

Chance Encounters

To escape the troubles of their big city lives, Gisele and Beniah Panganiban decide as many had before them to seek refuge in the wilderness. Against the woman he often referred to as his wife's wish, Beniah leases an enigmatic log house; that is situated deep in the forests of Manitoba, Canada. For two years, the couple wrestles with angels that seem to be as personal as they are professional. Then, in the middle of the night, they hear a knock on the big, red door. Handcuffed together, they hobble down the sixteen stairs. In the unforgiving winter, a stranger calls out. Ayuda me. My husband has been badly injured.... Por favor, I know you're in there. What follows is a fantastic journey that includes but is no way limited to gunplay, noble fables, pig genitalia, a fair amount of corruption, encieros, a love triangle, Samurai bonds, and of course Chim-Chim the Great Grey Owl. Some of them will learn what they're good at, what they're horrible at, what they're psychotic about. And, at least, one of them is going to be buried out there. So, make yourself at home, mind the carpets, no cigars, and Welcome to Solomons Seal.

This book has been written to fill a substantial gap in the current literature in mathematical education. Throughout the world, school mathematical curricula have incorporated probability and statistics as new topics. There have been many research papers written on specific aspects of teaching, presenting novel and unusual approaches to introducing ideas in the classroom; however, there has been no book giving an overview. Here we have decided to focus on probability, making reference to inferential statistics where appropriate; we have deliberately avoided descriptive statistics as it is a separate area and would have made ideas less coherent and the book excessively long. A general lead has been taken from the first book in this series written by the man who, probably more than everyone else, has established mathematical education as an academic discipline. However, in his exposition of didactical phenomenology, Freudenthal does not analyze probability. Thus, in this book, we show how probability is able to organize the world of chance and idealized chance phenomena based on its development and applications. In preparing these chapters we and our co-authors have reflected on our own acquisition of probabilistic ideas, analyzed textbooks, and observed and reflected upon the learning processes involved when children and adults struggle to acquire the relevant concepts.

This collection of novellas can delight readers with stories of love showing up in the most unexpected places: a couple thrown together at the airport when their flights are canceled; two violinists competing for first-chair during a European orchestra tour; and a missionary to Russia unexpectedly running into her old boyfriend when they get stuck in an elevator.

Cameron Montgomery's world has just been turned upside down. One day, one moment in time, has now brought her into the lives of the Morano crime family. Unsure as to why the Morano's are taking care of her, Cameron falls for none other than the right-hand man of the Godfather, Luca Morano. Luca is dark and intense, the epitome of what his father wanted him to become. One moment, one bad decision, led to bringing Cameron to his home. Keeping her safe is his first priority, in the dark a close second, until the free-spirited girl who is making him love is forced into the home of his little brother. Learning that this type of life really exists is tough for Cameron. Learning that she is the center of a potential war is even worse. Being torn between two brothers is heartbreaking and it all started with one chance encounter.**This book is not for children or those under 18 years of age due to explicit writings and sexual situations. This is the first of the Encounters series.

Sophie escapes from Auschwitz and is sheltered in a Catholic convent until the area is liberated by the Russians. Her husband Jake is

inducted into the Polish Army in 1939 and is taken prisoner by the Germans. With the help of a friend, he escapes and reaches Russia. He eventually joins the 1st Polish Army and is part of the forces liberating Poland and Berlin. After the war Sophie searches for information about Jake. She hears about the 1st Polish Army and tries to get to Berlin to connect with survivors who might know about Jake. She is aided by another Auschwitz survivor Joseph who is searching for Eliza, a friend from Auschwitz. In an extraordinary encounter in Berlin, Sophie and Jake are reunited.

