Martin Amis

Call If You Need Me Raymond Carver, 2015-05-25 The complete uncollected fiction and nonfiction, including the five posthumously discovered “last” stories, published here in book form for the first time—from “one of the great short story writers of our time—of any time” (The Philadelphia Inquirer). Call If You Need Me includes all of the prose previously collected in *No Heroics, Please*, four essays from *Fires*, and those five marvelous stories that range over the period of Carver’s mature writing and give his devoted readers a final glimpse of the great writer at work. The pure pleasure of Carver’s writing is everywhere in his work, here no less than in those stories that have already entered the canon of modern literature.

No Heroics, Please Raymond Carver, 1992 This volume of previously uncollected work represents the final legacy of one of the great and truly American writers of our time. It includes five of Raymond Carver's early stories (including the first one he ever published), a fragment of an unpublished novel, poems that have previously appeared only in small-press editions, and all of his uncollected nonfiction. Included here as well is Carver's last essay, *Friendship* about a London reunion with Richard Ford and Tobias Wolff. Arranged chronologically, this book affords an intimate and comprehensive thirty-year vision of a great writer in the process of becoming himself.

Will You Please Be Quiet, Please? Raymond Carver, 2015-05-25 The first collection of stories from “one of the great short story writers of our time” (The Philadelphia Inquirer) breathed new life into the American short story, showing us the humor and tragedy that dwell in the hearts of ordinary people. [Carver's stories] can ... be counted among the masterpieces of American Literature. —The New York Times Book Review One of the great short story writers of our time—of any time. —The Philadelphia Inquirer The whole collection is a knock out. Few writers can match Raymond Carver's entwining style and language. —The Dallas Morning News

Short Cuts Raymond Carver, 2015-05-25 From “one of the great short story writers of our time” (The Philadelphia Inquirer)—nine stories and a poem that offer a searing portrait of American innocence and loss—and formed the basis for the film “Short Cuts” directed by Robert Altman. With deadpan humor and enormous tenderness, this is the work of “one of the

true contemporary masters” (The New York Review of Books). Features stories from the collections Will You Please Be Quiet, Please?, Where I’m Calling From, What We Talk About When We Talk About Love, and A New Path to the Waterfall; including an introduction by Robert Altman.

Call If You Need Me (Mandarin Edition) Raymond Carver, 2014-02-25 Call If You Need Me includes all of the prose previously collected in No Heroics, Please, four essays from Fires, and those five marvelous stories that range over the period of Carver’s mature writing and give his devoted readers a final glimpse of the great writer at work.

Cathedral Raymond Carver, 2015-05-25 PULITZER PRIZE FINALIST • Twelve short stories that mark a turning point in the work of “one of the true American masters (The New York Review of Books). “A writer of astonishing compassion and honesty ... His eye is so clear, it almost breaks your heart.” —The Washington Post Book World A remarkable collection that includes the canonical titular story about blindness and learning to enter the very different world of another. These twelve stories “overflow with the danger, excitement, mystery and possibility of life.” —The Washington Post Book World

American Short Story Masterpieces Raymond Carver, Tom Jenks, 1989-04-02 This highly acclaimed collection of short stories by American writers contains only the best literary art of the past four decades. Editors Raymond Carver and Tom Jenks have selected fiction that “tells a story”—and tells it with a masterful handling of language, situation, and insight. But what is so special about this volume is that it mirrors our age, our concerns, and our lives. Whether it’s the end of a marriage, as in Bobbie Ann Manson’s “Shiloh,” or the struggle with self-esteem and weight in Andre Dubus’s “The Fat Girl,” the 36 works included here probe issues that give us that “shock of recognition” that is the hallmark of great art—wonderful, absorbing fiction that will be read and reread for decades to come.

All of Us Raymond Carver, 2015-05-25 A rich collection of poems from not only “one of the great short story writers of our time” (The Philadelphia Inquirer), but one of America’s most large-hearted and affecting poets. Like Raymond Carver’s stories, the more than 300 poems in All of Us are marked by a keen attention to the physical world; an uncanny ability to compress vast feeling into discreet moments; a voice of conversational intimacy, and an unstinting sympathy. This complete edition brings together all the poems of Carver’s five previous books, from Fires to the posthumously published No Heroics, Please. It also contains bibliographical and textual notes on individual poems; a chronology of Carver’s life and work; and a moving introduction by Carver’s widow, the poet Tess Gallagher.

Beginners Raymond Carver, 2015-09-15 From “one of the great short story writers of our time—of any time” (The Philadelphia Inquirer)—comes the original manuscript of the seminal 1981 collection, What We Talk About When We Talk About Love. Raymond Carver is one of the most celebrated short-story writers in American literature—his style is both

instantly recognizable and hugely influential—and the pieces in *What We Talk About...*, which portray the gritty loves and lives of the American working class, are counted among the foundation stones of the contemporary short story. In this unedited text, we gain insight into the process of a great writer. These expansive stories illuminate the many dimensions of Carver's style, and are indispensable to our understanding of his legacy. Text established by William L. Stull and Maureen P. Carroll

Friend of My Youth Alice Munro, 2012-04-25 A “wickedly funny” (Newsweek) collection of ten short stories from Nobel Prize-winning author Alice Munro, “one of the most eloquent and gifted writers of contemporary fiction” (Michiko Kakutani, *The New York Times*). “Each of her collections demonstrates such linguistic skill, delicacy of vision, and . . . moral strength and clarity.”—Chicago Tribune A woman haunted by dreams of her dead mother. An adulterous couple stepping over the line where the initial excitement ends and the pain begins. A widow visiting a Scottish village in search of her husband's past—and instead discovering unsettling truths about a total stranger. The miraculously accomplished stories in this collection not only astonish and delight, but also convey the unspoken mysteries at the heart of all human experience. The mastery—the almost numinous ability to say the unsayable—makes *Friend of My Youth* a genuine literary event.

