The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.

Eleanor Estes's *The Hundred Dresses* won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing

the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is "never going to stand by and say nothing again."

Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The classic story of one family torn apart by the Revolutionary War All his life, Tim Meeker has looked up to his brother. Sam is smart and brave, and is now a part of the American Revolution. Not everyone in town wants to be a part of the rebellion. Most are supporters of the British, including Tim and Sam's father. With the war soon raging, Tim knows he will have to make a choice between the Revolutionaries and the Redcoats, and between his brother and his father.

Authoritative, thorough, and engaging, Life: The Science of Biology achieves an optimal balance of scholarship and teachability, never losing sight of either the science or the student. The first introductory text to present biological concepts through the research that revealed them, Life covers the full range of topics with an integrated experimental

focus that flows naturally from the narrative. This approach helps to bring the drama of classic and cutting-edge research to the classroom - but always in the context of reinforcing core ideas and the innovative scientific thinking behind them. Students will experience biology not just as a litany of facts or a highlight reel of experiments, but as a rich, coherent discipline.

Empowering IT & CAT Teachers - Elza Mentz (Ed), is a methodological guide to effective teaching of the school subjects Information Technology (IT) and Computer Applications Technology (CAT). It is an easily understandable, practical guide aimed at student teachers in IT and CAT, but will also assist teachers in these subjects in their efforts to improve their teaching. Activities and assignments are included to aid students in the acquisition of skills and to guide facilitators in the assessment of the outcomes.

Kirby Nickel loves basketball. The only problem is he can't play basketball. But when an opportunity to meet NBA star Brett McGrew comes up, Kirby knows he has to take a chance and try out for the basketball team. Getting on the team turns out to be easy—the rest of the boys are as supremely untalented as Kirby—but winning in order to be eligible to meet McGrew is a whole different problem. Different and embarrassing. The coach's radical new plan for success involves the boys playing in their underwear. But if this crazy idea works, Kirby will get to meet his hero—who he secretly also hopes is his long-lost father.

After her castle and clothes are destroyed by the dragon, Princess Elizabeth, dressed only in a paper bag, sets out to rescue Prince Ronald, who was taken captive.

Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.