Can a chance encounter lead to a second chance at happiness? After the disastrous proposal in Kent, Elizabeth wants nothing more than to forget all about Mr. Darcy. She never imagined to see the man again—and certainly not at a London bookshop! In town to visit her aunt and uncle, she is determined to escape the unexpected encounter with her dignity intact. But there is no escape. Mr. Darcy is shocked to be reunited with the one woman who captured his heart—and rejected his suit. At first, he is nervous to see her again, but he soon realises he has been given a second chance. A chance to make everything right. He wants to fix his previous mistakes and show Elizabeth that he is not the kind of man she believes him to be. But when a family tragedy pulls Elizabeth back to Hertfordshire, will he ever get the chance to prove himself? *Chance Encounters* is a full-length, sweet and clean regency romance novel that is suitable for all lovers of Jane Austen's *Pride and Prejudice*.

"I met Frank Sinatra through Robert Maxwell. That's if you can be said to have met someone who was on a private jet with you for fourteen hours and never spoke to you." So begins *Chance Encounters*, a charming insight into the extraordinary people, places and politics experienced in one varied and fascinating life. Over the last fifty years, Tim Razzall has forged successful careers in law, business and politics, rising to become both a CBE and a life peer. From his time representing the biggest names in rock music to his sortie among the big hitters of the City takeover mania in the fifties, Razzall has rubbed shoulders with the Beatles, Bill Clinton and Bertrand Russell, among many, many others. Throughout all this, he has had a key role in the rise of the Liberal Democrats from fringe party to partner in government. As an adviser to Paddy Ashdown, Razzall was a major player in the Lib Dems' covert relationship with Tony Blair. As party treasurer for twelve years, he had a front-row view of the pleasures and perils of political fundraising. Having been an adviser to Charles Kennedy - and best man at his wedding - Razzall divulges frank details of the problems that led to the former leader's resignation, as well as speaking candidly and astutely about the personalities in the House of Lords. No traditional, dry autobiography, *Chance Encounters* is a brisk, high-spirited romp through the worlds of business, entertainment and politics, dispensing insight and humour in equal measure.

Seven short, erotic stories to whet your appetite, packaged in one collection. Whether the couples meet on a glance, make a split second decision or take a chance to be together, the encounters change their lives, for a minute, or for a lifetime. You'll find a plumber who gets into more than a little hot water, a housewife tangled up in a cyber relationship, a cowboy trio attempting to brand a bartender for their very own, and a woman experimenting with a same-sex relationship. Then, there is naughty Rose, who dances naked in front of her bedroom window, a chance sexual encounter in a taxi that turns the tables, and a woman who finds herself doing exactly what she thinks she shouldn't...and liking it. Bonus story! A collaborative story by bestselling erotica authors Tia Fanning and Mia Jae.

Chance Encounters Createspace Independent Publishing Platform

What if you've already crossed paths with the love of your life? Cora and Jacob live in London's vast metropolis; he at one end of the Central Line, she at the other. Their paths have crossed a thousand times without them knowing. When a chance encounter on the underground brings them together, it seems they're destined to fall in love. But life has a catastrophic way of throwing up obstacles that could see both

their lives unravel. And as events in their pasts begin to pull them apart, Cora and Jacob begin to wonder: Are they meant to be together, or were they never meant to meet? What readers are saying about Saskia Sarginson's novels: 'With echoes of David Nicholls's One Day, this romance has just the right mix of heart-melting moments and heart-rending near misses' Good Housekeeping 'Intensely romantic' Sunday Mirror 'A wonderful, heart-tugging romance' Prima 'A raw, emotional book about love in all its guises' Sun 'Heartbreaking' Bella 'Have tissues to hand' Best

The good-looking and beloved Fr. Alexander Vanos has served his church and community well. But, he's no ordinary priest. Bored to death with the mundane rituals and routines of priestly life, he studies centuries old church policies and doctrines and asks the question....do they line up with biblical doctrine? Thus begins his quest for truth, leading to a life-changing decision that threatens to destroy close and supportive relationships. As if that wasn't enough, a chance encounter with an African American Protestant female with her own issues, will dramatically reshape the course of their lives and set them on a collision course with their respective families. Will he choose love, or devotion to God? Can he have both? Will she do the unthinkable? But his decision to accept the challenge to spearhead an organization of ex-priests explodes into an international initiative and proves to be his boldest move yet. Described as a 'modern day Martin Luther' by some, Fr. Vanos and this organization embarks on an extraordinary journey, one that threatens the boundaries of family relations, and ultimately...challenges Rome on an international platform, continuing in the sequel The Silent Majority, (available now at on-line book stores, and www.westbowpress.com.)

