Crazy Rich Asians meets Gossip Girl by way of Jenny Han in this knock-out debut about a Korean American teen who is thrust into the competitive, technicolor world of K-pop, from Jessica Jung, K-pop legend and former lead singer of one of the most influential K-pop girl groups of all time, Girls Generation. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul's largest K-pop labels, known for churning out some of the world's most popular stars. The rules are simple: Train 24/7. Be perfect. Don't date. Easy right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she's strong enough to be a winner, or if she'll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It's not just that he's charming, sexy, and ridiculously talented. He's also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea's most famous girl group, Girls Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It's time for the world to see: this is what it takes to SHINE.

A darkly funny thriller about one boy's attempt to unravel the mysterious phenomenon affecting students in his new town, as he finds a way to resist sinister forces and pursue hope for them all. Wallace Cole is perpetually moving against his will. His father has some deeply important job with an energy company that he refuses to explain to Wallace who is, shall we say, suspicious. Not that his father ever listens to him. Just as Wallace is getting settled into a comfortable life in Kentucky, his father lets him know they need to immediately depart for a new job in a small town in Upstate New York which has recently been struck by an outbreak of inexplicable hysterics--an outbreak which is centered at the high school Wallace will attend. In the new town, go from disturbing to worse: trees appear to be talking to people; a school bully, the principal, and the town police force take an instant dislike to Wallace; and the student body president is either falling for him or slipping into the enveloping darkness. Bright Shining World is a novel of resistance, of young people finding hope and courage and community in a collapsing world.

A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo's newest novel, Raymie Nightingale.

Witty yet heartbreaking, conversational yet richly lyrical, John Ashbery's sixteenth poetry collection showcases a mastery uniquely his own And the Stars Were Shining originally appeared in 1994, toward the midpoint of a startlingly creative period in Ashbery's long career, during which the great American poet published no fewer than nine books in ten years. The collection brings together more than fifty compact, jewellike, intensely felt poems, including the well-known "Like a Sentence" ("How little we know, / and when we know it!") and the lyrical, deeply moving thirteen-part title poem recognized as one of the author's greatest. This collection is Ashbery at his most accessible, graceful, and elegiac.

News \* The Telegraph \* Apple \* Library Journal In this newly updated edition of the "meticulous and devastating" (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. A deliciously charming novel about finding true love . . . and yourself. Nothing ever happens in Little, CA. Which is just the way Carter Moon likes it. But when Hollywood arrives to film a movie starring former child star turned PR mess Adam Jakes, everything changes. Carter's town becomes a giant glittery set and, much to her annoyance, everyone is starry-eyed for Adam. Carter seems to be the only girl not falling all over herself to get a glimpse of him. Which apparently makes her perfect for the secret offer of a lifetime: playing the role of Adam's girlfriend

while he's in town, to improve his public image, in exchange for a hefty paycheck. Her family really needs the money and so Carters agrees. But it turns out Adam isn't at all who she thought he was. As they grow closer, their relationship walks a blurry line between what's real and what's fake, and Carter must open her eyes to the scariest of unexplored worlds - her future. Can Carter figure out what she wants out of life AND get the guy? Or are there no Hollywood endings in real life? Roger Zottis latest collection of essays, *Best Served Cold*, is mostly a true book with some stretchers, as Mark Twains Huck Finn says about *Adventures of Huckleberry Finn*. In part one, Zotti focuses on sports, while in part two he's concerned with books and movies. Agree or disagree with his views, it's certain that *Best Served Cold* is an entertaining and informative mix of concise and inventive writings.

Happily-ever-after is never quite what you expect in this hot and gritty romance. Abandoned by her lover after a quarrel, Dougless Montgomery is stranded in rural England, but with the sudden appearance of Nicholas Stafford, Earl of Thornwyck--who died centuries ago--a passionate affair begins.

I never planned to fall in love. Least of all with a woman, you. But I did, and telling you was the hardest thing I ever did. I knew how you would reach first, but I never anticipated how hard it will be for me or how you reacted next. I had to write, for the first time ever, and now we face book number two. I wrote just to tell you how I feel, what I think. All the things I wanted to say to you but you didn't want to listen. So I wrote, and wrote, and wrote. Flood of thoughts, feelings, whatever came to my mind. Just to give me five minutes of strength to get out of bed. I wrote for me. I wrote for you. Most of them are here. My pain, my love, my longing, my hesitations, My certainty. I know you don't want to hear from me, don't want to read what I have to tell you. But I have to get them out of me, if not to you then just out there, to the world who doesn't know me. Maybe some day you will find your courage and return. Until then my love, You Still don't Know How Much I Love You.

