This book explores the nature of intimacy by revealing how the influence of individual, interpersonal and wider social factors create variations in self-disclosure, intimacy games and relationship habits. It describes how the dynamics of power and control in relationships give rise either to mutual satisfaction or to the unraveling of intimacy. How the mysterious nine-pointed symbol of the enneagram illuminates the worst pitfalls and highest virtues of our psyches. The Enneagram of Passions and Virtues elucidates human experience beyond the personality structure. In the tradition of the enneagram, the Virtues are said to be the affective atmosphere that replaces the compulsive and reactive emotional patterns-called the Passions-as one becomes freer of the ego. Sandra Maitri shows how the shift in our consciousness, or soul, from being informed by the Passions to being informed by the Virtues, is one of the hallmarks of inner development. In this book, Maitri explores how our awareness of the Passions, in turn, leads to the manifestation of the Virtues. This shift supports growth on the level of personality as well as on the level of what is beyond-Being, or True Nature. Maitri is widely known as one of the most literate and in-depth writers and teachers on the uses of the enneagram as a tool of inner development. In this book she provides what can be for some an entry into inner work, and for others, who have been engaged in the journey for a longer time, a uniquely incisive explication of concepts they may have missed.

valuable insights to guide you.”—WILL SMITH “Thoughtful and life-affirming . . . a must-read.”—TONY ROBBINS “This book will put you back in charge of your own life.”—TOM BRADY A new perspective on the overused and misunderstood concept of “karma” that offers the key to happiness and enlightenment, from the world-renowned spiritual master Sadhguru. What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and punishment. Karma simply means action: your action, your responsibility. It isn't some external system of crime and punishment, but an internal cycle generated by you. Accumulation of karma is determined only by your intention and the way you respond to what is happening to you. Over time, it's possible to become ensnared by your own unconscious patterns of behavior. In *Karma*, Sadhguru seeks to put you back in the driver's seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. *Karma* is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement. Through Sadhguru's teachings, you will learn how to live intelligently and joyfully in a challenging world.

"How to unlock your most creative self"--

"Where Did You Go? offers deep comfort to anyone who has lost a loved one and hopes to explore what frontier science is now demonstrating: while a heart may stop beating, consciousness never dies." —Lynne McTaggart, bestselling author of *The Field*

From Christina Rasmussen, the much beloved and acclaimed author of *Second Firsts*, comes a groundbreaking exploration of the afterlife that combines spirituality with cutting edge science—and reveals we all have the power to connect with our loved ones on the other side. "Where did you go?" This was the first question Christina Rasmussen asked after the death of her husband. A young widow with two daughters, Rasmussen would go on to become an esteemed grief educator who helped countless others rebuild their lives after loss. Yet, even as she learned to thrive again, that first heartbreaking question persisted. Even as she and her clients forged new paths and

discovered new joy, the same questions remained: Are we capable of connecting to those who have passed on? What really happens after we die? As a professional grounded in science, Christina was a skeptic who shied away from the conventional mystical, supernatural, and religious descriptions of the afterlife—so she turned to what seemed “provable” to unravel the mystery of life beyond life: physics. What she found was beyond anything she could have expected: not only is there life after death, but we all have the ability to connect with loved ones who have passed on. Sharing an inspiring message of hope, optimism, and love, *Where Did You Go?* is a transporting step-by-step guide to journeying to the other side, from one of our most trusted voices on life after loss. Bridging the gap between the metaphysical and the measurable, it will change the way we grieve, the way we live and how we define our potential—in this life and the hereafter.

A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of *The Pleiadian Agenda* and *The Mayan Code* In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an

erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

Based on his personal experiences, the author of "The Celestine Prophecy" and "The Tenth Insight" shares his vision for--and explains how to achieve--a new era of global peace and understanding.
