Twenty-one years ago, Gabriella's life was stolen from her before it even began. Orphaned at birth and encompassed in a fortress of lies to protect her identity, she never truly understood her purpose on this earth. But now that she has ascended, embracing her destiny, the ghosts of her past have come back to haunt her. Even with insurmountable power running through her veins, part of Gabriella is irreparably broken. And with old enemies working to destroy the tiny shred of normalcy she has left, she'll be forced to face the ugly truth about Dorian, the man she chose to love despite his darkness. Everything she loved is a lie, and everyone she thought she knew is a stranger. And now that Gabriella is about to be thrust into the battle of her life, she discovers that she may be fighting for the wrong side. \*This is book 3 of The Dark Light Series, the highly anticipated conclusion to Gabriella and Dorian's beautifully tragic love story. Dominic Trevino had been called a lot of things. Manwhore. Womanizer. Slut. But he was most notoriously known as Dirty Dom. Because that was who he was...for the most part. It just wasn't all he was. His tortured past was as stained as his licentious reputation, and that was exactly how he'd designed it. It was the only way he knew how to cope with the ghosts that still kept him caged in horror and self-loathing. But the day Raven came tearing into his life-her temper as hot as her teeny tiny shorts-he knew he could never be placated with faceless hook-ups again. Still, he couldn't let her see who-and what-he really was inside. Raven freed him from his past...freed him from his pain. She saved him. Even though she didn't believe he was even worth saving. From the author of New York Times bestseller, Fear of Falling, comes a full-length, spin-off standalone about unbreakable friendships, the power of healing, and learning

to love through forgiveness.

"Right now, you're probably asking yourself two things: Who am I? and What the hell are you doing here? Let's start with the most obvious question, shall we? You're here, ladies, because you can't f\*ck." Oh, stop it. Don't cringe. No one under the age of eighty clutches her pearls. You might as well get used to it, because for the next six weeks, you're going to hear that word a lot. And you're going to say it a lot. Go ahead, try it out on your tongue. F\*ck. F\*\*\*ck. Okay, good. Now, where were we? If you enrolled yourself in this program, then you are wholly aware that you're a lousy lay. Good for you. Admitting it is half the battle. For those of you who have been sent here by your husband or significant other, dry your tears and get over it. You've been given a gift, ladies. The gift of mind-blowing, wall-climbing, multiple-orgasm-inducing sex. You have the opportunity to f\*ck like a porn star. And I guarantee that you will when I'm done with you. And who am I? Well, for the next six weeks, I will be your lover, your teacher, your best friend, and your worst enemy. Your every-f\*cking-thing. I'm the one who is going to save your relationship and your sex life. I am Justice Drake. And I turn housewives into whores. Now . . . who's first?

New York Times Bestseller USA Today From the New York Times Bestselling authors of Cockey Bastard, comes a sexy new standalone novel. It started out like any other morning on the train. Until I became mesmerized by the guy sitting across the aisle. He was barking at someone on his phone like he ruled the world. Who did the stuck-up suit think he was...God? Actually, he looked like a God. That was about it. When his stop came, he got up suddenly and left. So suddenly, he dropped his phone on the way out. I might have picked it up. I might have gone through all of his photos and called some of the numbers. I might have held onto the

mystery man's phone for days—until I finally conjured up the courage to return it. When I traipsed my ass across town to his fancy company, he refused to see me. So, I left the phone on the empty desk outside the arrogant jerk's office. I might have also left behind a dirty picture on it first though. I didn't expect him to text back. I didn't expect our exchanges to be hot as hell. I didn't expect to fall for him—all before we even met. The two of us couldn't have been any more different. Yet, you know what they say about opposites. When we finally came face to face, we found out opposites sometimes do more than attract—we consumed each other. Nothing could have prepared me for the ride he took me on. And I certainly wasn't prepared for where I'd wind up when the ride was over. All good things must come to an end, right? Except our ending was one I didn't see coming.

