

## Cards On The Table A Hercule Poirot Mystery

Hercule Poirot is summoned to solve a case involving the murder of a seductive woman accompanying a scientific party investigating the secrets of ancient Babylon. A low-priced collection of five unabridged mysteries includes Miss Marple's first case, *The Murder at the Vicarage*, along with *Sad Cypress*; *N or M?*; *Towards Zero*; and *Dead Man's Folly*.

A flamboyant party host is murdered in full view of a roomful of bridge players... Mr Shaitana was famous as a flamboyant party host. Nevertheless, he was a man of whom everybody was a little afraid. So, when he boasted to Poirot that he considered murder an art form, the detective had some reservations about accepting a party invitation to view Shaitana's private collection. Indeed, what began as an absorbing evening of bridge was to turn into a more dangerous game altogether...

The American Story of the Bookstores on Fourth Avenue from the 1890s to the 1960s. New York City has eight million stories, and this one unfolds just south of Fourteenth Street in Manhattan, on the seven blocks of Fourth Avenue bracketed by Union Square and Astor Place. There, for nearly eight decades from the 1890s to the 1960s, thrived

the New York Booksellers' Row, or Book Row. This richly anecdotal memoir features historical photographs and the rags-to-riches tale of the Strand, which began its life as a book stall on Eighth Street and today houses 2.5 million volumes (or sixteen miles of books) in twelve miles of space. It's a story cast with characters as legendary and colorful as the horse-betting, poker-playing, go-getter of a book dealer George D. Smith; the irascible Russian-born book hunter Peter Stammer; the visionary Theodore C. Schulte; Lou Cohen, founder of the still-surviving Argosy Book Store; and gentleman bookseller George Rubinowitz and his formidably shrewd wife, Jenny. Book Row remembers places that all lovers of books should never forget, like Biblo & Tamen, the shop that defied book-banning laws; the Green Book Shop, favored by John Dickson Carr; Ellenor Lowenstein's world-renowned gastronomical Corner Book Shop (which was not on a corner); and the Abbey Bookshop, the last of the Fourth Avenue bookstores to close its doors. Rising rents, street crime, urban redevelopment, and television are many of the reasons for the demise of Book Row, but in this volume, based on interviews with dozens of the people who bought, sold, collected, and breathed in its rare, bibliodiferous air, it lives again.

Unpleasant things are going on in an exclusive school for girls - things like murder... Late one night, two teachers investigate a mysterious flashing light in the sports pavilion, while the rest of the school sleeps. There, among the lacrosse sticks, they stumble upon the body of the unpopular games mistress - shot through the heart from point blank range. The school is thrown into chaos when the 'cat' strikes again. Unfortunately, schoolgirl Julia Upjohn knows too much. In particular, she knows that without Hercule Poirot's help, she will be the next victim...

The oddity of words, the parables in daily situations, and the metaphors that always seem to fit until one thread is broken, bring a simplicity to human existence that stabilizes the most harried executive, educator, engineer, and everyone from A to Z. Daily groundings can offer a new light for the halogen-blinded mind, leading to better thinking. Author Rosanne D'Ausilio provides a variety of unique, pithy, and just plain outrageous bits of out of the ordinary observation. Lay Your Cards on the Table provides the perfect prescription for otherwise tenuous times.

The deserved rest of Colonel Bantry and his wife Dorothy is suddenly interrupted by the alarming news brought by the maid: they have found the corpse of a young woman in the library. Suddenly, the life of the retired soldier turns around, becoming a victim of the gossip and gossip that circulates about such a sad event that has shocked the entire puritanical community of St. Mary Mead. Dorothy, ready to address any doubts and keep the honor of her distinguished family unblemished, decides to go to her friend Miss Marple, an occasional detective with extraordinary intuitive skills that will determine who and why he has committed such murder precisely in the colonel's house.

A slipcase containing five classic Agatha Christie novels, all sporting the stunning '21st Century' Christie livery and featuring the redoubtable Superintendent Battle. Superintendent Battle's impassive expression misleads many new acquaintances into underestimating the determined lawman -- but it is not nothing that one of Scotland Yard's finest detectives is assigned the most volatile and mysterious cases of murder. In his first adventure, The Secret of Chimneys, the Superintendent is concerned with a missing packet of letters -- and their vital connection to murder and control of the throne

of Herzoslovakia. In *The Seven Dials Mystery* Battle returns to Chimneys, the sprawling country house with a dark secret, to investigate the existence of a secret organisation and the numerous deaths linked to it. *Cards on the Table* is considered the best of Christie's 'closed-door' murders and centres on an evening of Bridge with four successful murderers and four crime experts. It's up to the Superintendent and Hercule Poirot to discover who exactly killed the host -- and why. The quiet, English, rural village depicted in *Murder is Easy* is shocked by a series of brutal murders -- and Superinte Discover the man behind the moustache in this book of one-liners by the world's most famous Belgian detective, revealing the wit and wisdom of Hercule Poirot and his creator, Agatha Christie.

