NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

Can I Keep My Jersey? 11 Teams, 5 Countries, and 4 Years in My Life As a Basketball Vagabond Villard Books

When Lauren Pizza was thirteen, she died. Caught under a small sailboat, she struggled to reach the surface, only to find that what she thought was up was actually down . . . and that's all she remembers. Ever since being resuscitated by two

strangers, Pizza has felt a presence in her life from the spirit world. Is it crazy? Maybe. Her family sure thinks so. Growing up the youngest, and sometimes forgotten, of five in Little Falls, New Jersey, Pizza continues to live the typical life “down the shore” after her accident. She survives high school (barely), goes to college in Dayton, Ohio (which she might have thought was in Florida when she applied), and is ready to settle down with her “perfect” Kennedy-esque boyfriend in Jersey—until she wakes up. Suddenly free and single, Pizza relies on intuition (and perhaps a few signs) and finds herself a job in the city, a grungy apartment in the West Village, and waits for Prince Charming. When he finally arrives, she doesn’t recognize him: he drives a red Ferrari, sure, but he has hair like Howard Stern and wears more gold chains than Mr. T. Meant to Be is the story of a blue-collar Jersey girl swept off her feet by an unconventional millionaire, thrust into an entirely new world, where she makes plenty of mistakes and sometimes feels like “I’m from the Jersey Shore” is stapled to her forehead. With humor, gratitude, and trademark Jersey spunk, Lauren tells it like it is: the highs, the lows, the bad twists, the good advice from unlikely places, and the times she wished she could disappear. Underneath the designer clothes and private jets, she’s still the same Jersey Girl who took the D train and lived on Snapple. And she wouldn’t have it any other way.

'Extremely well written. Compelling, accurate, insightful and brilliant in the way it captures the New Zealand way. - John Hart, former All Blacks coach. With a better winning record than any other sports team in history, they stand head and shoulders above their nearest rugby rivals, and go to the 2019 World Cup as back-to-back World Champions. How did a country of just 4.8 million people conquer the world? Peter Bills, who has reported on international rugby for more than 40 years, was given exclusive access to all the key figures in New Zealand rugby as he set out to understand the secrets

From Steve Hansen to Beauden Barrett, Richie McCaw to the late Sir Colin Meads, Peter Bills talked at length with over 90 people, both in New Zealand and around the world, with intimate knowledge of what makes the All Blacks tick. This is a story of the first settlers, and the 'Originals' who forged the All Blacks legacy, right through to modern times. It draws heavily on the contributions made by all New Zealanders: players, coaches, officials, supporters and those who have worn the most recognized jersey in the world. Intrinsically, The Jersey goes to the heart of the All Blacks success. It is also an epic story of not just a rugby team but a nation, whose identities are inextricably linked. Additionally, it debates a question, terrifying for any of their opponents. Could the All Blacks get even better? Southern New Jersey is a unique area of the Delaware Valley. North Jersey Shore towns such as Long Branch, Ocean Grove, Red Bank and Atlantic Highlands began as quiet retreats for pious New Yorkers wishing to escape the vice and crime of the city. However, with the passage of Prohibition in 1919, the region became a haven for criminals who began smuggling liquor through the serene seaside. Speakeasies sprang up on virtually every corner, as gangsters like Vito Genovese, Charles Luciano and Meyer Lansky ruled this brutal underworld, taking advantage of the criminal opportunity of a lifetime. The police and politicians were in their pockets, while civilians were caught in the crossfire of gun battles between rival syndicates. Discover the true drama that captured the Jersey Shore during Prohibition.

Emitting shrill cries and leaving its footprints in mud and snow, it has roamed the Pine Barrons of South Jersey for almost three hundred years. A fast-paced mystery where *Murder on the Orient Express* meets the *Tour de France*—someone's killing off cyclists one by one. There are cyclists willing to die to win a single stage of the Tour, taking suicidal descents at more than 90 kilometers per hour, but now I know there are cyclists willing to kill to win. Marc Moreau, a professional cyclist with a military past, is part of a top *Tour de France* team led by his best friend, an American star favored to win this year's Tour. But the competition takes a dark turn when racers begin to drop out in a series of violent accidents: a mugging that ends in an ankle being crushed, a nasty bout of food poisoning, and a crash caused by two spectators standing where they shouldn't. The teams and their entourages retreat into paranoid lockdown even as they must continue racing each day. The mountain inclines grow steeper and the accidents turn deadlier: a suspicious suicide, an exploded trailer, a loose wheel at the edge of a cliff. Marc agrees to help the French police with their investigations from the inside and becomes convinced that the culprit is a cyclist who

wants to win at any cost. But as the victim count rises, the number of potential murderers—and potential champions—dwindles. Marc begins to have the sickening realization that his own team has been most favored by the murderer's actions, and in the final stages of the race Mark himself emerges as the only cyclist left who could possibly beat his best friend and win the Tour. Whom can Marc trust? Whom should he protect? What decision will he make if he's asked to choose between justice, loyalty, and glory?