In my quest for Mr. Right Now, could I have accidentally found Mr. Right? After the day I've had, I could really use a distraction. At the pub, I quickly spot the perfect counterpart to chase away my frustrations, just for tonight. Whereas I'm all business, George is big, burly, long-haired as well as tattooed. We're nothing alike; could he still be interested? George's scary exterior is just a mask; one he takes off quickly when we're alone. What I find beneath the surface is too precious to let go. But, I don't do relationships, and neither does he. Come morning, still the last thing either of us want to do is to say goodbye. When your usual M.O. is to kiss and leave, how do you figure out the intricacies of true love? And when opposites attract, how do you ensure that your differences don't tear you apart forever? Read on and find out! One Night Stand is a steamy body-positive opposites-attract romance featuring a scarred and tattooed plus sized hero and a strong-minded spunky heroine who is ready to love him just for who he is. * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover how to build relationships, leading to a real professional advantage, with people you meet by chance. You will also discover that : any stranger can offer you unsuspected opportunities if you get to know them; it is much easier than you think to approach someone; all environments are opportune to make connections: transportation, eating or waiting places, etc. ; with empathy and tact, you can easily make yourself appreciated and build lasting relationships; you can take advantage of these relationships: job offers, new clients, recommendations, valuable information. On a daily basis, you come across people you know nothing about, without considering the connections that might bind you. That man you saw in an elevator might have become your best customer! Yes, but how do you approach him without being intrusive? Don't see this as an impossibility: reaching out to strangers to build strong personal and professional relationships is a real possibility, and a valuable faculty. Put your reserve in the closet and take on the world! *Buy now the summary of this

book for the modest price of a cup of coffee!

An unexpected event can change everything, especially when things are not as they first appear. This has always been true, and will remain true in the future. Here are three tales of chance encounters and the changes they bring, set sometime beyond the day after tomorrow.

"Swept Away" - All Richard wanted to do was relax and read a book. Unfortunately, Avi is out and on his own on this dark and stormy day, and his response to a sudden crisis will change Richard's life forever. "Second Chance" - The warship Richmond has accidentally released a new life form into Jan Costa's space station. Costa must find the creature, and do so quickly, but as he and his crew search, it becomes clear to them that they have not been told all of the truth. What they seek is not what they were told to find. "Long Time Passing" - The Commonwealth's grand star liner Edwin Teale has entered Leyra'an space on a mission of cultural exchange. Among the ship's passengers is Martin Russman, a man scarred by memories he has tried very hard to erase. But can he hide from his own past if history repeats itself? This e-book is an extract from Encounters that Changed the World and is also available as part of that complete publication. He didn't realize it at the time, but in the late 1860s, David Livingstone had disappeared and was presumed dead. He had been in Central Africa and out of touch with the world for 5 years. In November 1871, Henry Morton Stanley mounted an expedition to find him. Read about the famous encounter between Stanley and Livingstone along with other famous chance encounters that changed the world.

A collection of short stories that reads like unbelievable fiction - except that every single one is based on true events! As principal of a school, mother of a large family and director of a major community charity, Mrs. M. L. Mashinsky has learned that many wonderful happenings are not really by chance, but that a Merciful Creator is the Puppeteer Who makes things happen. A story about a successful shidduch that nobody thought could work, a tale of lost and found tefilin, an account of a miraculous succah -- read Chance Encounters for inspiration - and for sheer pleasure!

