To be honest, it is never easy because there isn't really a great deal of support around. But just like anything worth doing, stick at it and the results will come. For those athletes who have successfully adopted the vegan ways, they have noticed some great benefits. One of those is that the body recovers quicker between training sessions. As you can imagine, if the athlete has a faster recovery, they can train more often and see quicker improvements. It's not the increased amount of training that is the best thing, it's the faster recovery that allows for the additional training. That's important. It is of paramount importance to athletes and bodybuilders as a lot of energy and calories are burned in physical activity and, thus need to be replaced with good proteins to get the desired effects. I genuinely believe that with the information contained in this book, together with a keen interest in athletic living, you can learn that it is not difficult to eat a vegan diet and that anyone can take a vegan diet at any level. The marked improvement was owing to the restoration of financial discipline, a strengthening of international bauxite prices, and the unification and subsequent stabilization of the exchange rate. The inflation fell further to less than 1 percent in 1996.

of 2017 when she was diagnosed with cancer. At times, this experience led her through some deep valleys with dark and threatening shadows. She found herself in need of courage and a source of strength beyond her own to be able to press on. In *Praising God in the Valley*, Herr shares her story telling about the challenges she faced, the hope and peace God gave her, the many lessons God taught her through cancer that ultimately enriched her life, and other unexpected blessings of the journey. *Praising God in the Valley* helps you realize how God can use cancer and other adversity to bless you and prepare you to be an ambassador for Him, to bear witness of His love and sustaining strength in your trials in a world that asks: “What difference does it make to be a Christian?” “If God is so good, why do bad things happen to good people?”; and “How can I know for sure I’m going to heaven when I die?” Herr insists that when you discover the courage, strength, peace, and hope God provides, you, too, will be able to praise God in the valley.
