

## Cgpsc Pre Mains Syllabus Hindi And English

After the Grand Success of its 1st Edition, Disha launches the much powerful 2nd Edition of the book '10000+ Objective MCQs with Explanatory Notes for General Studies'. This 2nd Edition is updated with latest questions of UPSC, SSC, State PSC, RRB, Bank & other exams. Further outdated questions are removed and explanations are updated. The book has been divided into 8 sections which have been further divided into chapters containing 10000 "Multiple Choice Questions" for Revision purpose and final practice. The 8 sections are - History, Polity, Economics, Geography, Science and Technology, Ecology, General Knowledge and Current Affairs. The Unique Selling Proposition of the book is the explanation to each and every question which provides additional info to the students on the subject of the questions and correct reasoning wherever required. The questions have been selected on the basis of the various types of questions being asked in the various exams.

CTET & STATE TET (English language) Shivendra kumar shrivastava  
India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written

## Download Ebook Cgpsc Pre Mains Syllabus Hindi And English

and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC

examination and have taken History as their subject.

With a few notable exceptions, analytical philosophy of religion in the West still continues to focus almost entirely on the Iudaeo-Christian tradition. In particular, it is all too customary to ignore the rich fund of concepts and arguments supplied by the Indian religious tradition. This is a pity, for it gratuitously impoverishes the scope of much contemporary philosophy of religion and precludes the attainment of any insights into Indian religions comparable to those that the clarity and rigour of analytic philosophy has made possible for the Iudaeo-Christian tradition. This volume seeks to redress the imbalance. The original idea was to invite a number of Indian and Western philosophers to contribute essays treating of Indian religious concepts in the style of contemporary analytical philosophy of religion. No further restriction was placed upon the contributors and the resulting essays (all previously unpublished) exhibit a diversity of themes and approaches. Many arrangements of the material herein are doubtless defensible. The rationale for the one that has been adopted is perhaps best presented through some introductory remarks about the essays themselves.

Born against a background of privation and civil war, divided along lines of caste, class, language and religion, independent India emerged, somehow, as a united and democratic country. Ramachandra Guha's hugely acclaimed book tells the

## Download Ebook Cgpsc Pre Mains Syllabus Hindi And English

full story – the pain and the struggle, the humiliations and the glories – of the world’s largest and least likely democracy. While India is sometimes the most exasperating country in the world, it is also the most interesting. Ramachandra Guha writes compellingly of the myriad protests and conflicts that have peppered the history of free India. Moving between history and biography, the story of modern India is peopled with extraordinary characters. Guha gives fresh insights into the lives and public careers of those long-serving Prime Ministers, Jawaharlal Nehru and Indira Gandhi. But the book also writes with feeling and sensitivity about lesser-known (though not necessarily less important) Indians – peasants, tribals, women, workers and musicians. Massively researched and elegantly written, *India After Gandhi* is a remarkable account of India’s rebirth, and a work already hailed as a masterpiece of single volume history. This tenth anniversary edition, published to coincide with seventy years of India’s independence, is revised and expanded to bring the narrative up to the present. Right from its first issue, *Indian and World Geography* has shown a steady increase in its popularity and readership in India as well as in adjacent countries. Geography as a subject continues to have significant importance in the Civil Services Preliminary as well as the Mains examinations. The second and now the third edition of this book have been revised and updated in the light of the

while the second volume has a descriptive overview of various sectors of the economy.

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with

objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

### BIUT

Bihar is the eastern state of India. It is one of the fastest growing states in India. Bihar is the fourth largest producer of vegetables and the eight largest producers of fruits in India. This state has high agricultural production making it one of the strongest sectors of the state. About 80 per cent of the state's population is employed in agriculture, which is much higher as compared to India's average. The state has a large base of cost-effective industrial Labour, making it an ideal destination for a wide range of industries. General knowledge of Bihar is essential for various competitive examinations and especially for the students who are appearing for Bihar Public Service commission (BPSC) and other state level examinations. The current edition of 'Know Your State – Bihar' gives the detailed study of History, Geography, Economy, Polity, Art & Culture, Center and State government welfare schemes and Current Affairs of Bihar. Swami Vivekananda was never concerned with world-negating spirituality distanced from the din and bustle of daily living. He was intensely perturbed by the endless suffering of mankind and discovered that the root of all suffering lies in ignorance, disharmony, divisiveness and confinement of consciousness within finitudes. His esoteric experience of Advaita philosophy of vedanta offered him a unique panacea. In the light of his experience of cosmic consciousness he found a bridge between science

## Download Ebook Cgpsc Pre Mains Syllabus Hindi And English

and spirituality, between religions and between the mundane and divine. From absolutely secular, scientific and experiential philosophy he developed the concept of practical vedanta as a formula of living. Swamiji prescribed the following motto of life as Self-realisation and selfless service to humanity: “Atmano mokshartham jagaddhitaya cha.” The twofold complementary agenda can be best practised with the concept of practical vedanta which is not a religious but a spiritual formula for all.