Inside Story Martin Amis, 2020-10-27 An autobiographical novel that's a tender, witty exploration of the hardest questions: how to live, how to grieve, and how to die—from “the Mick Jagger of literature ... Amis is the most dazzling prose stylist in post-war British fiction” (*The Daily Telegraph*). “[A] charismatic compound of fact and fiction ... Martin Amis has retained the power to surprise.” —Parul Sehgal, *The New York Times* This novel had its birth in the death of Martin Amis's closest friend, the incomparable Christopher Hitchens, and it is within that profound and sprawling friendship that *Inside Story* unfurls. From their early days as young magazine staffers in London, reviewing romantic entanglements and the latest literary gossip (not to mention ideas, books, and where to lunch), Hitch was Amis's wingman and adviser, especially in the matter of the alluringly amoral Phoebe Phelps—an obsession Amis must somehow put behind him if he is ever to find love, marriage, a plausible run at happiness. Other figures competing as Amis's main influencers are his literary fathers—Kingsley, of course; his hero Saul Bellow; the weirdly self-financing poet Philip Larkin—and his significant literary mothers, including Iris Murdoch and Elizabeth Jane Howard. Moving among these greats to set his own path, he winds up surveying the horrors of the twentieth century, and the still-unfolding impact of the 9/11 attacks on the twenty-first—and considers what all of this has taught him about how to live and how to be a writer. The result is a love letter to life—and to the people in his life—that achieves a new level of confidentiality with his readers, giving us the previously unseen portrait of his extraordinary world.

Raymond Carver Carol Sklenicka, 2009-11-24 The first biography of America's best-known short story writer of the late twentieth century. The *London Times* called Raymond Carver the American Chekhov. The beloved, mischievous, but more modest short-story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten

years longer than I or anyone expected. In that last decade, Carver became the leading figure in a resurgence of the short story. Readers embraced his precise, sad, often funny and poignant tales of ordinary people and their troubles: poverty, drunkenness, embittered marriages, difficulties brought on by neglect rather than intent. Since Carver died in 1988 at age fifty, his legacy has been mythologized by admirers and tainted by controversy over a zealous editor's shaping of his first two story collections. Carol Sklenicka penetrates the myths and controversies. Her decade-long search of archives across the United States and her extensive interviews with Carver's relatives, friends, and colleagues have enabled her to write the definitive story of the iconic literary figure. Laced with the voices of people who knew Carver intimately, her biography offers a fresh appreciation of his work and an unbiased, vivid portrait of the writer.

What We Talk About When We Talk About Anne Frank Nathan Englander,2012-02-07 From the Pulitzer-nominated, bestselling author of *For the Relief of Unbearable Urges*, eight powerful stories, dazzling in their display of language and imagination. "Showcases Mr. Englander's extraordinary gifts as a writer." —Michiko Kakutani, *The New York Times* From the title story, a provocative portrait of two marriages inspired by Raymond Carver's masterpiece, to "Peep Show" and "How We Avenged the Blums," two stories that return to the author's classic themes of sexual longing and ingenuity in the face of adversity, these stories affirm Nathan Englander's place at the very forefront of contemporary American fiction.

Triage Richard Russo,2022-03-15 A Vintage Shorts Nonfiction Original One of the most valuable spaces for an artist is the inner life—the sacred place where, outside of the constraints of time and space, meaning is extracted from raw experience and fashioned into art. In this timely new essay, Pulitzer Prize-winning author Richard Russo discusses the work writers do as they sift through experience and work to cultivate rich interior lives. For authors, this often involves performing triage, a constant assessment of events that helps determine what's useful for a story and potentially enduring. But what is at stake when we perform triage? Is an artist's interior life an act of generosity or selfishness? Reflecting on a year of reading and meditations on the nature of interiority brought up by a global pandemic and orders to stay at home, *Triage* is a candid and arresting look at the process that goes into creative work, by one of our most celebrated and bestselling novelists. An ebook short. Look for Richard Russo's new book, *Somebody's Fool*, coming soon.

The Visual Poetics of Raymond Carver Ayala Amir,2010-07-17 *The Visual Poetics of Raymond Carver* draws on the study of visual arts to illuminate the short stories of noted author Raymond Carver, in the broader context of vision and visualization in a literary text. Ayala Amir examines Carver's use of the eye-of-the-camera technique. Amir uncovers the tensions that structure his visual aesthetics and examines assumptions that govern scholarly discussions of his work, relating these matters to the complex nature of photography and to the current 'visual turn' of cultural studies. The research uses

visual approaches to reflect upon traditional issues of narrative study-duration, dialogue, narration, description, frame, character, and meaning. Amir shows how Carver's visual aesthetics shapes the meaning of his stories, while also challenging accepted notions of the boundaries of 'the literary.'