Who you meet can change your life for ever... A wonderful collection of short stories from Sheila O'Flanagan, Sunday Times bestselling author of THE MISSING WIFE and THE HIDEAWAY. The Moment We Meet was previously published as Destinations. Featuring an exclusive Q&A with Sheila O'Flanagan... Perfect for readers of Catherine Alliott and Marian Keyes. A young PR girl has the night of her life at a glitzy work event and finds more than just her face splashed across the newspapers the next day. Two women listen in on each other's phone calls and learn more about themselves than they ever expected. And a wife faces up to the truth that her husband isn't a man she feels safe with. Everyone aboard this train is on a journey - and they all have a story to tell... Praise for Sheila O'Flanagan's bestselling novels:

'Wonderfully escapist...captivating' Daily Express 'A beautiful backdrop to the story of a woman finding acceptance and new beginnings' Woman & Home 'A hugely enjoyable romance, written with pace and heart' Sunday Mirror 'Page-turner' Bella 'I read the book in one sitting as it was so enjoyable, full of romance and kept you riveted until the last page'

Woman's Way

In Jane Austen's Pride and Prejudice, Fitzwilliam Darcy arrives at Netherfield in a state of indignation and delivers an insult that nearly ended his future before it began. What if he did not go to Meryton that autumn and instead met

Elizabeth Bennet later in London during the winter? What if their introduction was not an insult, but rather a challenge to smile, and how does the strength of an extraordinary couple help them to survive all that life sends their way? *Chance Encounters* is a journey of the imagination, and explores how a resigned and wiser Elizabeth meets a hardened Darcy. It follows them and their families through their courtship, marriage, and beyond. Together they experience a mature love. Revised 2012 edition. This story contains scenes of a mature nature. Linda Wells is the author of *Fate and Consequences*, *Perfect Fit* and the *Memory and Imperative* series.

Winona Clark hasn't been the same for years. After numerous attempts to start fresh abroad, one phone call brings her back home to some harsh truths and distant, but never forgotten, faces. Yet, there is one face she never expected to see again—the face of the boy who stole her heart all those years ago. Finally ready to deal with her past, Winona attempts to confront her trauma and embrace the love she feels she deserves. With love comes secrets though, and when you open the door to the past, you never know what will come out, including everything you wish had stayed inside. Nick Wilder can't outrun his demons. Tormented by what he has lost and the things he has done, Nick does whatever it takes to extinguish the images of the girl who stole his soul all those years ago. On the outside, he's a broody bartender, but on the inside, he is holding on by a thread. When the one person he never expected to see again appears in his living room, Nick's world is thrown. Determined not to be affected by the woman who knows him best, Nick does all he can to avoid the ghost of his past. But could the one woman he so desperately wants to avoid, be the one to save him?

Chronicling the intersection of two lives, Chance and Emily's, as they meet up and separate throughout the years. Time and again they rescue each other, but can't seem to stay together as their lives are out of synch.

Connect to the world around you and realize the enormous potential in talking to strangers Everyday, random encounters really can change lives, when you make them happen the right way and leverage the connection at the other end. *Talk to Strangers* explains how to stand out and tap the potential of others by taking notice of who is standing alongside you on the bank line, the latte pickup point, or the ticket counter at the airport. David Topus' life-changing message is that we should "always connect," which means going beyond online relationships and engaging in the random, real-life interactions that have unlimited potential to supercharge businesses, accelerate careers, and enrich your life. Why there is opportunity through the people you meet wherever you go The four key beliefs of successful random connectors Techniques for creating comfort and trust quickly with complete strangers How to optimize and monetize your newly-established contacts When you connect to those in your everyday world, you'll discover the life-expanding potential of random encounters and unlimited opportunities.

A chance meeting will change her life in ways she never could have imagined... As the Second World War continues to

bring heartache to those left behind, Megan Lloyd is determined to do her bit for the war effort. She is appalled by the plight of young women left pregnant and destitute following ill-fated love affairs with passing sailors or American GIs, and establishes a place of refuge for unmarried mothers. But Megan's plan incurs her father's intense disapproval and she finds herself cast out from the family and unprepared for the challenges ahead. Her new life is full of trauma, drama and heartbreak, but can she find joy and love as well? An emotional wartime saga set in Liverpool, perfect for fans of Lyn Andrews and Pam Howes.

