A summer in Aruba, on the beach, in the sun—what else could a girl want? Summer romance, of course! Imagine spending your entire summer vacation on the beautiful island of Aruba.

Who could ask for anything more? Well, for Morgan Callahan, spending her entire summer in Aruba with the father, she hardly knows, is barely anything to look forward to. In fact, she is dreading the next few months. Nonetheless, she is in for the time of her life! From secret operatives to finding romance. Morgan is in for some international intrigue!

Reservations? Yes. A couple. Like: Is Hayden really as interested in me as I am in him? And is my roommate right—should I "beware of hookups"? Confirmation? Doubtful. Oh, I'm sorry, I thought you said "commitment." Special Requests? Let me get through this summer without being fired and heartbroken. Let me fall in love this summer. Let me be part of the inn crowd.

"Ever wonder what it's really like to grow up in Manhattan with a famous mom or dad? Well, Joanna Philbin is going to tell you. The Daughters is authentic and well-told. Gossip Girl herself would love this new series." --Cecily von Ziegesar, author of the #1 New York Times

bestselling series Gossip Girl They didn't ask for fame. They were born with it. The only daughter of supermodel Katia Summers, witty and thoughtful Lizzie Summers likes to stick to the sidelines. The sole heir to Metronome Media and daughter of billionaire Karl Jurgensen, outspoken Carina Jurgensen would rather climb mountains than social ladders. Daughter of chart-topping pop icon Holla Jones, stylish and sensitive Hudson Jones is on the brink of her own music breakthrough. By the time freshman year begins, unconventional-looking Lizzie Summers has come to expect fawning photographers and adoring fans to surround her gorgeous supermodel mother. But when Lizzie is approached by a fashion photographer that believes she's "the new face of beauty," Lizzie surprises herself and her family by becoming the newest Summers woman to capture the media's spotlight. Don't miss this insider's look at what it's like to be the child of a world-famous celebrity, all while trying to navigate the ups and downs of high school.

From the author of Trouble from the Start and The Boyfriend League comes a sweet summer romance, perfect for fans of Stephanie Perkins, Lauren Barnholdt and Susane Colasanti. Dawn has found the perfect way to forget her cheating boyfriend: leave town for the summer and do something very distracting, like volunteering to help rebuild storm-torn New Orleans. But when she meets handsome, kind Brady, Dawn realizes she could be fixing more than a devastated house—she might also be able to repair her broken heart.

From New York Times bestselling author Cynthia Hand comes a gorgeous, heart-wrenching novel of love and loss, which ALA Booklist called "both shatteringly painful and bright with life and hope" in a starred review. Since her brother, Tyler, committed suicide, Lex has been trying to keep her grief locked away, and to forget about what happened that night. But as she starts putting her life, her family, and her friendships back together, Lex is haunted by a secret she hasn't told anyone—a text Tyler sent, that could have changed everything. In the tradition of Jay Asher's Thirteen Reasons Why, Gayle Forman's If I Stay, and Lauren Oliver's Before I Fall, The Last Time We Say Goodbye is a thoughtful and deeply affecting novel that will change the way you look at life and death.

The third installment in fan-favorite author Rachel Hawthorne's Dark Guardian paranormal romance trilogy, featuring Connor, from Dark Guardian #2. Connor has watched for years while the other Dark Guardians have undergone their transformations into wolves. What he doesn't understand is why he's not feeling any of the inner stirrings that they have. The only stirrings that he feels are for Brittany—he's certain that she's his destined mate. Which makes it all the more devastating when the first full moon after his eighteenth birthday passes and he doesn't transform. He's just desperate enough to become a wolf that he'll go to extremes he never thought possible. . . and put all the Dark Guardians in incredible danger. But does he really

need to change to keep Brittany's love?

Your mother's suicide attempt has left her in a coma from which she's never waking up. You know that she wouldn't want to live like this, but could you really help her die? Here you are, making the hardest decision of your life and there's no one to help you: Your father has disappeared into depression. Your best friend is becoming someone you no longer want to know. There is a girl who could help, maybe, if you'd let her. But in the end, it's all up to you. A free-verse novel from debut author Alma Fullerton plunges deep inside the psyche of a young man faced with a life-and-death decision.

