

Chapter 4 Sample Cambridge Igcse Questions With Sample Answers

The only endorsed resources for the Cambridge IGCSE® Enterprise (0454) syllabus. Bringing the world of business into the classroom, this coursebook helps students identify, plan, implement and evaluate their enterprise projects. The book has four sections based around the stages of the project with theory integrated throughout. This helps students relate their practical Enterprise project with the academic principles of business. With a foreword from the specialists at Cambridge Judge Business School, this coursebook helps students appreciate Enterprise skills in the world around them and talk to business people in their communities. Suggested answers to the exam-style questions are in the teacher's resource.

This new resource is written to follow the updated IGSCCE Computer Science syllabus 0478 with examination in June and November 2016. Send students into their exam with the confidence to achieve their maximum potential using step-by-step guidance that helps to practise skills learned and improve exam technique. - Avoid common misconceptions with frequent mistakes highlighted throughout - Build students' skills constructing and writing answers with a range of practice and exam-style questions - Easily identify areas for improvement with the answers in the back of the book - Help students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensure that students maximise their time in the exam with examiner's tips and suggestions on how to approach questions - Contextualise knowledge with authentic case studies This Study and Revision Guide has been updated for the latest syllabus for examination from 2020.