Sometimes, a one night stand simply won't do... In this collection, three pairs of strangers each spend a night of passion together, only to find it hard to say goodbye the following morning. Love at first sight isn't enough to build a stable relationship though, is it? Follow these couples while they deal with income disparity, age gaps and bucket loads of family pressure on their journeys towards love and happiness. Will they each get their happily ever after? One Night Stand Lucy has always had everything under control: her business, as well as her (non-existent) love life. Then big, burly biker George comes along and turns her worldview up-side-down. Their one night stand is about to turn into something a lot more complicated. Beautiful Stranger Claudia and Peter meet by chance at the side of the road and stumble into a whirlwind affair. She's a curvy down-to-earth 24 year old with a dead-end job, he's older, loaded and married, at least for now. What could possibly go wrong? Only a Taste Mandi is about to move back in with her conservative Punjabi parents. If there's one thing she doesn't need, it's complications, but they turn up anyway, when she spends her last night of freedom with a handsome stranger. Famous TV Chef Callum is used to getting what he wants, and what he wants is Mandi. Whether her parents approve or not...

A travel writer finds herself caught between passion and danger in this romantic thriller set in the French Riviera— “A delightful summer read” (Holly Kinsella). Researching travel books is a dream job for Lauren James—apart from the constant, unwelcome advances from her boss, Gary. Then a chance encounter on the way to St Tropez changes everything. She catches the eye of Jean-Luc and instantly feels butterflies in her stomach. But when Gary bustles her off to the holiday villa, she is certain she will never see Jean-Luc again. As Lauren explores the local markets, she has the uncanny feeling of being watched . . . before two men appear out of nowhere and try to kidnap her. Luckily Jean-Luc sees the crime in progress and rushes to her rescue. But why was Lauren targeted? And was Jean-Luc's arrival on the scene just a fortunate coincidence—or something more sinister? Now Lauren must work out who she can trust, and who she should fear. Because chance encounters can be wonderful . . . or deadly.

Chance Encounters, Student Guide

For many tabletop RPG players, the joy of an in-depth game is that anything can happen. Typical adventure modules include a

map of the adventure's primary location, but every other location?whether it's a woodland clearing, a random apothecary or the depths of a temple players elect to explore?has to be improvised on the fly by the Game Master. As every GM knows, no matter how many story hooks, maps or NPCs you painstakingly create during session prep, your best-laid plans are often foiled by your players' whims, extreme skill check successes (or critical fails) or their playful refusal to stay on task. In a game packed with infinite possibilities, what are GMs supposed to do when their players choose those for which they're not prepared? The Game Master's Book of Random Encounters provides an unbeatable solution. This massive tome is divided into location categories, each of which can stand alone as a small stop as part of a larger campaign. As an example, the "Taverns, Inns, Shops & Guild Halls" section includes maps for 19 unique spaces, as well as multiple encounter tables designed to help GMs fill in the sights, sounds, smells and proprietors of a given location, allowing for each location in the book to be augmented and populated on the fly while still ensuring memorable moments for all your players. Each map is presented at scale on grid, enabling GMs to determine exactly where all of the characters are in relation to one another and anyone (or anything) else in the space, critical information should any combat or other movement-based action occur. Perhaps more useful than its nearly 100 maps, the book's one-shot generator features all the story hooks necessary for GMs to use these maps as part of an interconnected and contained adventure. Featuring eight unique campaign drivers that lead players through several of the book's provided maps, the random tables associated with each stage in the adventure allow for nearly three million different outcomes, making The Game Master's Book of Random Encounters an incredible investment for any would-be GM. The book also includes a Random NPC Generator to help you create intriguing characters your players will love (or love to hate), as well as a Party Makeup Maker for establishing connections among your PCs so you can weave together a disparate group of adventurers with just a few dice rolls. Locations include taverns, temples, inns, animal/creature lairs, gatehouses, courts, ships, laboratories and more, with adventure hooks that run the gamut from frantic rooftop chases to deep cellar dungeon-crawls, with a total of 97 maps, more than 150 tables and millions of possible adventures. No matter where your players end up, they'll have someone or something to persuade or deceive, impress or destroy. As always, the choice is theirs. But no matter what they choose, with The Game Master's Book of Random Encounters, you'll be ready.

