Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

The use of complex graphs in case interviews has exploded. You have a very short time to look at the graph, analyze it, extract what's important and apply it to your answer. This book was designed to help you understand the role of graphs in consulting (both during an interview and on the job). The authors introduce the Ivy Graph Framework, which will allow you to analyze 11 of the most popular graphs quickly, completely, and with great confidence. In addition the book provides ten sophisticated cases with numerous graphs per case and allows you to see how these cases unfold. There is nothing else out there like it!

Pure logic, pure efficiency. Components and Conditions is the case cracking methodology developed by candidates, for candidates. It takes widely accepted case interview principles and examines them under a microscope, removing anything superfluous and developing logical principles where there are gaps. Developed with guidance from strategy consultants at the world's leading firms, Components and Conditions is a uniquely robust approach to tackling strategic business problems at the candidate and consultant level.

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

Post, New York Post, Shondaland, CNN, and more! “[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it’s a wholly original story that delivers pure pleasure.” —People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn’t usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can’t fix their own marriage. There’s a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can’t seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment’s only bathroom, and you’ve got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

Why are business case competitions important? They teach future leaders how to translate classroom knowledge into positive results. Analyzing a situation, diagnosing a problem, formulating and presenting a recommendation, and gaining approval from executive leadership is one of the best processes you can learn in business school to ensure success. You are not only codifying textbook learning, you are also learning to incorporate it with teamwork, interpersonal communication, and influence. Experts Jason Rife, Kara Kravetz Cupoli, and Marc Cosentino share insight and tips in this must-have guide.

Cheng, a former McKinsey consultant and marketing expert for the Fox Business Television Network, analyzes 12 U.S. recessions spanning 136 years to uncover why dozens of startup companies thrived during the economic chaos of their day.

Job Offers in Consulting

The author of *Straw Dogs*, famous for his provocative critiques of scientific hubris and the delusions of progress and humanism, turns his attention to cats—and what they reveal about humans' torturous relationship to the world and to themselves. The history of philosophy has been a predictably tragic or comical succession of palliatives for human disquiet. Thinkers from Spinoza to Berdyaev have pursued the perennial questions of how to be happy, how to be good, how to be loved, and how to live in a world of change and loss. But perhaps we can learn more from cats--the animal that has most captured our imagination--than from the great thinkers of the world. In *Feline Philosophy*, the philosopher John Gray discovers in cats a way of living that is unburdened by anxiety and self-consciousness, showing how they embody answers to the big questions of love and attachment, mortality, morality, and the Self: Montaigne's house cat, whose un-examined life may have been the one worth living; Meo, the Vietnam War survivor with an unshakable capacity for "fearless joy"; and Colette's Saha, the feline heroine of her subversive short story "The Cat", a parable about the pitfalls of human jealousy. Exploring the nature of cats, and what we can learn from it, Gray offers a profound, thought-provoking meditation on the follies of human exceptionalism and our fundamentally vulnerable and lonely condition. He charts a path toward a life without illusions and delusions, revealing how we can endure both crisis and transformation, and adapt to a changed scene, as cats have always done.

Packed with insights and brainstorming exercises for establishing the McKinsey mindset, this book is an in-depth guidebook for applying McKinsey methods in any industry and organizational environment. Taking a step-by-step approach, *The McKinsey Mind* looks at the McKinsey mystique from every angle. Owners, executives, consultants, and team leaders can look to this comprehensive treatment for ways to:

- Follow McKinsey's MECE (mutually exclusive, collectively exhaustive) line of attack
- Frame business problems to make them susceptible to rigorous fact-based analysis
- Use the same fact-based analysis in conjunction with gut instinct to make strategic decisions
- Conduct meaningful interviews and effectively summarize the content of those interviews
- Analyze the data to find out the so what
- Clearly communicate fact-based solutions to all pertinent decision makers
- Capture and manage the knowledge in any organization to maximize its value

In *Case Interview Secrets*, you'll discover step-by-step instructions on how to dominate what many consider to be the most complex, most difficult, and most intimidating corporate job interview in the world--the infamous case interview. Victor Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview. Having personally secured job offers from McKinsey, Bain & Company, Monitor, L.E.K., Oliver Wyman, and A.T. Kearney, he has also been a McKinsey case interviewer--providing you with a hands-on, real-world perspective on what it really takes to land job offers. Cheng's protégées work in all the major strategy

Professional career guide from the Vault Career Library providing detailed case-by-case explanations of the consulting interview and strategies for cracking it.

