In order to convince his son to come home, Herbert Greenleaf, a rich shipbuilder, sends the suave con man Tom Ripley to Italy, but is unaware of his son's friend's criminal activities. Reprint.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Winner of the Alex Award “Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America.” --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

“The best memoir I've ever read.” —Oprah Winfrey “Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned.

Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning...

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

A passionate portrait of love's contradictory power, in five illuminating stories Andre Aciman, who has been called "the most exciting new fiction writer of the twenty-first century" (New York Magazine), has written a novel in *Enigma Variations* that charts the life of Paul whose loves remain as consuming and covetous throughout adulthood as they were in adolescence. Whether in southern Italy, where as a boy he has a crush on his parents' cabinet maker, or on a snowbound campus in New England, where his enduring passion for a girl he'll meet

again and again over the years is punctuated by anonymous encounters with men; on a tennis court in Central Park, or a sidewalk in early spring New York, his attachments are ungraspable, transient and forever underwritten by raw desire—not for just one person’s body but, inevitably, for someone else’s as well. In mapping the most inscrutable corners of desire, Aciman proves to be an unsparing reader of the human psyche and a master stylist of contemporary literature. With language at once lyrical, bare-knuckled, and unabashedly candid, he casts a sensuous, shimmering light over each facet of desire to probe how we ache, want, and waver, and ultimately how we sometimes falter and let go of those who may want only to offer what we crave from them. Behind every step the hero takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love always casts its luminous halo. We may not always know what we want. We may remain enigmas to ourselves and others. But sooner or later we discover who we’ve always known we were.

A timeless romance develops between American grad student, Oliver (Armie Hammer), and a sensitive teenager, Elio Perlman (Timothee Chalamet), in the novel by Andre' Aciman and movie "Call Me by Your Name." Though the book on which the film is based takes place in the Mediterranean seaside region of Liguria, Italy, director Luca Guadagnino set his film version in the inland region of Lombardy. NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

The author of *Out of Egypt* and a regular contributor to the *New York Times Book Review* presents contributions from twenty-eight writers on the life, work, and legacy of Proust, including Shirley Hazard, Lydia Davis, Alain de Botton, and many others. 15,000 first printing..

Call Me By Your Name is a profound movie about first love, desire, heartbreak, and self acceptance. Inspired by the thousands of members of the *Call Me By Your Name* Global Facebook Group and the hundreds of postings on the *Call Me By Your Name* Support Group on Twitter, I asked people from around the world how this film changed their lives. Here are their poignant stories. Profits from this paperback go to The Trevor Project, the leading national organization focused on crisis and suicide prevention efforts among LGBT youth.

Movies do more than tell a good story. *Filmspotting* co-host Josh Larsen brings a critic's unique perspective to how movies can act as prayers—expressing lament, praise, joy, confession, and more. When words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

In this hilarious and heartfelt memoir, award-winning, multi-talented entertainer Jamie Foxx shares the story of being raised by his no-nonsense grandmother, the glamour and pitfalls of life in Hollywood, and the lessons he took from both worlds to raise his two daughters. Jamie Foxx has won an Academy Award and a Grammy Award, laughed with sitting presidents, and partied with the biggest names in hip-hop. But he is most proud of his role as father to two very independent young women, Corinne and Anelise. Jamie might not always know what he's doing when it comes to raising girls—especially when they talk to him about TikTok (PlikPlok?) and don't share his enthusiasm for flashy Rolls Royces—but he does his best to show up for them every single day. Luckily, he has a strong example to follow: his beloved late grandmother, Estelle Marie Talley. Jamie learned everything he knows about parenting from the fierce woman who raised him: As he puts it, she's "Madea before Tyler Perry put on the pumps and the gray wig." In *Act Like You Got Some Sense*—a title inspired by Estelle—Jamie shares up close and personal stories about the tough love and old-school values he learned growing up in the small town of Terrell, Texas; his early days trying to make it in Hollywood; the joys and challenges of achieving stardom; and how each phase of his life shaped his parenting journey. Hilarious, poignant, and always brutally honest, this is Jamie Foxx like we've never seen him before.

The irreverent, brilliant memoirs of the legendary filmmaker James Ivory In *Solid Ivory*, a carefully crafted mosaic of memories, portraits, and reflections, the Academy Award–winning filmmaker James Ivory, a partner in the legendary Merchant Ivory Productions and the director of *A Room with a View*, *Howards End*, *Maurice*, and *The Remains of the Day*, tells stories from his remarkable life and career as one of the most influential directors of his time. At times, he touches on his love affairs, looking back coolly and with unexpected frankness. From first meeting his collaborator and life partner, Ismail Merchant, at the Indian Consulate in New York to winning an Academy Award at age eighty-nine for *Call Me by Your Name*; from seeing his first film at age five in Klamath Falls, Oregon, to memories of Satyajit Ray, Jean Renoir, *The New Yorker* magazine’s film critic Pauline Kael (his longtime enemy), Vanessa Redgrave, J. D. Salinger, George Cukor, Kenneth Clark, Bruce Chatwin, Ruth Praver Jhabvala, and Merchant—Ivory writes with invariable fluency, wit, and perception about what made him who he is and how he made the movies for which he is known and loved. *Solid Ivory*, edited by Peter Cameron, is an utterly winning portrait of an extraordinary life told by an unmatched storyteller.

