Brakes and Combination vehicles endorsements
General Knowledge – is a written test (sections 2-4 of your state CDL manual) that covers all of the others in a little detail. It's just to get a basic idea of what the kind of vehicles you may be driving and what different rules you have to follow depending on the vehicle. Air Brakes – is a written test (section 5 of your state CDL manual) that deals strictly with the braking system on heavy vehicles you'll be driving. It informs you on the lack of air pressure in the system during normal driving, which is referred to as brake lag distance. It also deals with the drivers perception distance, reaction distance, which do effect the time it will take to stop loaded vehicle, and what will happen in a skid. Combination vehicles – is commonly associated with Class A vehicle. This endorsement allows you to pull a trailer behind a commercial vehicle. What you get: CDL general knowledge test (105 questions/answers organized into three smart practice tests with detailed prep descriptions.) CDL air brakes test (30 questions/answers organized into three smart practice tests with detailed prep descriptions.) CDL combination vehicles test (33 questions/answers organized into three smart practice tests with detailed prep descriptions.) CDL Test Dynamic Prep is good for all 50 states

sections. The purpose of this manual is to provide a general understanding of the safe and lawful operation of a motor vehicle. Mastering these skills can only be achieved with practice and being mindful of Tennessee laws and safe driving practices.

Section A This section is designed for all current and potential drivers in Tennessee. It provides information that all drivers will find useful. Section A consists of pages 1 through 24. This section will help new and experienced drivers alike get ready for initial, renewal, and other license applications by explaining:

- * the different types of licenses available
- * the documentation and other requirements for license applications
- * details on Intermediate Driver Licenses and how this graduated driver license works for driver license applicants under age 18
- * basic descriptions of the tests required to obtain a Driver License

Section B This section is designed to help new drivers study and prepare for the required knowledge and skills for an operator license. It includes helpful practice test questions at the end of each chapter. Section B consists of pages 25 through 90. This section of the manual provides information related to:

- * Examination requirements for the vision, knowledge and road tests
- * Traffic signs, signals, and lane markings
- * Basic Rules of the Road
- * Being a responsible driver and knowing the dangers and penalties of Driving Under the Influence of alcohol and drugs.