The 13th volume in the RMC series, *The Changing Paradigm of Consulting*, is based on the best papers presented at the Academy of Management's Management Consulting Division's fourth international conference (2009) on the underlying dynamics within the fast-paced world of business and management consulting. Held in Vienna, Austria, the conference brought together academicians, consultants and organizational practitioners to examine the changes taking place within the consulting field. The book's 19 chapters are divided into five sections that explore the emergence and implications of this new paradigm, delineating and illustrating the paradigm shift taking place within consulting, exploring the ramifications for global consulting, examining the challenges inherent in attempts to capture collaboration and cooperation in inter-organizational networks, analyzing the push toward the professionalization –

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

and professionalism – of consultancy, and assessing new approaches to management consulting, focusing on innovative instruments, tools and intervention frameworks. The book captures the myriad complexities and uncertainties faced by consultants and their clients and the concomitant search for appropriate mindsets, attitudes and orientations as well as methods, tools and techniques. As each of the chapters indicates, while there are significant challenges facing the consulting industry, there are also a number of promising frameworks and approaches that can help us successfully meet these challenges.

One of the most beloved novels of the twentieth century by a writer of neverending interest, newly available in a 50th anniversary edition.

Victor Cheng deconstructs the management practices used by fast growing technology companies and adapts these practices for use in other industries. While most business books tout one new big idea that will magically solve all your problems, Extreme Revenue Growth provides a refreshingly different and practical approach, combining many cross- functional practices to create a blueprint for explosive growth.

A brazen, methodical killer strikes on New Year's Eve and LAPD detective Renée Ballard and Harry Bosch must join forces to find justice for the victim in a city scarred by fear and social unrest. There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that “relentless on their own, Ballard’s and Bosch’s combined skills...could be combustible” (Los Angeles Times).

Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to any case with deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve. For more information, please visit embracethecaseinterview.com. Enjoy the book and best of luck in your upcoming interviews!

Out of the thrilling and tempestuous eighteenth century comes the sweeping family saga of beautiful Maria Theresa, a sovereign of extraordinary strength and vision, the only woman ever to inherit and rule the vast Habsburg empire in her own name, and three of her remarkable daughters: lovely, talented Maria Christina, governor-general of the Austrian Netherlands; spirited Maria Carolina, the resolute queen of Naples; and the youngest, Marie Antoinette, the glamorous, tragic queen of France, perhaps the most

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

famous princess in history. Unfolding against an irresistible backdrop of brilliant courts from Vienna to Versailles, embracing the exotic lure of Naples and Sicily, this epic history of Maria Theresa and her daughters is a tour de force of desire, adventure, ambition, treachery, sorrow, and glory. Each of these women's lives was packed with passion and heart-stopping suspense. Maria Theresa inherited her father's thrones at the age of twenty-three and was immediately attacked on all sides by foreign powers confident that a woman would be too weak to defend herself. Maria Christina, a gifted artist, who alone among her sisters succeeded in marrying for love, would face the same dangers that destroyed the monarchy in France. Resourceful Maria Carolina would usher in the golden age of Naples only to then face the deadly whirlwind of Napoleon. And, finally, Marie Antoinette, the doomed queen whose stylish excesses and captivating notoriety have masked the truth about her husband and herself for two hundred and fifty years.

An exploration of the world of magic that teaches the reader many tricks--including how better to understand the real world. Alex Stone--journalist and part-time conjurer--is here to amaze you. But first he had to amaze his fellow magicians. Fooling Houdini is his fascinating, revealing, and nailbiting account of his attempt to win the 23rd World Championships of Magic, the "Magic Olympics," the largest and most prestigious competition of its kind. Alex Stone managed to qualify for entry and began preparing to astonish people who astonish others for a living. It didn't help his nerves that he was

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

placed on the bill straight after Canadian magician Shawn Farquhar, winner of more magic competitions than anyone in history. Stone's preparations and participation provide his readers with in-depth exploration of the world of magic, and magic's meaning. He spills many professional secrets, arguing that what is important is to ask questions about what lies behind the tricks: how the mind perceives the world and parses everyday experience, about how the mind works--and why sometimes it doesn't, about why people need to believe. As we become more attuned to the limits of our own perception, we become better at distinguishing reality from illusion, at reading the angles and decoding the fine print, he says. We gain intuition and understanding into how people behave. We even learn ways to influence this behavior. This makes us less susceptible to all manner of deception. It is to gain and maintain this sixth sense that Alex Stone--a schoolboy prestidigitator--has continued performing magic well into adulthood. In *Fooling Houdini* he takes us into that other world, populated by truly astounding characters, and leaves us with a heightened sense of awareness about the supposedly real world.