"This. Book. The characters. You will fall in love with them, and you will devour this book so quickly, you'll end up wanting to read it all over again. I loved it!" — New York Times bestselling author Monica Murphy

When I signed up for the nanny agency, I didn't expect a remote mansion on a windswept cliff. Or a brooding billionaire who resents his new role. His brother's death means he's now in charge of a moody seven year old girl. She's lashing out at the world, but I can handle her. I have to. I need the money to finish my college degree. As long as I can avoid the boss who alternately mocks me and coaxes me to reveal my darkest secrets. "An insanely absorbing and addicting contemporary tale reminiscent of Jane Eyre with all the sex and secrets you never knew you needed." — #1 New York Times bestselling author Rachel Van Dyken

PRIVATE PROPERTY is a full-length contemporary novel from New York Times bestselling author Skye Warren about secrets and redemption. It's the first book in the emotional Rochester trilogy. "Skye Warren's modern, steamy retelling of Jane Eyre hooked me

from page one! A moody, fast-paced and deliciously dirty read" — New York Times bestselling author Elle Kennedy "An incredible five star read! Skye Warren delivers an unconventional, yet utterly explosive romance in Private Property." — USA Today bestselling author Jenika Snow "Private Property is pure brilliance! I was hooked from page one. With steam and grit, Warren captures your attention and has you begging for the next chapter. Book gold!" — USA Today bestselling author Adriana Locke "A brooding billionaire, a gothic setting, and a whole lot of steam—Warren's nod to Jane Eyre had me entranced from page one!" — #1 New York Times bestselling author Helen Hardt "I was up all night devouring every drop of the dark and dangerous Mr. Rochester." — New York Times bestselling author Laurelin Paige "Haunting, provocative, and riveting. This modern spin on gothic romance will have you on the edge of your seat!" — New York Times bestselling author Shayla Black "A compelling love story between a brooding hero and a determined heroine all set against a moody gothic background. You won't want to miss this." — USA Today bestselling author Louise Bay "Private Property will captivate you in the best way. I was a Skye Warren virgin before and I have zero regrets after taking the plunge! And trust me when I say, once you start, you won't be able to stop." — USA Today bestselling author Daniela Romero "Beautifully haunting and romantic! Private Property is completely captivating from the first page to the last." - Kate Canterbury, author of the Walsh Family series

The hotly anticipated conclusion to the Royals series begun in the #1 New York Times bestselling novels Paper Princess and Broken Prince. "This generation's Cruel Intentions." Jennifer L. Armentrout, #1 New York Times Bestselling Author Twisted Palace was an awesome conclusion to the Royals trilogy. Readers are in for an absolute treat. I eagerly await

the next book from Erin Watt. —New York Times Bestselling Author Samantha Towle "Erin Watt's words are addictive brilliance. If you haven't let these Royals ruin you yet, what are you waiting for?"—USA Today Bestselling Author Meghan March These Royals will ruin you... From mortal enemies to unexpected allies, two teenagers try to protect everything that matters most. Ella Harper has met every challenge that life has thrown her way. She's tough, resilient, and willing to do whatever it takes to defend the people she loves, but the challenge of a long-lost father and a boyfriend whose life is on the line might be too much for even Ella to overcome. Reed Royal has a quick temper and even faster fists. But his tendency to meet every obstacle with violence has finally caught up with him. If he wants to save himself and the girl he loves, he'll need to rise above his tortured past and tarnished reputation. No one believes Ella can survive the Royals. Everyone is sure Reed will destroy them all. They may be right. With everything and everyone conspiring to keep them apart, Ella and Reed must find a way to beat the law, save their families, and unravel all the secrets in their Twisted Palace.

These Royals will ruin you. Ever since Hartley Wright met Easton Royal, her life hasn't been the same. There are enemies behind every corner and dangers beyond each door. When tragedy strikes and steals her memories, she can't trust anyone, not even the blue-eyed boy who promises her that everything will be all right. Because while Hartley's memory is full of gaps, her instincts tell her Easton is dangerous. She doesn't know if he's the snake in the garden or her chance at salvation. The chaos he brings wherever he goes is too much to handle, the intense feelings he evokes are too confusing to unravel. Easton wants her to remember. Hartley thinks it's better to forget. She might be right. Tragedy. Treachery. Trust. Hartley has to face the facts—in this world, you can't escape the Royals. Either you live by their

rules or you die by them.

