"The sixteenth-century Catholic Church was definitely in need of reform. Too many of its leaders were worldly and corrupt; too many of the faithful were living in laxity or ignorance. Unfortunately, Protestantism brought revolution rather than reform, but the saints who rose up in response to it helped renew and transform the Church for generations to come. Our own souls, too, are in constant need of reform, of re-conversion to God and his will for us. We struggle with sin, we become distracted in prayer, we find it hard to be loving and easy to be selfish. In *Reform Yourself!*, Shaun McAfee (founder of Epic Pew and author of *Filling Our Father's House*) shows you how these magnificent saints can be guides in your own personal transformation. Drawing upon the saints' writings, works, and life events, *Reform Yourself!* reveals in each of them a model of a particular virtue or grace that we all need along with practical tips for imitating them in our own lives"--Page 4 of cover.

Are You Protected from Evil? Your personal guide on the use of highly effective sacramentals, devotions and prayers as a means of protection of body and soul, aiding in one's salvation and getting your prayers answered quickly. Throughout the ages, many of these practices have been forgotten and been under attack from the enemies of religion fighting hard to suppress them. In this captivating and mind-blowing book, Steve Margala, Catholic author, researcher, military veteran, and photographer, who is an expert at educating people on the dangers of the occult, delves deep into medieval history and old church documents to reintroduce these precious sacramentals, devotionals and prayers to the modern world. Just some of the topics covered are: - Saints who promised at their deaths to aid those who call upon them. - Sacramentals that bring about safe travels for you and your family. - Effective sacramentals which combat sickness and disease and can bring about cures. - The sacramental that's proven time and time again to rid haunted houses and break curses. - The most powerful devotion that breaks addictions, decreases sin, and will put you on the fast track to salvation. - The sacramentals that brings people into the church when given to them by others. - The sacramentals that can protect your vehicles and home from thieves, plagues, fires, hurricanes, tornadoes and ones that can bring about good weather. - St. John Vianney tells us the sacramental that "makes all of hell tremble" and protects one from the "vengeance of heaven". -True stories and accounts of miracles attributed to the sacramentals found in this book. Other interesting subjects covered here are: -What types of punishments go on in Purgatory? -Will the souls in Purgatory that we pray for act on our behalf when we are judged? -What simple ways can we avoid going to Purgatory ourselves? -Has the Holy Grail been found? Does it contain the green emerald mentioned in Ezek: 28.13? -Interesting religious occurrences in nature that happen every year at certain times. -Will your

This Catholic prayer book by best-selling author William G. Storey contains some of the best traditional devotions to assist in daily prayer throughout the liturgical year. Strongly biblical in tone and content, *A Prayer Book of Catholic Devotions* was written to carry out a Vatican mandate which promotes the revival of traditional Catholic devotions. This leatherette Catholic prayer book is the first devotional book based on the liturgical year; psalms, canticles, Scripture readings, and traditional prayers help readers celebrate the holy seasons of the year. The fascinating story of the Infant Jesus of Prague, including the many miracles worked in favor of those who honored this statue of the Christ child. Saint Joseph lived his life hidden in the Divine Light of the Sacred Mysteries. He was a living prayer of faith, trust, and dedication. Understand more clearly the great humility of dear Saint Joseph, who was constantly aware of the goodness of God and the nothingness of himself, in this beautiful account of his life, as revealed by Jesus to Sister Maria Cecilia Baij in 1736.

R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees over the past decade. Although condemned by mainstream churches, this folk saint's supernatural powers appeal to millions of Latin Americans and immigrants in the U.S. Devotees believe the Bony Lady (as she is affectionately called) to be the fastest and most effective miracle worker, and as such, her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude, two other giants of Mexican religiosity. In particular, Chesnut shows Santa Muerte has become the patron saint of drug traffickers, playing an important role as protector of peddlers of crystal meth and marijuana; DEA agents and Mexican police often find her altars in the safe houses of drug smugglers. Yet Saint Death plays other important roles: she is a supernatural healer, love doctor, money-maker, lawyer, and angel of death. She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes.