From the author of the wildly popular bestseller *The 7 Habits of Highly Effective Teens* comes the go-to guide that helps teens cope with major challenges they face in their lives—now updated for today's social media age. In this newly revised edition, Sean Covey helps teens figure out how to approach the six major challenges they face: gaining self-esteem, dealing with their parents, making friends, being wise about sex, coping with substances, and succeeding at school and planning a career. Covey understands the pain and confusion that teens and their parents experience in the face of these weighty, life-changing, and common difficulties. He shows readers how to use the 7 Habits to cope with, manage, and ultimately conquer each challenge—and become happier and more productive. Now updated for the digital and social media age, Covey covers how technology affects these six decisions, keeping the information and advice relevant to today's teenagers.

Two years ago, when Eliza Sellman was in ninth grade, her dad found out he was being transferred and the family was going to move. Having always been shy and not so confident about her body, Eliza took that opportunity to start a list in her private notebook of all the things she planned on doing when she moved but had always been afraid to—like wearing a miniskirt and asking guys to dance; singing karaoke in front of strangers; posting a photo of herself on her Facebook wall in a bikini...you get the idea. New town, new Eliza, right? Well, she'll never know because the transfer fell through and they didn't move. But Eliza kept adding her goals and secret fears to the list in the notebook. Now it's two years later, and in that time Eliza has had and lost her first boyfriend. But this was more than your average breakup...turns out the sweet and cute Cooper was only dating her as a hazing stunt by a secret society. Eliza got her revenge by posting some pretty nasty (and only sort-of true) stuff about Cooper online. That posting has had major consequences and now Cooper and his buddies have stolen her private notebook and won't give it back until she performs all the things on her list in one night. It's torture...until Eliza steals something from the boys she knows they'll want to trade her notebook for. What starts out as a night of humiliation turns into a night of revelations as Eliza learns what Cooper was really thinking when they dated, the real reason he's stolen her notebook, and how freeing--and life-changing--it can be to do the things you fear the most.

In this suspenseful and romantic teen thriller based on the “can't pull your eyes away” series on Lifetime, one girl discovers that trusting the wrong person could have deadly consequences. Pretty and popular, seventeen-year-old Brooke Emerson is the envy of her classmates—and even some of her closest friends. But while she seems to have it all, Brooke has never felt so lost. Ever since she sustained a head injury during a cheerleading stunt the previous year, she's suffered from a disorder that causes her to fly into uncontrollable, sometimes violent rages. As hard as she tries to keep it together, she finds herself in danger of jeopardizing her seemingly perfect life. It isn't until Brooke meets Jake, a handsome and charismatic stranger, that she feels like she's found someone who not only understands her, but accepts her for who she is. As tempting as it is to get swept up in the romance, she can't help but feel like something in their relationship isn't quite right. When her best friend is brutally murdered, Brooke has no choice but to depend on her new love...especially because she's worried that

she might be the killer.

Entry name: Cassandra Grace Event: Horseback riding (jumping) Animal name: Lola (best horse in the world!) Fee enclosed: Um, almost . . . See, the thing is, I almost have enough money, I have tons of riding students who pay me, but there's this guy, and every time he calls I have to see him, so I've kind of been skipping work lately . . . but I'll have the fee soon, I promise!

Rowan, just out of high school, leaves her boring English town to take a job as a nanny in Seattle, but when her new boss turns out to be a total nightmare, she escapes to California for a summer she'll never forget. Original.

Well, apparently I live here now—my mom just bought the place. And named it after me, Ashleigh, which was nice. But did she know how cold it is here?? Um, it's a tiny island with not much to do, unless you really like sleigh rides. But I gotta say there are quite a few hot guys on this cold island . . .

The A Circuit is the top of the top when it comes to horse showing. It's a world with its own rules and super-privileged lifestyles. Teens employ private tutors so they can travel the circuit all year showing horses that cost as much as some people's homes. Tommi, Kate, and Zara are all elite competitors on the circuit, but they come from totally different backgrounds. Tommi is a billionaire heiress trying to prove she has real talent (not just deep bank accounts). Kate puts the working in working student—every win has been paid for with hours of cleaning stalls. She's used to the grueling schedule, but Fitz, the barn's resident hot guy, is about to become a major distraction. And then there's Zara. She's the wild child of a famous rockstar, but she's ready to take riding seriously. Can a party girl really change her ways? Readers who enjoy peeking into the elite world of series of Gossip Girl or The A-List will feel right at home in this new series with its friendships, drama, and privilege set against a backdrop of competitive horseback riding.