LOVE. SEX. MAGIC. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, both love and good sex were virtually a myth. And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and instantly become what she was destined to be? Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now. *Dark Light*, Book 1 of the *Dark Light Series*, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost. \*Contains strong adult content. This sweet-natured bedtime book proves that a family is wherever you find love. When two wolves see a baby floating down a river, what do they do? Why, they

take the baby home. Over the moon with joy, they nourish and teach her. And when that baby grows into a child, she and the wolves know that she will be ready to make her way in the world. Because when a child is loved, she has everything she needs. • A classic fairy-tale premise told with warmth and an inclusive sensibility for all types of families to enjoy • A touching read-aloud books for families, caregivers, and classroom storytime • James Proimos has written and/or illustrated over 20 critically lauded children's books. This gently humorous story shows that families come in many forms, and that love is about both holding on and letting go. Fans of Finn's Feather, Wild, and Wolfie the Bunnie will find Over the Moon a delightful tale for all ages. • Books for kids ages 3–5 • Books about families and togetherness • Great for story time James Proimos has yet to rescue a small human from a river, but he has written and illustrated many books for them. James splits his time between Los Angeles and Middleburg, Virginia. Zoey Abbott is a graduate of Smith College. She spent four years working and painting in Japan. She now lives in Portland, Oregon, with her husband, their two kids, and a big dog named Carrots. This is her third book. "The book is written in clear, non-technical language. It will appeal to scholars and students of language change and variation in Europe and elsewhere. It will also interest everyone concerned to understand the nature of language and

language change."--Jacket.

Povestea celor doi protagonisti are loc In Balcic, localitate de la malul m?rii care l-a fermecat pe scriitor. Sandu isi prezint? zvArcolirile l?untrice perpetue, analizAndu-si cu luciditate iubita, Ioana, in cel mai mic amAnunt al gesturilor, faptelor, reac?iilor acesteia, dar si pe sine, in aceea?i m?sura. Romanul Ioana se construie?te In jurul Incerc?rii de a relnvia o rela?ie imposibil? si, dar necesar? pentru ambii parteneri.

The chapters of this volume were written for the purpose of surveying the field of intensive family therapy. The book is not a compilation of previously published articles; all of the chapters are original contributions written at the request of the editors. The structure of the volume was determined by the editors' experience with family therapy and their continuous exchange with other workers in the field through symposia, personal discussions, and, in most cases, direct observation of their work.

Established by A.S. Neill in the 1920s, Summerhill is one of the most famous schools in the world. In this work, the author Matthew Appleton provides an insightful account of his years as a houseparent at the school.

"When Veda's boyfriend unceremoniously dumps her right after graduation, she embarks on a summer love quest to move on and move up: kiss 26 boys, one for

each letter of the alphabet"--

In Alissa Nutting's novel *Tampa*, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slammng erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. *Tampa* is a sexually explicit, virtuosically satirical, American Psycho—esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's *Tampa* is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.

This monograph investigates a number of central issues in the Syntax of Adverbs with special reference to Greek in the light of Kayne's (1994) Antisymmetry Hypothesis. It examines the conditions on the placement of the various adverb

types, their licensing requirements, and their relation to adjectives. The author advances an analysis according to which adverbs are licensed as Specifiers of functional projections in the clausal domain. As such, they enter a matching relation with the relevant features of the respective functional head. Adverbs are either directly merged at the relevant functional projection (for instance Aspectual and Speaker Oriented adverbs) or alternatively they are moved to this position from the complement domain of the verb (for instance manner adverbs).

Furthermore, the volume examines the phenomenon of Adverb Incorporation. It is proposed that Incorporation is obligatory for those VP internal Adverbs which are 'structurally non-complex' in Chomsky's 1995 terms. Finally, the similarities and differences between adverbs and adjectives, clausal and nominal structure are investigated and a number of asymmetries between the two are highlighted.

It begins as an assignment for English class: Write a letter to a dead person.

Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while

May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

For the second edition of his study of the *Metamorphoses*, which was originally published in 1970, Professor Otis wrote a new concluding chapter. He took account of the constructive reviews of the first edition and of a number of important books published during the years following its publication; he also removed what had emerged as ambiguities in his collections and made some correction of emphasis to his judgments. Ovid's *Metamorphoses* is the 'other' epic of the Augustan age, at once like and unlike the greater, more profound, epic of Virgil. In his study of the poems' structure, Professor Otis shows that the real unity of the poem is to be sought not in the linkage but in the order or succession of episodes, motifs and ideas. The poem is nothing less than what Ovid called it, a *carmen perpetuum*, a narrative poem with a real continuity achieved by a gradual shift of emotional emphasis through a long series of episodes arranged in an elaborate pattern. The facts on which Professor Otis's

interpretation is based are commonly known; but the interpretation itself--especially in the examination of Ovid's use of his sources--its original and illuminating.

Grayzel traces the development and struggle of the Jewish people, and their place in the political, cultural, and social development of Europe and the Middle East.