A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME *Eight White Nights* is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are. A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three words: "I am Clara." Over the following seven days, they meet every evening at the same cinema. Overwhelmed yet cautious, he treads softly and won't hazard a move. The tension between them builds gradually, marked by ambivalence, hope, and distrust. As André Aciman explores their emotions with uncompromising accuracy and sensuous prose, they move both closer together and farther apart, culminating on New Year's Eve in a final scene charged with magic and the promise of renewal. *Call Me by Your Name*, Aciman's debut novel, established him as one of the finest writers of our time, an expert at the most sultry depictions of longing and desire. As *The Washington Post Book World* wrote, "The beauty of Aciman's writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for

everyone." Aciman's piercing and romantic new novel is a brilliant performance from a master prose stylist.

From the acclaimed poet behind *Bone*, an exploration of how we can meet our truest selves, the ones we've always been meant to become Yrsa Daley-Ward's words have resonated with hundreds of thousands of readers--through her books of poetry and memoir, *Bone* and *The Terrible*; through her writing for Beyoncé on *Black Is King*; and through her always illuminating Instagram posts. Now, in *The How*, Yrsa encourages readers to begin, as she puts it, the great work of meeting ourselves. This isn't the self we've built up in response to our surroundings, or the self we manufacture to please the people around us, but instead, our most intimate self, the one we visit in dreams, the one that calls to us from a glimmering future. With a mix of short lyrical musings and her signature stunning poetry, Yrsa gently takes readers by the hand, encouraging them to join her as she explores how we can remove our filters, and see and feel more of who we really are behind the preconceived notions of propriety and manners we've accumulated with age. With a beautiful design and intriguing meditations, *The How* can be used to start conversations, to prompt writing, to delve deeper--whether you're solo, or with friends, on your feet or writing from the solace of home.

The Upside-Down Magic kids are back in another topsy-turvy adventure in the next installment of this New York Times bestselling series! It's *Big Night in Dunwiddle* . . . and that means the whole school has a sleepover like no other. For one night every year, magic students run through the halls, hunting for the objects that will win them a super special prize. Nory is super excited for the scavenger hunt. Not only because she likes winning, but also because if her team wins, she thinks there's a chance her best friend Elliott won't move away to attend super snobby Sage Academy. Sebastian is a little less excited once the hunt is on. Yes, he has magical powers that help his team -- like being able to see invisible things or anything that makes a sound. The problem is that the really loud sounds are hurting him . . . and nobody seems to care. The kids in Upside-Down Magic know their five F's (Flares, Flyers, Fuzzies, Flickers, and Fluxers) -- but to win this night, a sixth F is the most important . . . Friendship.

A breathtaking award-winning novel about an extraordinary, all-consuming love affair One night an eighteen-year-old Irish girl, recently arrived in London to attend drama school, meets an older man—a well-regarded actor in his own right. While she is naive and thrilled by life in the big city, he is haunted by more than a few demons, and the clamorous relationship that ensues risks undoing them both. A captivating story of passion and innocence, joy and discovery set against the vibrant atmosphere of 1990s London over the course of a single year, *The Lesser Bohemians* glows with the eddies and anxieties of growing up, and the transformative intensity of a powerful new love. The film tie-in edition to the already highly acclaimed Luca Guadagnino-directed film of one of the great love stories of our time.

Call Me by Your Name is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliff-side mansion on the Italian Riviera. Unprepared for the consequences of their attraction, at first each feigns indifference. But during the restless summer weeks that follow, unrelenting buried currents of obsession and fear, fascination and desire, intensify their passion as they test the charged ground between them. What grows from the depths of their spirits is a romance of scarcely six weeks' duration and an experience that marks them for a lifetime. For what the two discover on the Riviera and during a sultry evening in Rome is the one thing both already fear they may never truly find again: total intimacy. The psychological maneuvers that accompany attraction have seldom been more shrewdly captured than in André Aciman's frank, unsentimental, heartrending elegy to human passion. Call Me by Your Name is clear-eyed, bare-knuckled, and ultimately unforgettable.

If I Stay meets Your Name in Dustin Thao's You've Reached Sam, a heartfelt novel about love and loss and what it means to say goodbye. How do you move forward when everything you love is on the line? And everything changes. Desperate to hear his voice one more time, Julie calls Sam's cellphone just to listen to his voicemail. And Sam picks up the phone. What would you do if you had a second chance at goodbye? Filled with a diverse cast of characters, the heartache of first love and loss, and the kind of friends that can get you through anything, plus a touch of magic, You've Reached Sam will make an instant connection with anyone looking for a big emotional romance of a read.