play the game." --Bill Walton A three-time Olympic gold medalist, three-time MVP of the WNBA, and the first woman ever to dunk in a professional basketball game, Lisa Leslie is considered one of the greatest players in the history of women's basketball. But before the superstar was the child growing up too fast in South Central Los Angeles. Over six feet tall in the sixth grade, with a father Lisa never knew, and a sister she couldn't trust, her life seemed destined to go nowhere fast--another failed statistic in the American dream. Today, Lisa is a poised, beautiful, assertive, six-foot-five-inch basketball powerhouse. Her elegance and charm have made her a favorite with fans, the fashion world, and even Hollywood. With hard-won candor and confidence, Lisa Leslie shares in her own words her empowering story about finding grace under pressure, and exceeding expectations--including your own--by playing like a girl. "There are a lot of young girls out there who look up to Lisa Leslie. I think it's great that they can look at Lisa and say we don't have to make sacrifices." --Sheryl Swoopes, Houston Comets and U.S. Olympic Team "Lisa is doing for women what Michael Jordan has done for young men." --Michael Cooper, Lakers great and L.A. Sparks head coach "She has it all: beauty, brains, and athleticism. She brings class, fashion, and she's sassy in her own way. She has all that and the championship rings to back it up." --Nancy Lieberman, ESPN analyst and Hall of Famer "Lisa Leslie is absolutely one of the best players ever to play the game. She is a leader who works hard, plays hard, and carries herself with incredible poise, grace and dignity. She is an icon and a perfect role model." --Bill Walton, ESPN commentator and NBA Hall of Famer Larry Burnett is an Emmy award-winning journalist and sports broadcaster. He has known Lisa for fifteen years and has been the radio and television play-by-play announcer for her L.A. Sparks' games for the past nine seasons. In the first volume of the To Shine with Honor trilogy, Galien de Coudre, scholarly third son in a family of minor nobility, comes of age in the perilous world of late 11th century France, where powerful noblemen massacre the other and innocents in unending petty warfare over lands and silver, despite the efforts of the Church to control their violence. Galien, educated for the priesthood, trained at arms and horse by his father and older brothers, all knights, finds his once-certain future as a high Church official compromised by family misfortunes. Through a series of oft-wrenching events, he discovers his own destiny as events in France and the distant Holy Land draw inexorably toward the great war of faiths known in history as the First Crusade.

Drawing on a wide range of examples from literature, comics, film, television and digital media, Nerd Ecology is the first substantial ecocritical study of nerd culture's engagement with environmental issues. Exploring such works as Star Trek, Tolkien's Lord of the Rings, The Matrix, Joss Whedon's Buffy the Vampire Slayer and Firefly, the fiction of Thomas Pynchon, The Hunger Games, and superhero comics such as Green Lantern and X-Men, Anthony Lioi maps out the development of nerd culture and its intersections with the most fundamental ecocritical themes. A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless Mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

This book is about the miracles of our Heavenly Father that he has done in my life and to the people that I know and visions and dreams that he has given to me. No real names were used. I want everyone to experience the immense love that Yahweh (God), and Yahushua (Jesus), and the Set-Apart Spirit (Holy Spirit) have for each and every one of us. This is my daily life in Yahweh and the people that he has me taking care of.

Hailed by ESPN as the world's most famous female basketball player, Brittney Griner has been shattering stereotypes and breaking boundaries ever since she burst onto the national scene as a dunking high school phenom. Now, she shares her coming-of-age story, revealing how she found the strength to overcome bullies and to embrace her authentic self. Brittney Griner, the No. 1 pick in the 2013 WNBA Draft, is a once-in-a-generation player, possessing a combination of size and athleticism never before seen in women's basketball. But the sport's "most transformative figure" (*Sports Illustrated*) is equally famous for making headlines off the court, for speaking out on issues of gender, sexuality, body image, and self-esteem. At six foot eight with an eighty-eight-inch wingspan and a size 17 men's shoe, the Phoenix Mercury star and three-time All-American has heard every vicious insult in the book. Bullied for being different, she has endured years of taunting, from middle school to the present day. Through the highs and lows, Brittney has learned to remain true to herself, rising above the haters who try to take her down. The journey has often been lonely. Feeling uncomfortable in her own skin for much of her adolescence, Brittney struggled with anger, the Achilles heel that often got her into trouble, usually with her fists. Her

