Learn to play "Fields of Gold" by Sting with piano tab; a color-coded, easy interpretation of piano music that requires little training. You will have fun playing this Melody Version with lyrics, written and composed by Sting on his 1993 album Ten Summoner's Tales. The piano tab displays right and left-hand fingering numbers with red and blue note letters. Someone with very little music reading ability could figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn "Fields of Gold" by Sting, this book is for you. This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano. Piano Tab by Joseph L Caligiuri.