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In Everything Is Cinema, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces

of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cori McCarthy—perfect for fans of Rainbow Rowell and Ashley Poston Iris Thorne wants to blaze her own path. That's easier said than done when you're the granddaughter of M. E. Thorne, famous author of the *Elementia* series, hailed as the feminist response to J. R. R. Tolkien's *Lord of the Rings*. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about *Elementia*—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

From the Fab Five--the beloved hosts of Netflix's viral hit *Queer Eye*--comes a book that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. The sudden and powerful attraction between a teenage boy and a summer guest at his parents' house on the Italian Riviera has a profound and lasting influence that will mark them both for a lifetime, in a novel of obsession, passion, fear, and desire. By the author of *False Papers*. Available in English for the first time—the internationally bestselling graphic novel and an Official Selection at France's prestigious Angoulême International Comics Festival by master illustrator-storyteller Chabouté (*Park Bench*, *Moby-Dick*). On a tiny lighthouse island far from the rest of the world, a lonely hermit lives out his existence. Every week a supply boat leaves provisions, its occupants never meeting him, never asking the obvious questions: Who are you? Why do you hide? Why do you never leave? What is it like to be so alone? Years spent on a deserted rock—a lifetime, really—with imagination his sole companion has made the lighthouse keeper something more than alone, something else entirely. For him, what lies beyond the horizon might be...nothing. And so, why not stay put? But one day, as a new boatman starts asking the questions all others have avoided, a chain of events unfolds that will irrevocably upend the hermit's solitary life.... Filled with stunning and richly executed black-and-white illustrations, *Alone* is Chabouté's masterpiece—an unforgettable tale where tenderness, despair, and humor intertwine to flawlessly portray how someone can be an everyman, and every man is someone. Translated from the French by Ivanka Hahnenberger.

Essays on memory by the author of *Our of Egypt* "We remember not because we have something we wish to go back to, nor because

memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful. Remembering is beautiful." Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he's made (and half invented) on Manhattan's Upper West Side.

"So candid, so penetrating and so beautifully written that it can make you feel cut open, emotionally exposed." —Sam Sacks, *Wall Street Journal* Harvard Square is the elegant and sexually charged story of a young émigré grad student, a Jew from Egypt, who meets a brash, magnetic Arab taxi driver—and how their friendship tests his loyalties and throws his life in America into doubt. André Aciman's writing has been hailed by Colm Tóibín as "fiction at its most supremely interesting," and here Aciman delivers a powerful tale of identity and the wages of assimilation.

Elio believes he has left behind his first love - but as an affair with an older man intensifies, his thoughts turn to the past and to Oliver. Oliver, a college professor, husband and father, is preparing to leave New York. The imminent trip stirs up longing and regret, awakening an old desire and propelling him towards a decision that could change everything. In *Call Me By Your Name*, we fell in love with Oliver and Elio. *Find Me* returns to these unforgettable characters, exploring how love can ripple out from the past and into the future.

Mississippi Sissy is the stunning memoir from Kevin Sessums, a celebrity journalist who grew up scaring other children, hiding terrible secrets, pretending to be Arlene Frances and running wild in the South. As he grew up in Forest, Mississippi, befriended by the family maid, Mattie May, he became a young man who turned the word "sissy" on its head, just as his mother taught him. In Jackson, he is befriended by Eudora Welty and journalist Frank Hains, but when Hains is brutally murdered in his antebellum mansion, Kevin's long road north towards celebrity begins. In his memoir, Kevin Sessums brings to life the pungent American south of the 1960s and the world of the strange little boy who grew there. "Kevin Sessums is some sort of cockeyed national treasure." —Michael Cunningham

A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting *Call Me by Your Name*. First published in 2007, it was hailed as "a love letter, an invocation . . . an exceptionally beautiful book" (Stacey D'Erasmus, *The New York Times Book Review*). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England

college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. Find Me brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

The son of a flamboyant Jewish clan recounts his family's move to turn-of-the-century Alexandria, the family's many colorful members, its pursuit of wealth and happiness, and its struggles with anti-Semitic and anti-Western nationalism. Reprint. 10,000 first printing.

A useful sentimental soft cover notebook for fans of the popular novel and motion picture "Call Me By Your Name." This 8" x 10" college-ruled notebook has 125 blank lined pages (62.5 indiv. pages), with no holes. It is versatile and perfect for a variety of uses, including in-class note-taking, homework, journaling, and more. ***** The cover is #80 lb. card stock with a glossy finish, and its pages are perfect bound (glued) for gentle handling. Anthony Lane on Con Air— "Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons." Anthony Lane on The Bridges of Madison County— "I got my copy at the airport, behind a guy who was buying Playboy's Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag." Anthony Lane on Martha Stewart— "Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are 'fifty to sixty' stuffed peas raring to go." For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody's Perfect is an unforgettable collection of Lane's trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.
