An experiential guide to the spiritual path of the Holy Grail • Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine • Provides exercises, meditations, and rituals to connect you with the powers of the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail • Explains how attaining the Grail brings full consciousness of the soul and Divine influence for the healing of self and others The primary myth of Western culture, the quest for the Holy Grail persists through the centuries like a recurring dream, embodying the longing for the divine feminine suppressed for more than two thousand years. The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul, for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination. By working with the symbols of the Grail tradition we can gaze into our own hidden depths and heal the separation between masculine and feminine, Spirit and Matter, and Heaven and Earth. Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ, revealing a spiritual path rooted in the mysteries of the Goddess, the Grail, and the Sword. She explains how the Sword has dominated over the Goddess and the Grail for far too long, leading to a spiritual wasteland as foretold in the Grail stories. She provides a practical workbook of exercises, visualizations, and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail itself. Drawing on folk traditions and medieval Arthurian romances as well as alchemy and the wisdom of the mystics of Glastonbury, Freeman reveals the ancient Celtic teachings of the Western Mystery tradition. She shows that attaining the Grail involves achieving full consciousness of the soul. Then, as a Grail-bearer, you can bring the light of the Grail into the world for the healing of self and others.

The Goddess of Life in an elated romance with a beloved mortal. Her sister killed him. Their combined actions ripping a hole in destiny and plaguing mankind with an age of unprecedented corruption, vicious holy wars, and religious absolutism. Though long forgotten by the mortals they serve, Zeus and his Pantheon continue to foster and protect mankind which is tearing itself apart—but even God isn't infallible. After failed diplomacy, the King of the Gods is left with no choice but to take the persona of a modern man—the famed genetic scientist Dr. Hork. In an effort to preserve the future by reshaping the past, Dr. Hork uses Project Genesis—the transfer of consciousness—to send subjects back in time. However, not without devastating failures. Subjects of the experiment wreak havoc upon humanity until a familiar character is reborn to correct the course. Reincarnated and ready to fulfill his true destiny, Joshua Bach is the catalyst the Gods have been waiting for—and Dr. Hork's final beacon of salvation. Ferociously idealistic, the free-spirited young man struggles to come-of-age in a time and society ruled by money and corruption. Under the wing of the Gods, Josh rediscovers his purpose, along with a love that can only be considered timeless. Set in three periods—modern day, the 1960s, and ancient Mesopotamia—this epic blends human history, ruthless mythology, science fiction, and the supernatural to tell a love story of the future.

A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of The Pleiadian Agenda and The Mayan Code In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

"Where Did You Go? offers deep comfort to anyone who has lost a loved one and hopes to explore what frontier science is now demonstrating: while a heart may stop beating, consciousness never dies." —Lynne McTaggart, bestselling author of The Field From Christina Rasmussen, the much beloved and acclaimed author of Second Firsts, comes a groundbreaking exploration of the afterlife that combines spirituality with cutting edge science—and reveals we all have the power to connect with our loved ones on the other side. "Where did you go?" This was the first question Christina Rasmussen asked after the death of her husband. A young widow with two daughters, Rasmussen would go on to become an esteemed grief educator who helped countless others rebuild their lives after loss. Yet, even as she learned to thrive again, that first heartbreaking question persisted. Even as she and her clients forged new paths and discovered new joy, the same questions remained: Are we capable of connecting to those who have passed on? What really happens after we die? As a professional grounded in science, Christina was a skeptic who shied away from the conventional mystical, supernatural, and religious descriptions of the afterlife—so she turned to what seemed "provable" to unravel the mystery of life beyond life: physics. What she found was beyond anything she could have expected: not only is there life after death, but we all have the ability to connect with loved ones who have passed on. Sharing an inspiring message of hope, optimism, and love, Where Did You Go? is a transporting step-by-step guide to journeying to the other side, from one of our most trusted voices on life after loss. Bridging the gap between the metaphysical and the measurable, it will change the way we grieve, the way we live and how we define our potential—in this life and the hereafter.