Dana didn't choose to study abroad in Paris in her junior year of high school to fall in love with Alex, a boring guy from her hometown, but that is exactly what is happening. They didn't ask for fame. They were born with it. In the third Daughters novel, The Daughters Take the Stage, Hudson found her own place in "the family business," aka: show business. Now, for the first time, readers will meet Emma Conway, daughter of a powerful New York State Senator. Emma has never fit into the sweater-set-wearing world of her political family, opting for purple hair and Chuck Taylors to keep herself out of countless photo ops, but when she accidentally lets her father's presidential plans slip on national television, Emma finds herself thrown into the spotlight. Facing pressure to be the perfect First Daughter-in-training, Emma must learn to speak up for herself and for what she believes in. Thankfully, she has her new friends and fellow daughters - Lizzie, Carina, and Hudson - to help her along the way.

places, and ideas central to American literature of the sea and Great Lakes. While the book includes entries for canonical white male authors such as Herman Melville and Jack London, it also gives considerable attention to women at sea and to ethnically diverse writers, works, and themes. Each of the entries is written by an expert contributor and many provide brief bibliographies. In addition, the volume closes with a chronology and a list of works for further reading.

Perfect for fans of Stephanie Perkins, Lauren Barnholdt, and Susane Colasanti, *Trouble from the Start* is a sweet and romantic read about a good girl who falls for a bad boy. Avery knows better than to fall for Fletcher, the local bad boy who can't seem to outrun his reputation. Fletcher knows he shouldn't bother with college-bound, daughter-of-a-cop Avery. But when their paths cross, neither can deny the spark. Are they willing to go against everything and let their hearts lead the way? Or are they just flirting with disaster? A companion novel to Rachel Hawthorne's paperback original *The Boyfriend Project*, this title is perfect for fans of summer beach reads and sweet treats.

The first book in bestselling author Rachel Hawthorne's paranormal romance series starring werewolves. From the moment Lucas first saw Rheena, he knew she was the one...his destined mate. But all he can do is watch her, waiting until she realizes that she is just like him—that she has the power to turn into a wolf. Lucas is the leader of the Dark Guardians, a pack of werewolves that meet deep in the heart of a state park whose existence is threatened by a sinister bio-tech company. Rheena is a normal seventeen-year-old who loves camping and the outdoors; but she's adopted and has no idea that she's inherited the gene that will turn her into a wolf. Rheena can't understand why she's so drawn to distant, aloof Lucas—until it's almost too late to save him.

A wintry romance from beach-read favorite Rachel Hawthorne, the author of *Love on the Lifts* and *Snowed In* that is perfect to curl up with on a cold night. Great for fans of Stephanie Perkins, Lauren Barnholdt and Susane Colasanti. Fate has brought Jude, an Australian hunk, right to Alyssa's door—or rather, couch. In this hilarious tale of long-distance dorm room swaps, Alyssa's boyfriend, Rick, and Jude, his pal from Australia, have exchanged places for the winter break. As Alyssa teaches Jude how to deal with the wintry weather, she just might find herself a new snuggling partner. When Robin moves to London for one year to attend high school, she falls in love with Kit, the boy whose family she is staying with, but Kit treats Robin like a sister and he also has a beautiful girlfriend.

There's nowhere left to hide. I thought vampires were our enemies—they controlled our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all . . . before it's too late.

In this acclaimed classic novel, James A. Michener sweeps readers off to the Caribbean, bringing to life the eternal allure and tumultuous history of this glittering string of islands. From the 1310 conquest of the Arawaks by cannibals to the decline of the Mayan empire, from Columbus's arrival to buccaneer Henry Morgan's notorious reign, from the bloody slave revolt on Haiti to the rise of Cuba's Fidel Castro, Caribbean packs seven hundred dramatic years into a tale teeming with revolution and romance, authentic characters and thunderous destinies. Through absorbing, magnificent prose, Michener captures the essence of the islands in all of their awe-inspiring scope and wonder. **BONUS:** This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for Caribbean "Michener is a master."—*Boston Herald* "A grand epic . . . [James A. Michener] sympathizes with the struggles of the region's most oppressed, and succeeds in presenting the Caribbean in its rich diversity."—*The Plain Dealer* "Remarkable and praiseworthy . . . utterly engaging."—*The Washington Post Book World* "Even American tourists familiar with some of the serene islands will find themselves enlightened. . . . In Caribbean, there appears to be a strong aura of truth behind the storytelling."—*The New York Times*

Perfect for fans of Stephanie Perkins, Lauren Barnholdt, and Susane Colasanti, *The Boyfriend Project* is a romantic read about a girl who wishes her sweet boyfriend had a little more edge. Kendall and her boyfriend, Jeremy, have been together forever, and Kendall is starting to wonder if Jeremy is a little boring. . . . So she embarks on a boyfriend makeover. But as Jeremy learns to strut his stuff, other girls start to notice him and, what's worse, he's noticing them back. Then Jeremy breaks up with Kendall and she realizes her makeover project was the ultimate disaster. Is the sweet boyfriend she loved gone forever? A companion novel to Rachel Hawthorne's paperback original *Trouble from the Start*, this title is perfect for fans of summer beach reads and sweet treats.

