The car shows is where the idea came to me for this puzzle and was shown to friends and organizers as it grew over a five-year period. It has grown from the original 400 clues in its first showing to over 2,700 clues today. The intention was to always share the common and not-so-common automobile facts I have bouncing around in my head.

Can You Find the Magic? It's right there in front of you! Well, sort of. Disney historian Bob Sangwell's clever word search puzzles conceal key names, places, and things from over sixty of Disney's animated and live-action films. Each puzzle comes with a short historical introduction and features a hidden message. Beginning at the beginning, with

Walt Disney's Laugh-O-grams, and ending with the recent animated film Coco, you'll find a word search search for each of your favorite Disney classic movies. Just like Walt Disney told his Imagineers to "plus" whatever they were working on, and make it even more magical, Bob plusses each humble word search with a hidden message, formed from the letters in the puzzle that are not used. The message relates to the topic of the puzzle and forms the basis for the short historical article that accompanies it. You'll not only find the magic...you'll learn about it, too!