The "consistently witty" Agatha Award-winning author presents a tale of murder in a country mansion (*Mystery News*). With their fortunes dwindling, Reggie and his wife, Midge, have turned the family mansion into an English country inn. When Midge gets a call from an old classmate who arranges "mystery tours" for visiting Americans, she happily agrees to host one of these staged-murder events. But the tour seems to be a disaster from the get-go, with lots of arguing and complaining among those involved. Then, after a massive snowstorm, a real murder takes place—and it's up to the amateur sleuths to solve the case before the killer checks them out permanently. Praise for Marian Babson "Marian Babson's name on a mystery is a guarantee of quality writing wrapped around an unusual crime." —Houston Chronicle

In the summer of 2013 David Suchet will film his final scenes as Hercule Poirot. After 24 years in the role, he will have played the character in every story that Agatha Christie wrote about him (bar one, deemed unfilmable) and he will bid adieu to a role and a character that have changed his life. In *Poirot and Me*, David Suchet tells the story of how he secured the part, with the blessing of Agatha Christie's daughter, and set himself the task of presenting the most authentic Poirot that had ever been filmed. David Suchet is uniquely placed to write the ultimate companion to one of the world's longest running television series. Peppered with anecdotes about filming, including many tales of the guest stars who have appeared over the years, the book is essential reading for Poirot fans all over the world.

In 1924 the magazine of Victoria College at the University of Toronto carried a humorous sports essay, "The Game's the Thing," by a history lecturer named Lester Bowles Pearson. This lively and imaginative piece is the first selection in the present anthology of articles and speeches, interviews and debates by Pearson, winner of the Nobel Peace Prize in 1957 and Canadian Prime Minister from 1963 to 1968. The pieces deal with a variety of subjects: national and international, political and nonpolitical, serious and frivolous. Of special interest are "Canada and the San Francisco Conference" (1945), "Some Principles of Canadian Foreign Policy" (1948), "Politics, Opposition, and the Plight of Democracy" (1960), and "Liberal Leadership Convention" (1968). Pearson's introductory remarks to each selection serve as autobiographical and interpretive links, carrying the reader forward through his career

and with him on his travels to the United States, Britain, and elsewhere. The twenty-two photographs that are included add a visual dimension to this valuable record of a distinguished public life.

Mr. Shaitana is a strange and wealthy collector of snuff boxes and other objets d'art. One evening he invites two specialists, Superintendent Battle of Scotland Yard and crime novelist Ariadne Oliver, to a dinner party to view his special collection: four people who have committed murder and gotten away with it. As they play bridge after dinner, Shaitana is daringly murdered by someone at the party. Battle sets out to solve the crime aided, of course, by the eager Mrs. Oliver who begins with psychological deductions from the bridge score cards. After many red herrings, skeletons in the cupboard and two more deaths, Battle lays his cards on the table.

This book is designed to help teachers to assist children learn basic maths concepts. The book is filled with games that may be played with a standard deck of playing cards and with blank cards.

Archie Goodwin goes undercover on the waterfront in a new mystery by the author who "does a masterly job with the Wolfe legacy" (Booklist). Archie Goodwin is not overly fond of Theodore Horstmann, who takes care of the orchids on the rooftop of Nero Wolfe's West Thirty-Fifth Street brownstone. But as loyal assistant to the legendary private detective, Archie will put his animosity aside when the surly orchid-keeper stumbles through the front door beaten within an inch of his life. While the gardener lies in a coma, Nero sends Archie to poke around his apartment near the river. The place is neatly kept, if not quite as elegant as the brownstone, but across the street on Tenth Avenue Archie quickly discovers the longshoremen's watering hole in whose back room Horstmann has been playing a lot of bridge lately. The smoky tavern is packed with tough dockworkers and recent European immigrants, and Archie does his best to blend in, filling the victim's empty seat in his running card game, as he attempts to learn what sort of shady business might have led to attempted murder. But when one of his new bridge partners is killed, Archie finds himself caught up in something much bigger than a bar fight . . . Trouble at the Brownstone serves up postwar New York City atmosphere in a fast-paced mystery featuring Nero Wolfe, "one of the two or three most beloved detectives in fiction" (Publishers Weekly). "Mr. Goldsborough has all of the late writer's stylistic mannerisms down pat." —The New York Times

When Lucy Angkatell hosts a weekend get-together at her country estate, she appears to overlook the obvious fact that all her guests loathe one another. Poirot enjoys a ringside seat for the bizarre goings-on, but he is thrust into an active role when the proceedings suddenly turn deadly.

In the title work in this collection of novellas, Poirot and Inspector Japp collaborate on the investigation of a suspicious suicide. The supernatural is said to play in the disappearance of top secret military plans in The Incredible Theft -- an incredible claim, indeed, as Poirot will prove. The bullet that kills Gervase Chevenix-Gore shatters a mirror in Dead Man's Mirror -- just the clue Poirot needs to solve the crime. And, while basking on white Mediterranean sands, Poirot stares trouble in the face -- the beautiful face of Valentine Chantry, now celebrating her fifth marriage -- in Triangle at Rhodes.

