An in-depth look at academically selective public high schools in America What is the best education for exceptionally able and high-achieving youngsters? Can the United States strengthen its future intellectual leadership, economic vitality, and scientific prowess without sacrificing equal opportunity? There are no easy answers but, as Chester Finn and Jessica Hockett show, for more than 100,000 students each year, the solution is to enroll in an academically selective public high school. Exam Schools is the first-ever close-up look at this small, sometimes controversial, yet crucial segment of American public education. This groundbreaking book discusses how these schools work--and their critical role in nurturing the country's brightest students. The 165 schools identified by Finn and Hockett are located in thirty states, plus the District of Columbia. While some are world renowned, such as Boston Latin and Bronx Science, others are known only in their own communities. The authors survey the schools on issues ranging from admissions and student diversity to teacher selection. They probe sources of political support, curriculum, instructional styles, educational effectiveness, and institutional autonomy. Some of their findings are surprising: Los Angeles, for example, has no "exam schools" while New York City has dozens. Asian-American students are overrepresented—but so are African-American pupils. Culminating with in-depth profiles of eleven exam schools and thoughtful reflection on policy implications, Finn and Hockett ultimately consider whether the country would be better off with more such schools. At a time of keen attention to the faltering education system, Exam Schools sheds positive light on a group of schools that could well provide a transformative roadmap for many of America's children.

Peterson's Master the Catholic High School Entrance Exams 2019 is the comprehensive test-prep book for scoring high on Catholic high school entrance exams. This guide covers all test formats, test scoring, subject review, and types of questions for the most popular parochial school placement tests: the High School Placement Test (HSPT) and the New York City Test for Admission into Catholic High Schools (TACHS). These easy to use materials give you that extra edge you need to pass the first time. STS was not involved in the creation or production of this product, is not in any way affiliated with Trivium Test Prep, and does not sponsor or endorse this product. Trivium Test Prep's HSPT Prep Book offers: A full review of what you need to know for the HSPT exam Practice questions for you to practice and improve Test tips to help you score higher Trivium Test Prep's HSPT Prep Book covers: Math Reading Writing ...and includes a FULL practice test! About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

HSPT Practice Questions are the simplest way to prepare for the HSPT. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our HSPT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our HSPT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Kaplan's New York City SHSAT Prep 2019-2020 provides the most up-to-date content to help you succeed on the new Specialized High Schools Admissions Test (SHSAT).
