From celebrated design expert and interior designer Athena Calderone, a look into how creatives decorate their spaces Beautiful design isn't just pleasant to look at; it improves the quality of our lives. In Live Beautiful, the highly anticipated design book by Athena Calderone, the EyeSwoon creator taps into her international network of interior decorators, fashion designers, and tastemakers to reveal how carefully crafted interiors come together. She also opens the doors to two of her own residences. With each homeowner, Calderone explores the initial spark of inspiration that incited their design journey. She then breaks down the details of the rooms—like layered textures and patterns, collected pieces, and customized vignettes—and offers helpful tips on how to bring these elevated elements into your own space. Filled with gorgeous photography by Nicole Franzen, Live Beautiful is both a showpiece of exquisite design and a guide to creating a home that's thoughtfully put together.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet

whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Thanks to her recent adventures in *Dying for Chocolate*, Goldy Bear, the premier caterer of Aspen Meadow, Colorado, is no stranger to violence--or sudden death. But when she agrees to cater the first College Advisory Dinner for Seniors and Parents at the exclusive Elk Park Preparatory School, the last thing she expects to find at the end of the evening is the battered body of the school valedictorian. Who could have killed Keith Andrews, and why? Goldy's hungry for some answers--and not just because she found the corpse. Her young son, Arch, a student at Elk Park Prep, has become a target for some not-so-funny pranks, while her eighteen-year-old live-in helper, Julian, has become a prime suspect in the Andrews boy's murder. As her investigation intensifies, Goldy's anxiety level rises faster than homemade doughnuts. . .as she turns up evidence that suggests that Keith knew more than enough to blow the lid off some very unscholarly secrets. And then, as her search rattles one skeleton too many, Goldy learns a crucial fact: a little knowledge about a killer can be a deadly thing.

Twenty years later, in 1956 Miro finally settled into a large white atelier in Palma de Mallorca where he worked unrelentingly until his death in 1985. In this book, the photographs of Jean-Marie del Moral re-create the poetic universe of the grand atelier, crowded with the objets trouves and household items that fitted Miro's imagination. Juan Teodoro Punyet Miro recalls his grandfather, the old man with large blue eyes, who taught him as a child to listen to silence. "Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love,

death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider"--

When it comes to the most important meal of the day, this is the book to end all books, a delectable selection of recipes, advice, illustrations and miscellany. The recipes in the robust volume begin with the iconic full English - which can mean anything as long as there are eggs, bacon, sausages, mushrooms, tomatoes, black pudding, bread, potatoes and beans involved - before moving confidently on to more exotic fare such as kedgeree, omelette Arnold Bennett, waffles, American muffins, porridge, roast peaches, channa masala from India, borek from the Balkans and pães de queijo from South America. There are also useful tips like the top songs for boiling an egg to, and how to store mushrooms. Interspersing the practicalities of putting a good breakfast together are essays and miscellanies from a crack team of eggsperts. Among them are H.P. Seuss, Blake Pudding, Poppy Tartt and Malcolm Eggs, who offer their musings on such varied topics as forgotten breakfast cereals of the 1980s, famous last breakfasts and Freud's famous Breakfast Dream. Whether you are a cereal purist, a dedicated fan of eggs and bacon or a breakfast-aficionado with a world view, The Breakfast Bible is the most important book of the day.

The first monograph dedicated to Studio KO, this beautifully illustrated book spotlights a diverse array of their work, from private residences in breathtaking scenery, ranging from the Moroccan mountains to Provence and Brittany in France, to the highly anticipated Yves Saint Laurent Museum, due to open in Marrakech in 2017. Boasting never-before-seen architectural plans, personal photos, and sumptuous photographs of finished spaces, this book offers a fascinating look at the most in-demand architectural designers of today.

NY Times best-selling author Dr. Michael Roizen reveals how the food choices you make each day--and when you make them--can affect your health, your energy, your sex life, your waistline, your attitude, and the way you age. What if eating two cups of blueberries a day could prevent cancer? If drinking a kale-infused smoothie could counteract missing an hour's worth of sleep? When is the right time of day to eat that chocolate chip cookie? And would you actually drink that glass of water if it meant skipping the gym? This revolutionary guide reveals how to use food to enhance our personal and professional lives--and increase longevity to boot. *What to Eat When* is not a diet book. Instead, acclaimed internist Michael Roizen and preventive medicine specialist Michael Crupain offer readers choices that benefit them the most--whether it's meals to help them look and feel younger or snacks that prevent diseases--based on the science that governs them.