The Murder on the Links is Agatha Christie's second Poirot novel, featuring the brilliant Belgian detective and his sidekick, Captain Hastings. In this characteristic whodunit, Poirot is summoned to a seaside town in northern France by a desperate letter from a rich businessman, who fears that he is being stalked. Poirot arrives to find the businessman already dead, his body lying facedown in an open grave on a golf course, a knife in his back—the victim of a mysterious murder. Over the coming days Poirot clashes wits with an arrogant Parisian detective, Giraud, while Hastings finds himself pining after a beautiful but shadowy American expatriate known to him only as “Cinderella.” Together, Poirot and Hastings unravel the intricate web of mystery and deceit behind the murder. Christie based this mystery after a real-life French murder case, and it's believed that this is the first detective novel to use the phrase “the scene of the crime.” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

In the latter days of the First World War, Poirot and Hastings meet Captain Vincent Lemesurier and his uncle Hugo, a chemist. Cousin Roger rushes in with the news that Vincent's father has had a serious fall from a horse and is not expected to last the night. Vincent, the eldest and only of three sons to survive the war, has a strong reaction to the news -- partly due to the Lemesurier curse. No first born son has lived to inherit the family estate since the Middle Ages...

In Agatha Christie's classic, *Five Little Pigs*, beloved detective Hercule Poirot races to solve a case from out of the past. Beautiful Caroline Crale was convicted of poisoning her husband, but just like the nursery rhyme, there were five other "little pigs" who could have done it: Philip Blake (the stockbroker), who went to market; Meredith Blake (the amateur herbalist), who stayed at home; Elsa Greer (the three-time divorcée), who had her roast beef; Cecilia Williams (the devoted governess), who had none; and Angela Warren (the disfigured sister), who cried all the way home. Sixteen years later, Caroline's daughter is determined to prove her mother's innocence, and Poirot just can't get that nursery rhyme out of his mind.

This is a history of my relationships from childhood, adolescence, and adulthood. As a black man in America, I was forced to take God and my world around me seriously because I came from a dysfunctional background. I was the youngest of six children of my absent biological father, who I felt did not care for the five black sons he created. My book deals with all factual encounters with reference to my understanding of my relationships. It is important for me to explain to the world that God had my back when I left my home at a tender age to attend this prestigious university. I had no family whatsoever in the Chocolate City, and I was only twenty going on twenty-one by myself. These are my memoirs, my history, and my experiences that God helped me write. I believe I can change the way we look at relationships because many black people in America come from dysfunctional backgrounds, such as a single-parent household. My mother was the father and mother to six children: five boys and one girl. God was clearly in this equation. My book will bring more people together with reference to their newfound relationships. The key to a successful relationship is getting to know a person first before anything else happens, such as sex. In short, there are no perfect persons on earth, and there is no Utopia on earth, so the person you meet may not be the person that is meant to be with you. There should always be a six-month dating period. My book expresses the importance of getting to know their baggage before you make a commitment. My book is the history of my relationships that God allowed me to experience to grow as a black man in America.

The first of a new-look series of Hercule Poirot books for the 21st century 'It's been hushed up very nicely, hasn't it? But he was murdered, wasn't he?' There are certain things that are best left unsaid. Though tragedy had touched the life of the wealthy Richard Abernethie, his sudden death seemed pretty unremarkable for a man of his age. So why would his sister wait until his funeral to say he had been murdered? When she is savagely killed with a hatchet the next day, her extraordinary remark suddenly takes on a chilling significance. In desperation, the family solicitor turns to Hercule Poirot to unravel the mystery...

You haven't read a thriller until you read #1 New York Times bestselling author Sue Grafton's

novels with her unforgettable P.I. Kinsey Millhone... "C" is for Corpse He was young-maybe twenty or so-and he must once have been a good-looking kid. Kinsey could see that. But now his body was covered in scars, his face half-collapsed. It saddened Kinsey and made her curious. She could see he was in a lot of pain. But for three weeks, as Kinsey'd watched him doggedly working out at the local gym, putting himself through a grueling exercise routine, he never spoke. Then one Monday morning when there was no one else in the gym, Bobby Callahan approached her. His story was hard to credit: a murderous assault by a tailgating car on a lonely rural road, a roadside smash into a canyon 400 feet below, his Porsche a bare ruin, his best friend dead. The doctors had managed to put his body back together again-sort of. His mother's money had seen to that. What they couldn't fix was his mind, couldn't restore the huge chunks of memory wiped out by the crash. Bobby knew someone had tried to kill him, but he didn't know why. He knew he had the key to something that made him dangerous to the killer, but he didn't know what it was. And he sensed that someone was still out there, ready to pounce at the first sign his memory was coming back. He'd been to the cops, but they'd shrugged off his story. His family thought he had a screw loose. But he was scared-scared to death. He wanted to hire Kinsey. His case didn't have a whole lot going for it, but he was hard to resist: young, brave, hurt. She took him on. And three days later, Bobby Callahan was dead. Kinsey Millhone never welshed a deal. She'd been hired to stop a killing. Now she'd find the killer.