In *Case in Point: Crafting Your Consulting Career*, Piekara distills information garnered over his years in the industry by sharing anecdotes, his own experiences, insights gained through hundred of informational interviews, and wisdom from nearly 20 consultants who have had to navigate countless critical decisions throughout their careers. This digestible, reader-friendly guide provides timeless lessons for consultants,

commonly used frameworks in consulting and how you can use them for inspiration, without over-relying on them Practice with 5 full-length sample cases that are based on McKinsey, BCG, and Bain case interviews Prepare answers to behavioural interview questions, like "Why consulting?", "Why McKinsey?", or "Tell me about a time you led a team." Max Serrano and Jonathon Yarde are former consultants and instructors at IGotAnOffer, the #1 website for case interview preparation, which has helped place over 2,000 applicants in consulting careers since 2015. This book translates the countless hours the authors have spent coaching undergraduates, MBAs, PhDs, MDs, JDs, and experienced hires on their consulting applications.

A collection of the best thinking from one of the most innovative management consulting firms in the world For more than forty years, The Boston Consulting Group has been shaping strategic thinking in business. The Boston Consulting Group on Strategy offers a broad and up-to-date selection of the firm's best ideas on strategy with fresh ideas, insights, and practical lessons for managers, executives, and entrepreneurs in every industry. Here's a sampling of the provocative thinking you'll find inside: "You have to be the scientist of your own life and be astonished four times: at what is, what always has been, what once was, and what could be." "The majority of products in most companies are cash traps . . . [They] are not only worthless, but a perpetual drain on corporate resources." "Use more debt than your competition or get out of the business." "When information flows freely, reputation, more than reciprocity, becomes the basis for

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

trust." "As a strategic weapon, time is the equivalent of money, productivity, quality, even innovation." "When brands become business systems, brand management becomes far too important to leave to the marketing department." "The winning organization of the future will look more like a collection of jazz ensembles than a symphony orchestra." "Most of our organizations today derive from a model whose original purpose was to control creativity." "Rather than being an obstacle, uncertainty is the very engine of transformation in a business, a continuous source of new opportunities." "IP assets lack clear property lines. Every bit of intellectual property you can own comes with connections to other valuable innovations."

In *The Best Book on How to Crack the Case Interview*, consulting guru Abhinav Agrawal breaks down the anatomy of a case interview and guides readers through each step of the process. This guide goes beyond right answers and leads readers through the process behind effectively completing the case interview with a top consulting firm such as McKinsey, Bain and BCG. The shift from college to a full-time career has always been a hard transition, but arming yourself with knowledge will not only help you succeed but improve your overall confidence in yourself as a professional. This book allows readers to develop their knowledge of the structure of the case interview and carry that confidence with them to every interview that could lead them to their big break in the

consulting industry. This book will provide you with everything you need, along with additional free resources such as sample questions and answers to deliver a phenomenal interview technique and help you attain the consulting job you want. Imagine, if you can, the world of business - without corporate strategy. Remarkably, fifty years ago that's the way it was. Businesses made plans, certainly, but without understanding the underlying dynamics of competition, costs, and customers. It was like trying to design a large-scale engineering project without knowing the laws of physics. But in the 1960s, four mavericks and their posses instigated a profound shift in thinking that turbocharged business as never before, with implications far beyond what even they imagined. In *The Lords of Strategy*, renowned business journalist and editor Walter Kiechel tells, for the first time, the story of the four men who invented corporate strategy as we know it and set in motion the modern, multibillion-dollar consulting industry: Bruce Henderson, founder of Boston Consulting Group Bill Bain, creator of Bain & Company Fred Gluck, longtime Managing Director of McKinsey & Company Michael Porter, Harvard Business School professor Providing a window into how to think about strategy today, Kiechel tells their story with novelistic flair. At times inspiring, at times nearly terrifying, this book is a revealing account of how these iconoclasts and the organizations they led revolutionized the way we think about

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

business, changed the very soul of the corporation, and transformed the way we work.