Examines how the US, the Soviet Union and various European powers have developed their grand Strategies - how they have integrated their political, economic and military goals in order to preserve their long-term interests in times of war and peace.

Jennifer is a thirty-four-year-old bank manager. She's managed her education, her career, her finances--and her customers' money--she can't seem to handle this darn little chocolate in a shiny wrapper. . . Whether you're drawn to chocolate, cookies, potato chips, cheese, or burgers and fries, we all have foods we can't seem to resist--foods that sabotage our best efforts to lose weight and improve our health. These foods are winning the battle--but that's because we're fighting it in the wrong place. As physician and leading health researcher Dr. Neal Barnard explains in this groundbreaking book, banishing these cravings is not a question of willpower or psychology--it's a question of biochemistry. Based on the

author's research and that of other leading investigators at major universities, *Breaking the Food Seduction* reveals the diet and lifestyle changes that can break these stubborn craving cycles. Using everyday examples, questionnaires, and practical tips, the book delivers:

- Fascinating new insights into the chemical reasons behind your cravings
- Seven simple steps to break craving cycles and tame your appetite
- Important advice for kids' sugar cravings and how to halt them
- A three-week kick-start program
- One hundred delicious, satisfying recipes that help your body break the spell of problem foods and put you on the path to weight loss, better health, and greater well-being

This accessible and practical book is essential reading for anyone who wants to lose weight, lower cholesterol, feel more energetic, and get control of their health once and for all. They say that life is a beautiful lie and death a painful truth. They're right. No one has ever made me feel more alive than the guy who serves as a constant reminder that my clock is ticking. He is my forbidden, shiny apple. The striking fallacy to my blunt, raw, truth. He is also my sister's ex-boyfriend. One thing you should know before you judge me; I saw him first. I craved him first. I loved him first. Eleven years later, he waltzes into my life, demanding a second chance. Dean Cole wants to be my bronze horseman. But my clock is ticking. See, I'm not like the rest. I have an illness. Sometimes I conquer it. Sometimes it conquers me. My white knight has finally arrived. Hopefully, he isn't too

late.

"(Cioran's) statements have the compression of poetry and the audacity of cosmic clowning".--WASHINGTON POST. In *TEARS AND SAINTS*, Cioran touches on nearly all the themes that would preoccupy the writer over the course of his career. Self-consciously perverse, this collection will fascinate anyone interested in saints, mysticism, philosophy, the history of Christianity, or the ultimate strangeness of the sacred.

"Only a monster can allow himself the luxury of seeing things as they are," writes E. M. Cioran, the Romanian-born philosopher who has rightly been compared to Samuel Beckett. In *History and Utopia*, Cioran the monster writes of politics in its broadest sense, of history, and of the utopian dream. His views are, to say the least, provocative. In one essay he casts a scathing look at democracy, that "festival of mediocrity"; in another he turns his uncompromising gaze on Russia, its history, its evolution, and what he calls "the virtues of liberty." In the dark shadow of Stalin and Hitler, he writes of tyrants and tyranny with rare lucidity and convincing logic. In "Odyssey of Rancor," he examines the deep-rooted dream in all of us to "hate our neighbors," to take immediate and irremediable revenge. And, in the final essay, he analyzes the notion of the "golden age," the biblical Eden, the utopia of so many poets and thinkers.

**THE GLOBAL BESTSELLER** • Soon to be a BBC One and HBO Max limited four-part series, starring Gugu Mbatha-Raw (*The Morning Show*; *Misbehaviour*) and multiple

Golden Globe, BAFTA, and Emmy-nominated actor David Oyelowo (*Selma*; *Les Misérables*) “A pitch-perfect novel of psychological suspense” (Lee Child) that spins one woman’s seemingly good fortune, and another woman’s mysterious fate, through a kaleidoscope of duplicity, death, and deception Please make a list of every possession you consider essential to your life. The request seems odd, even intrusive—and for the two women who answer, the consequences are devastating.

*EMMA* Reeling from a traumatic break-in, Emma wants a new place to live. But none of the apartments she sees are affordable or feel safe. Until One Folgate Street. The house is an architectural masterpiece: a minimalist design of pale stone, plate glass, and soaring ceilings. But there are rules. The enigmatic architect who designed the house retains full control: no books, no throw pillows, no photos or clutter or personal effects of any kind. The space is intended to transform its occupant—and it does.