The world sways to an invisible music. We are the orchestra and our stories its symphony. And our loneliness is a song, which leads us through pasts and presents, towards new friends, and acquaintances... That girl on the road swaying to an invisible rhythm... That lady at the next table reading a book... What's their music? A Symphony of Chance Encounters has suspense, love, rage, passion, contemplation and myriad human emotions sung into its stories. A murderess. A child's relationship with her father. An indifferent author. An unusual friendship. A couple in love. Writers exploring their creations. The fragrance of a new life; a new hope. A woman trapped in a life she does not want – will the rhythm be hers? Their tunes merge. Their songs intertwine to create a symphony. But, which tune do you sway to? Which melody lingers on your lips? Which story is yours?

With a preface by the irrepressible Patti Smith, *The Divorce* is a delightful book of several short amazing stories of chance

meetings, bizarre circumstances, and even stranger visions of alternate realities written as only César Aira can. The Divorce tells about a man who takes a vacation from Providence, R.I. in early December to avoid conflicts with his newly divorced wife and small daughter. He travels to Buenos Aires and there, one afternoon, he encounters a series of the most magical coincidences. While sitting at an outdoor café, absorbed in conversation with a talented video artist, a young man with a bicycle is thoroughly drenched by a downpour of water seemingly from rain caught the night before in the overhead awning. The video artist knows the cyclist, who knew a mad hermetic sculptor, whose family used to take the Hindu God Krishna for walks in the neighborhood. More meetings, more whimsical and clever stories continue to weave reality with the absurd until the final, brilliant, wonderful, cataclysmic ending.

Sometimes it's the simple things in life that matter the most. Emma is a small town girl with big dreams. After years of working hard, she thought she finally had it all: a beach house in Malibu, a fiance who is a well-known surgeon, and a climbing career in the newspaper world. Except, when Emma finds Matt in bed with another woman only weeks before their wedding, she takes a giant leap by accepting a promotion on the east coast. While in her travels across the country, Emma crosses paths with the free-spirited, fly by the seat of his pants, Jacob. She's fascinated by him and his outlook on life. When circumstances leave her stranded in a strange city, fate brings Jacob and Emma together again. He takes her on a two day journey into his world where he shows her that money doesn't always buy you happiness. Happiness is there for the taking, all Emma needed to do was know where to look. So, when Matt rides in to the rescue, Emma must decide if her relationship with him is worth saving, or if her chance encounter with Jacob is her tomorrow."

There are three kinds of nerdy women in the world. - The Sexy Nerd - The Confident Nerd; and - The So-Socially-Awkward-it's-Painful-to-Watch Nerd. You can probably guess which one I am. After witnessing me making a fool of myself, Chance Hoffman decided to take pity on me. He's smart, sexy, charming, and totally out of my league... and for some unexplainable reason, he wants to help me. Who am I to say no? Besides, I need all the assistance I can get. There are three things that make a woman irresistible. - Confidence - A Wicked Sense of Humor; and - A Killer Rack. Melany Fitzgerald had none of those things. Or so I thought... until I really got to know her. She's the total package and she doesn't even realize it. Now I'm stuck with the uncomfortable task of helping her land another guy, all the while trying to ignore the fact that I'm starting to fall for her. She thinks she's an ugly duckling and wants to become a swan. All I want is her. And I'm not giving up without a fight.

