Collection of stories about cats, including narratives from Mark Twain, Honore de Balzac, Edgar Allan Poe and many others. "Now the cat, independent, liberty-loving, graceful, strong, resourceful, dignified, and self-respecting, has a psychology essentially feline, which has few points of contact with human psychology. The cat does not rescue babies from drowning or say his prayers in real life; consequently any attempt to make him do so in fiction would be ridiculous." Originally released in 1921.

Writing Matters unites research, reasoning, documentation, grammar and style in a cohesive whole, helping students see the conventions of writing as a network of responsibilities writers have... ..to other writers. Writing Matters clarifies the responsibility writers have to one another--whether they are collaborating in an online peer review or drawing on digital and print sources in a research project--to treat information fairly and accurately and to craft writing that is fresh and original--their own! ...to the audience. Writing Matters stresses the importance of using conventions appropriate to the audience, to write clearly, and to provide readers with the information and interpretation they need to make sense of a topic. ...to the topic. Writing Matters emphasizes the writer's responsibility to explore a topic thoroughly and creatively, to assess sources carefully, and to provide reliable information at a depth that does the topic justice. ...to themselves. Writing Matters encourages writers to take their writing seriously and to approach writing tasks as an opportunity to learn about a topic and to expand their scope as writers. Students are more likely to learn about a topic and to expand their scope as writers. Students are more likely to write well when they think of themselves as writers rather than as error-makers. By explaining rules in the context of responsibility, Writing Matters addresses composition students respectfully as mature and capable fellow participants in the research and writing process.