*JANE* After a personal tragedy, Jane needs a fresh start. When she finds One Folgate Street she is instantly drawn to the space—and to its aloof but seductive creator. Moving in, Jane soon learns about the untimely death of the home’s previous tenant, a woman similar to Jane in age and appearance. As Jane tries to untangle truth from lies, she unwittingly follows the same patterns, makes the same choices, crosses paths with the same people, and experiences the same terror, as the girl before. Praise for *The Girl Before* “Dazzling, startling, and above all cunning—a pitch-perfect novel of psychological suspense.”—Lee Child “The Girl Before generates a fast pace. . . . [J. P.]

Delaney intersperses ethics questions on stand-alone pages throughout the book. . . . The single most ingenious touch is that we're not provided either woman's answers."—The New York Times "J. P. Delaney builds the suspense."—Vanity Fair "Immediate guarantee: You will not be able to put this book down. . . . Fans of *Gone Girl* and *The Girl on the Train* will realize that there's not only more where that came from, but it's also more thrilling."—American Booksellers Association

Lord Gideon Haverston wanted to right his family's wrongs. So when he promises young Winnefred Blythe the money that his stepmother had cheated her out of over the years, he expects to be greeted as a hero. But the situation is much more complicated than Gideon had expected—and the task of taming the untrusting Winnefred much more alluring.

This book presents a catalogue and discussion of the Late Bronze Age Minoan-Mycenaean agricultural, wood-working, metalurgical and general purpose tools found in Europe. It primarily discusses the affect sites and finds made on the mainland of Greece; in an attempt to investigate into the nature and extent of contact between Europe and Greece during this era.

A bracing assessment of U.S. foreign policy and world disorder over the past two decades from the bestselling author of *The Revenge of Geography* and *The Coming Anarchy* "[Kaplan] has emerged not only as an eloquent defender of foreign-policy realism but as a grand strategist to whom the Pentagon turns for a tour

d'horizon.”—The Wall Street Journal In the late thirteenth century, Marco Polo began a decades-long trek from Venice to China along the trade route between Europe and Asia known as the Silk Road—a foundation of Kublai Khan’s sprawling empire. Now, in the early twenty-first century, the Chinese regime has proposed a land-and-maritime Silk Road that duplicates exactly the route Marco Polo traveled. Drawing on decades of firsthand experience as a foreign correspondent and military embed for The Atlantic, Robert D. Kaplan outlines the timeless principles that should shape America’s role in a turbulent world that encompasses the Chinese challenge. From Kaplan’s immediate thoughts on President Trump to a frank examination of what will happen in the event of war with North Korea, these essays are a vigorous reckoning with the difficult choices the United States will face in the years ahead. Praise for *The Return of Marco Polo’s World* “Elegant and humane . . . [a] prophecy from an observer with a depressingly accurate record of predictions.”—Bret Stephens, *The New York Times Book Review* “These essays constitute a truly pathbreaking, brilliant synthesis and analysis of geographic, political, technological, and economic trends with far-reaching consequences. *The Return of Marco Polo’s World* is another work by Robert D. Kaplan that will be regarded as a classic.”—General David Petraeus (U.S. Army, Ret.) “Thoughtful, unsettling, but not apocalyptic analyses of world affairs flow steadily off the presses, and this is a superior example. . . . Presented with enough verve and insight to tempt readers to set it aside to reread in a few years.”—Kirkus Review (starred review)

“An astute, powerfully stated, and bracing presentation.”—Booklist “This volume compiles sixteen major essays on America’s foreign policy from national security commentator Kaplan. . . . An overview of thoughtful, multilayered positions and perspectives evolving through changing circumstances.”—Publishers Weekly

Conversational in style and shrewdly laconic, this collection of Fleur Adcock's poetry offers psychological insights into the deceptions of love, personal relationships and family life.

“This generation’s Cruel Intentions.” Jennifer L. Armentrout, #1 New York Times Bestselling Author These Royals will ruin you... From wharf fights and school brawls to crumbling lives inside glittery mansions, one guy tries to save himself. Reed Royal has it all—looks, status, money. The girls at his elite prep school line up to date him, the guys want to be him, but Reed never gave a damn about anyone but his family until Ella Harper walked into his life. What started off as burning resentment and the need to make his father’s new ward suffer turned into something else entirely—keep Ella close. Keep Ella safe. But when one foolish mistake drives her out of Reed’s arms and brings chaos to the Royal household, Reed’s entire world begins to fall apart around him. Ella doesn’t want him anymore. She says they’ll only destroy each other. She might be right. Secrets. Betrayal. Enemies. It’s like nothing Reed has ever dealt with before, and if he’s going to win back his princess, he’ll need to prove himself Royally worthy.