Deloitte, L.E.K., Oliver Wyman, and Accenture as well as at Fortune 500 strategy groups. "I felt really confident after my McKinsey interview - this book's cases prepared me perfectly! They were very similar to the ones I received in my first and final round interviews." -McKinsey Consultant, Wharton MBA Candidate "I had very little time before my next BCG interview. This book provided me with plenty of practice that I could do by myself. After working through these cases, I felt excited going into my interviews." -BCG Associate, Experienced Hire "These cases were much higher quality than those found in other case books. The explanations were detailed and thorough and I got to practice thinking like a true consultant." -Bain Consultant, Stanford Undergraduate Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. "Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection." —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup "unicorn"

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes's worth at an estimated \$4.5 billion. There was just one problem: The technology didn't work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

Advocates that employees should focus their attention on what the author defines as the key drivers of cash, profit, assets, growth, and people to evaluate the viability of their organization and their prospects for advancement.

To land a management consulting job at any of the top firms, including McKinsey, Bain, BCG, Deloitte, Oliver Wyman, and Accenture, you must get through several rounds of case interviews. Whether your interview is in a few weeks or even tomorrow, this book is written to get you the maximum amount of knowledge in the least amount of time. Think of this book as taking the express lane towards beginning to master consulting case interviews. I cut out all of the filler material that some other consulting books have, and tell you everything that you need to

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

know in a clear and direct way. With this shortcut guide, you will: Understand and become proficient at the nine different parts of a case interview, and know exactly what to say and do in each step Learn the only framework strategy that you need to memorize to craft unique and tailored frameworks for every possible case scenario Gain knowledge of basic business terms and principles so that you can develop an astute business intuition Acquire the skills to solve any market sizing or other quantitative problem Uncover how to differentiate yourself from the thousands of other candidates who are fighting to get the same job you are Practice your case interview skills with included practice cases and sample answers

The Case Interview Workbook contains 60 case questions for management consulting interviews, with complete solutions. Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After working through this book, you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry,

Read Book Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

Sean Huang's former proteges span undergraduates, MBAs, advanced degree holders, and experienced hires. These students have landed job offers at top consulting firms, including McKinsey, BCG, and Bain; many have also used the structured thinking he has taught them to land roles at Goldman Sachs IBD, Google BizOps & Strategy, as well as at Fortune 500 strategy groups. "Case Closed has been a lifesaver. It truly contains everything you need to know to ace your consulting interviews and Sean explains things in a clear manner that is easy to understand. After studying Case Closed, I landed my dream job at McKinsey and I've raved about this book to all my friends."-McKinsey New York full time offer, Wharton MBA "I used to be intimidated by the notorious consulting case interviews. For anyone looking to get a job offer to a top consulting firm, Case Closed is honestly the best interview prep book (and I've read all of them). The case interviews in Case

Closed were by far the best and most similar to the cases I got in the actual interviews."-Bain San Francisco internship offer, UC Berkeley Haas (undergraduate) "In my panic, I read all of the case interview frameworks from different case prep books. And that ended up confusing me more because there were so many frameworks but no easy way to remember when to use what. Case Closed walks you through the interview process in such a great way that I started loving case interviews and landed the job."

-BCG Boston full time offer, University of Virginia (undergraduate)

The highly anticipated sequel to the instant New York Times bestseller, *A Good Girl's Guide to Murder*! More dark secrets are exposed in this addictive, true-crime fueled mystery. Pip is not a detective anymore. With the help of Ravi Singh, she released a true-crime podcast about the murder case they solved together last year. The podcast has gone viral, yet Pip insists her investigating days are behind her. But she will have to break that promise when someone she knows goes missing. Jamie Reynolds has disappeared, on the very same night the town hosted a memorial for the sixth-year anniversary of the deaths of Andie Bell and Sal Singh. The police won't do anything about it. And if they won't look for Jamie then Pip will, uncovering more of her town's dark secrets along the way... and this time everyone is listening. But will she find him before it's too late?
