domande sono ancora in attesa di risposta. Dalla banda della Magliana alla tomba in una basilica, fino all'inchiesta su Emanuela Orlandi. La verità sul potere criminale in un'inchiesta scomoda Raffaella Notariale è giornalista professionista e lavora alla RAI. il suo primo libro, Segreto criminale. La vera storia della banda della Magliana, scritto per Newton Compton insieme a Sabrina Minardi, ha avuto 10 edizioni in pochi mesi.