From International Best Selling Romance Novelist, Hope Hughes, comes a gripping, heartfelt tale of two lovers, fighting for the freedom to... No. Scratch that. Too cheesy. ...two people, torn apart by the tumultuous tides of life, only to discover refuge in... WTF? What does that even

mean? DELETE. ...two people, confused as shit as to where they should be and who they should love and none of this means a damn thing because it's all lies! Lies. I'm not Hope Hughes. I'm not some fierce woman romance machine. Hell, I'm not even a woman. I'm a liar. And while I refuse to believe my own BS, deceit masked in heartfelt phrases of love and devotion, I want to make her believe them. Because maybe-just maybe-if she can find the soul within my words, she'll also be able to find the truth scribbled on my heart. You see, I once lived for the perfect plot twist. I just never expected to actually live it. This is my story. Well, maybe her story. I just wish I could make it our story. The one I'm still writing.

Dubbed "Nietzsche without his hammer" by literary critic James Wood, the Romanian philosopher E. M. Cioran is known as much for his profound pessimism and fatalistic approach as for the lyrical, raging prose with which he communicates them. Unlike many of his other works, such as *On the Heights of Despair* and *Tears and Saints*, *The New Gods* eschews his usual aphoristic approach in favor of more extensive and analytic essays. Returning to many of Cioran's favorite themes, *The New Gods* explores humanity's attachment to gods, death, fear, and infirmity, in essays that vary widely in form and approach. In "Paleontology" Cioran describes a visit to a museum, finding the relatively pedestrian destination rife with decay, death, and human weakness. In another chapter, Cioran explores suicide in shorter, impressionistic bursts, while "The Demiurge" is a shambolic exploration of man's relationship with good, evil, and God. All the while, *The New Gods* reaffirms Cioran's belief in "lucid despair," and his own signature mixture of pessimism and skepticism in language that never fails to be a pleasure. Perhaps his prose itself is an argument against Cioran's near-nihilism: there is beauty in his books.

This fascinating study of the intellectual origins and ideological and political evolution of the extreme right of interwar Romania offers a sensitive explanation of the part played by the Iron Guard in the history of Romanianism-anti-Semitism with university-based ideologies in the late 1920s and the 1930s. The work is largely based on analyses of printed literary and political tracts as well as on the nature of propaganda and the evolution of the doctrines of the Guardist movement.

\*\*\*The Dark Prince is the sequel to Dark Light of the Dark Light Series\*\*\* "5 BIG BEAUTIFUL BRIGHT SHINING "LIGHT" STARS for this awesome sequel. I was worried because a lot of times they just don't live up to their hype but this one far exceeded my expectations and I think that you will all love it as much as I did!" - Wolfel's World of Books "I love when a second book tops the first and this is exactly what this book did for me. It just keeps getting better and better and by the time I was done I was silently cursing the heavens that I will have to wait to keep going with Dorian and Gabs." - Up All Night Book Blog "The Dark Prince is not your average PNR. I loved the fact that S.L. didn't go down the usual Vampire/werewolf path but gave us PNR lovers something so totally different and out of the box. Absolutely AMAZING!!!!" - First Class Books "The Dark Prince had it all: love, betrayal, heartache, suspense, murder, dark, light, raw, emotional, intense, sexy, steamy and HOLY HELL the hot men!!! I loved, loved, loved this book..." - Swoon Worthy Books \*\*\*\*\*Book 2 of the Dark Light Series\*\*\*\*\* Dorian Skotos is Dark. And although that brand of sheer, unrelenting evil is a direct threat to her life, Gabriella is tragically in love with him. Gabriella knew it was all too good to be true. The way his touch radiated electricity right to her core, the way his ice blue eyes somehow made panties drop involuntarily, how his sexy half-smile crumbled the barriers around her

heart...Dorian was extraordinary in every way. She ignored the alarm bells for the sake of pleasure and a little slice of peace from her mixed-up life. She thought that whatever he was, she could help him. Maybe even change him. But now that the proof of Dorian's true identity and what he was sent for is staring her in the face, Gabriella can't deny the inevitable. And confronting that truth could very well slaughter more than just her fragile heart. \*\*\*Intended for readers 17+ for sizzling hot sex, violence & language.\*\*\*