transformation began when she discovered basketball in high school. "The court has almost always been a safe place for me, a space where I can rejuvenate myself," she says. "It has always been the one place I feel free." In this heartfelt memoir, Brittney reflects on painful episodes in her life, from the confrontations she dealt with as a kid, to the infamous on-court punch she threw during her freshman season at Baylor University, to the final moments of her college career and the crushing loss to Louisville that ended her dream of back-to-back national championships. Brittney also explores her complicated relationships with two people she loves and respects—her father, Ray, and her coach at Baylor, Kim Mulkey—as well as her mixed feelings about playing for a school that has a policy against homosexuality. Here, too, are the highs: Brittney's close bonds with her mother, Sandra, and her supportive siblings and friends; her amazing accomplishments at Baylor, including the team's 74-2 record her last two seasons; her adventurous new life as a pro in the WNBA; and her distinct sense of style, exemplified by the tattoos she proudly wears. Throughout the book, Brittney describes how she came to celebrate what makes her unique—inspiring lessons she now shares with readers. Filled with all the humor and personality that Brittney Griner has become known for, *In My Skin* is more than a glimpse into one of the most original people in sports; it's a powerful call to readers to be true to themselves, to love who they are on the inside and out.

Through the silence, she found the way to shine. Catch a Star tells Tamika's story of overcoming: of leading the Indiana Fever to its first championship, being named to the WNBA's All Decade Team, earning four Olympic gold medals, and founding the Catch the Stars Foundation to help young people achieve their dreams. Her story will inspire readers to face their doubts and fears, encouraging them to reach for their own stars, no matter what challenges come their way. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Manage your time the way Jesus managed his with a biblical antidote to swamped to-do lists and hurried schedules. "A highly practical road map."--Mark Batterson, New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work-life balance, the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach. The reason for our struggle is that productivity and time-management systems focus on individual habits rather than more meaningful and lasting lifestyle changes. But as it turns out, there is a better way to reach our full potential. We don't need just another approach to changing our habits. What we need is an operating system that takes into account the full scope of our lives. In these pages, bestselling author Jordan Raynor presents this system, using seven powerful time- management principles drawn from the example of how Jesus lived: 1. Start with the Word: Find meaningful connection with the author of time daily. 2. Let Your Yes Be Yes: Accept only the commitments you can fulfill. 3. Dissent from the Kingdom of Noise: Create room for silence, stillness, and reflection. 4. Prioritize Your Yeses: Confidently maintain your commitments. 5. Accept Your "Unipresence" Focus on one important thing at a time. 6. Embrace Productive Rest: Live the God-designed rhythms of rest which are productive for

our goals and souls. 7. Eliminate All Hurry: Embrace productive busyness while ruthlessly eliminating hurry from our lives. With these principles, you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today. More than that, you'll discover corresponding practices that will help you embrace the best, most Christlike version of yourself possible: purposeful, present, and wildly productive.

From master storyteller Stephen King, his unforgettable and terrifying sequel to *The Shining*—an instant #1 New York Times bestseller that is “[a] vivid frightscape” (*The New York Times*). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father’s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “Doctor Sleep” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...

Legacy poems This book represents a legacy in poems - moral, ethical and practical education in verses. In Robin Wyatt Dunn's words: Osuoha's language reads like a stilted nursery rhyme, doubly insisting both on the rights of the white settler to determine the destiny of her community (the book is dedicated to God and is scattered throughout with various Christian homilies), yet its deeper intention is profoundly anti-colonial, and a sharp critic of the state: Osuoha observes: The world violates covenants And desecrates every altar Yet they all are communicants And none is a defaulter Here, everything is fake And anyhow, they fail brake Drop not your guard. These poems are a mix of compassion and angst, a homely mother reciting her rhymes who is concealing her deep mistrust and rage at the history which has raped her language and culture, insisted on its rights to do so, and continues to oppress her country and environment. But, as she observes, it is not ultimately the white settler who is to blame, but the world: we are all implicated in this suffering and desecration. Each poem in beautiful rhyme representing a letter addressed to her unborn child and safely placed in a file from a caring and protective mother is a skillfully crafted piece of work by the Nigerian poet Ngozi Olivia Osuoha. The poems act as codes of conduct for childhood, adolescence and adulthood and can be collectively taken as a guide for facing the ups and downs of life. Original, captivating, heart touching and soul stirring Letter to My Unborn will certainly leave imprints of permanent ink in the readers' mind long after it has been read. This is truly a poetry collection of all-time, a shining star on each book lover's shelf. - Vatsala Radhakeesoon author of Depth of the River