A text for the non-majors introductory statistics service course. The chapters--including Web site material--can be organized for one or two semester sequences; algebra is the mathematics prerequisite. Web site chapters on quality control, time series, plus business applications regularly throughout the work make it suitable for business statistics courses on some campuses. The text combines lucid and statistically engaging exposition, graphic and poignantly applied examples, realistic exercise settings to take student past the mechanics of introductory-level statistical techniques into the realm of practical data analysis and inference-based problem solving.

Injured in a carriage accident from which Lord Chessyre rescued her, Felicia Brooks was told by her guardian as he lay dying that she had been cheated. His words were incomprehensible to her, but when Lord Chessyre found that Felicia truly was being swindled of her inheritance, he promised to investigate. The elegant world she entered was full of gaiety but hid a great danger for her... Regency Romance by Emily Hendrickson; originally published by Signet
Romance amid politics, an unlikely game played to the fullest.

We have all experienced fortuitous encounters - those moments in our lives - where a person, place or thing caused our lives to change in a more positive direction. This wise book will serve as a great companion to help you stay awake to the fortuitous people, places and things that ultimately shape your days and your life.direction.

“Kaufman illustrates the core idea of being present in the moment and opening oneself up to new ideas in order to become an authentic leader in life.”—Stephen R. Covey, #1 bestselling author of *The 7 Habits of Highly Effective People*
For the busy business executive, the never-ceasing demands associated with work, and life, can place a relentless push and pull on our time and attention. Our world is moving so fast, we are apt to miss much of what is happening “right now.” Kristin S. Kaufman, in her book *Is This Seat Taken?* offers another perspective. Within these pages, Kaufman offers a collection of highly personal stories that illustrate how a wealth of wisdom may come from the most unusual and unlikely sources. The resiliency and clarity found from typically unheard voices speak of universal truths that may often be lost in the shuffle, yet are no less vital to a well-aligned life. *Is This Seat Taken?* offers important lessons that force the typical executive, and indeed all of us, to ponder what it means to truly be present in the now, what we can learn from these incidental encounters, and how these random encounters can become a compass, pointing us on our own road to alignment, fulfillment, and success. “Kristin Kaufman will have you looking at chance encounters with a different perspective after reading this book.”—Gary Kelly, CEO, president, and chairman, Southwest Airlines “This collection of Kristin’s chance encounters may cause you to look at life and every stranger you meet a little differently. Read this book and take its lessons to heart.”—Ken Blanchard, coauthor of *The One Minute Manager*®

"Playing a role-playing game is a delicate dance. If everything runs smoothly, it feels like you and your friends are able to maneuver effortlessly through dramatic, epic, and uproariously silly scenes where everyone gets a chance to shine. And yet, other times it just doesn't come together. Combat slows to a repetitive grind, the Game Master runs out of good Non-Player Character (NPC) ideas, or after twenty-six rounds maybe even the most beautifully designed encounter just gets a bit stale. Sure, you could prep an absolute powerhouse of an all-killer-no filler role-playing session. Spend time getting fun character voices ready for every NPC. But that sounds like way too much work. This is the book you turn to for help. It's a big book of ideas designed to slot right into your existing campaign, organized into neat little tables. If you salivate

at chaos magic effect tables and daydream about wild, unexpected die results, you already know it can also be fun to throw caution to the wind and let randomness determine as much as possible. Even the most organized GMs and the tightest adventure modules benefit from a little spice!"--

Kafka on the Shore displays one of the world's great storytellers at the peak of his powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey. "How We Met" is a collection of true love stories recounting the unique and magical ways that couples have come together. This book also addresses spiritual themes in the familiar context of romantic stories.

Caroline Weber was a normal girl who thought she had her life figured out. After graduating from college in New York, she moved to San Francisco with her boyfriend, Clay. Everything in her life felt perfect. There wasn't anything she would change... ..until she met Jackson Parks. Is it possible that a chance meeting with a stranger can make you question EVERYTHING you thought you wanted? Caroline tries to carry on with her life as if nothing has changed...but the truth is, nothing can ever be the same. Chance Encounters is an emotional love story about trusting and following your heart, even when it's leading you down a difficult path.
