The North Downs Way National Trail is a 130 mile (208km) between the high downland of Farnham and the historic city of Dover on the Kent coast. The route is described in 11 day stages from west to east with an optional detour via Canterbury. Step-by-step route descriptions are fully illustrated with colour photographs and extracts from OS 1:50,000 mapping for every stage. The guidebook comes with a separate map booklet of 1:25,000 scale OS maps showing the full route of the North Downs Way. Clear step-by-step route descriptions in the guide link together with the map booklet at each stage along the Way, and the compact format is conveniently sized for slipping into a jacket pocket or the top of a rucksack. The North Downs Way is one of the easier national trails with a modest number of steep (but short) ascents and descents and long sections with no noticeable height gain or loss. Several historic sites including Neolithic burial chambers, Roman roads and Norman churches are passed and much of the route follows The Pilgrims' Way.

Three different pilgrimage routes through northern Spain to the sacred city of Santiago de Compostela: the Camino del Norte (a 790km five-week coastal route from Irún), Camino Primitivo (which splits from the Norte at Sebrayo for the next 320km) and the Camino Inglés (a five-day 87km route from Ferrol)

Camino Sanabrés & Invierno. This brand new Camino Guide includes the last two largely undiscovered pilgrim routes into Santiago. That they have remained bypassed for so long is all the more surprising as they follow ancient Roman itineraries and offer spectacular and yet easily accessible alternatives to the well-trodden main routes. Each offers a distinct and unique flavour but are included in one volume as they join midway for the final stages into Santiago. The guide to the Camino Sanabrés commences in the Roman spa city of Ourense while the Invierno route starts in Ponferrada and traverses the Roman goldmines of Las Médulas (World Heritage Site) along the banks of the río Sil. Both Camino Sanabrés and Camino Invierno provide the minimum distance required for a pilgrim to apply for a Compostela. This reference contains all the information needed by modern-day pilgrims wishing to walk these sacred roads. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. This lightweight guide fits into a walker's pocket for carefree traveling. This guidebook also seeks to find a balance between the outer and inner journey, between the practical and spiritual, which is why it is subtitled *A Practical & Mystical Manual* - that we might find a place to eat and sleep at the end of a hard day's walk but also, and crucially, that we might find the courage to dive into the mystery of our own soul awakening.

Reprint of the original, first published in 1869.

I'm Off Then has sold more than three million copies in Germany and has been translated into eleven languages. The number of pilgrims along the Camino has increased by 20 percent since the book was published. Hape Kerkeling's spiritual journey has struck a chord.

Overweight, overworked, and disenchanting, Kerkeling was an unlikely candidate to make the arduous pilgrimage across the Pyrenees to the Spanish shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But he decided to get off the couch and do it anyway. Lonely and searching for meaning along the way, he began the journal that turned into this utterly frank, engaging book. Filled with unforgettable characters, historic landscapes, and Kerkeling's self-deprecating humor, *I'm Off Then* is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.

It has been nearly three decades since Shirley MacLaine commenced her brave and public commitment to chronicling her personal quest for spiritual understanding. In testament to the endurance and vitality of her message, each of her eight legendary bestsellers -- from *Don't Fall Off the Mountain* to *My Lucky Stars* -- continues today to attract, dazzle, and transform countless new readers. Now Shirley is back -- with her most breathtakingly powerful and unique book yet. This is the story of a journey. It is the eagerly anticipated and altogether startling culmination of Shirley MacLaine's extraordinary -- and ultimately rewarding -- road through life. The riveting odyssey began with a pair of anonymous handwritten letters imploring Shirley to make a difficult pilgrimage along the Santiago de Compostela Camino in Spain. Throughout history, countless illustrious pilgrims from all over Europe have taken up the trail. It is an ancient -- and allegedly enchanted -- pilgrimage. People from St. Francis of Assisi and Charlemagne to Ferdinand and Isabella to Dante and Chaucer have taken the journey, which

comprises a nearly 500-mile trek across highways, mountains and valleys, cities and towns, and fields. Now it would be Shirley's turn. For Shirley, the Camino was both an intense spiritual and physical challenge. A woman in her sixth decade completing such a grueling trip on foot in thirty days at twenty miles per day was nothing short of remarkable. But even more astounding was the route she took spiritually: back thousands of years, through past lives to the very origin of the universe. Immensely gifted with intelligence, curiosity, warmth, and a profound openness to people and places outside her own experience, Shirley MacLaine is truly an American treasure. And once again, she brings her inimitable qualities of mind and heart to her writing. Balancing and negotiating the revelations inspired by the mysterious energy of the Camino, she endured her exhausting journey to Compostela until it gradually gave way to a far more universal voyage: that of the soul. Through a range of astonishing and liberating visions and revelations, Shirley saw into the meaning of the cosmos, including the secrets of the ancient civilizations of Atlantis and Lemuria, insights into human genesis, the essence of gender and sexuality, and the true path to higher love. With rich insight, humility, and her trademark grace, Shirley MacLaine gently leads us on a sacred adventure toward an inexpressibly transcendent climax. The Camino promises readers the journey of a thousand lifetimes.

Part adventure story, part cultural history, this “enjoyably offbeat travelogue” explores the phenomenon of the spiritual pilgrimage (Booklist). Driven by curiosity, wanderlust, and health crises, Downie and his wife walk across Paris on the old pilgrimage route Rue Saint-Jacques then trek about 750 miles south to Roncesvalles, Spain. The eccentric route would take 72 days on Roman roads and The Way of Saint James, the 1,100-year-old pilgrimage network leading to the sanctuary of Saint James the Greater in Spain. It is best known as El Camino de Santiago de Compostela - The Way for short. The object of any pilgrimage is an inward journey manifested in a long, reflective walk. For Downie, the inward journey meets the outer one. More than 20,000 pilgrims take the highly commercialized Spanish route annually, but few cross France. Downie had a goal: to go from Paris to the Pyrenees on age-old trails, making the pilgrimage in his own maverick way.

The renowned author of eight books and abbess of the online retreat center Abbey of the Arts, Christine Valters Paintner takes readers on a new kind of pilgrimage: an inner journey to discover the heart of God. Eight stages of the pilgrim's way--from hearing the call to coming home--are accompanied by scripture stories of great biblical journeys and the author's unique and creative practices of prayer, writing, and photography. As she did in *The Artist's Rule* and *Eyes of the Heart*, Christine Valters Paintner once again helps readers travel to the frontiers of their souls to discover the hidden presence of God. In *The Soul of a Pilgrim*, Paintner identifies eight stages of the pilgrim's way and shows how to follow these steps to make an intentional, transformative journey to the reader's inner "wild edges." Each phase of the exploration requires a distinct practice such as packing lightly, being uncomfortable, or embracing the unknown. Paintner shows how to cultivate attentiveness to the divine through deep listening, patience, and opening oneself to the gifts that arise in the midst of discomfort. Each of

The 820km Camino del Norte follows the coast from Irún, on the French border, through Bilbao and takes about 5 weeks to complete.