From the perspective of Protestant America, nineteenth-century Mormons were the victims of a peculiar zealotry, a population deranged—socially, sexually, even racially—by the extravagances of belief they called "religion." *Make Yourself Gods* offers a counter-history of early Mormon theology and practice, tracking the Saints from their emergence as a dissident sect to their renunciation of polygamy at century's end. Over these turbulent decades, Mormons would appear by turns as heretics, sex-radicals, refugees, anti-imperialists, colonizers, and, eventually, reluctant monogamists and enfranchised citizens. Reading Mormonism through a synthesis of religious history, political theology, native studies, and queer theory, Peter Coviello deftly crafts a new framework for imagining orthodoxy, citizenship, and the fate of the flesh in nineteenth-century America. What emerges is a story about the violence, wild beauty, and extravagant imaginative power of this era of Mormonism—an impassioned book with a keen interest in the racial history of sexuality and the unfinished business of American secularism.

The fourth installment in fan-favorite author Rachel Hawthorne's *Dark Guardian* paranormal romance series about werewolves! Hayden, a *Dark Guardian*, can feel every Shifter's emotions except Daniel's—the only one whose heart she longs to know. Hayden's ability to sense the feelings of fellow werewolves has made her life unbearable. She runs away, only to be tracked by charming, mysterious Daniel, a newcomer to the pack and the one Shifter immune to her powers. As she reluctantly follows him home, Hayden finds herself falling dangerously in love. . . . But even as her feelings for Daniel deepen, Hayden begins to wonder if he is who he claims to be. Where did he come from and why has no one ever seen him transform? When they

stumble upon the body of a Shifter still in wolf form, her worries grow. Someone is killing her kind. Is her handsome tracker really a hunter? And is Hayden now his prey? "The creation of the United States of America is the greatest of all human adventures," begins Paul Johnson's remarkable new American history. "No other national story holds such tremendous lessons, for the American people themselves and for the rest of mankind." Johnson's history is a reinterpretation of American history from the first settlements to the Clinton administration. It covers every aspect of U.S. history--politics; business and economics; art, literature and science; society and customs; complex traditions and religious beliefs. The story is told in terms of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character. Wherever possible, letters, diaries, and recorded conversations are used to ensure a sense of actuality. "The book has new and often trenchant things to say about every aspect and period of America's past," says Johnson, "and I do not seek, as some historians do, to conceal my opinions." Johnson's history presents John Winthrop, Roger Williams, Anne Hutchinson, Cotton Mather, Franklin, Tom Paine, Washington, Adams, Jefferson, Hamilton, and Madison from a fresh perspective. It emphasizes the role of religion in American history and how early America was linked to England's history and culture and includes incisive portraits of Andrew Jackson, Chief Justice Marshall, Clay, Lincoln, and Jefferson Davis. Johnson shows how Grover Cleveland and Teddy Roosevelt ushered in the age of big business and industry and how Woodrow Wilson revolutionized the government's role. He offers new views of Harding, Coolidge, and Hoover and of Franklin Roosevelt's New Deal and his role as commander in chief during World War II. An examination of the unforeseen greatness of Harry Truman and reassessments of Eisenhower, Kennedy, Johnson, Nixon, Reagan, and Bush follow. "Compulsively readable," said Foreign Affairs of Johnson's unique narrative skills and sharp profiles of people. This is an in-depth portrait of a great people, from their fragile origins through their struggles for independence and nationhood, their heroic efforts and sacrifices to deal with the `organic sin' of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power and its sole superpower. Johnson discusses such contemporary topics as the politics of racism, education, Vietnam, the power of the press, political correctness, the growth of litigation, and the rising influence of women. He sees Americans as a problem-solving people and the story of America as "essentially one of difficulties being overcome by intelligence and skill, by faith and strength of purpose, by courage and persistence...Looking back on its past, and forward to its future, the auguries are that it will not disappoint humanity." This challenging narrative and interpretation of American history by the author of many distinguished historical works is sometimes controversial and always provocative. Johnson's views of individuals, events, themes, and issues are original, critical, and admiring, for he is, above all, a strong believer in the history and the destiny of the American people.
