The ever-evolving nature of accountant and emphasis on professional accountability means that all business professionals need to ensure they are up-to-date with the latest

developments. This latest revision of CIMA's Official Terminology addresses this need defining relevant terms used in today's business environment. Official Terminology clarifies the language of business to CIMA members and other professional accountants and is a useful glossary for CIMA students. It provides insight into current business techniques and practices for academic researchers. All the revisions in this extensively updated edition are based on the experiences of real management accountants, guaranteeing that each term accurately reflects what is happening in today's business world.

BPP Learning Media's Study Text for TOPCIMA will help you pass CIMA's Test of Professional Competence in Management Accounting case study exam. In preparing the Text we have taken note of past papers, questions put to the examiners, the assessment methodology and previous case study exams. The key to the case is to prepare and to practise. Prepare by working through this Study Text before CIMA issues the pre-seen data. Later, practise with the BPP Learning Media TOPCIMA Toolkit that is written around the real pre-seen data. The Toolkit contains analyses and exercises to get you thinking, as well as a number of 'mock' unseen questions to get you ready for the real thing.

Every issue of easyuni is organised in such a way that crucial information is succinctly delivered to you. We are also constantly exploring new mediums to maximise the reach of information to you. That's the main reason easyuni magazine was started; we found that many readers would benefit from this information in this form. We believe this is only logical as we've received an overwhelming response from our readers for the past two issues which has motivated us to bring you even more quality content in subsequent issues. Among the many improvements on easyuni.com is the revamped course recommendation tool – a step closer towards our vision of enhancing students' capacity to make the right decisions about their tertiary education. The new course recommender is aimed at students who are not very certain about what to study, and our intelligent system recommends courses based on the personality and interests of an individual. As for the magazine: we have also listed some of the top universities in Asia that offer the courses covered in this issue along with numerous ways to apply for them. We have what we believe is the best tertiary education advice to help you make better decisions about your future. Every bit of information is helpful in guiding you to reach your higher education goals. We enjoyed getting this magazine out to you, and we believe you'll enjoy reading every page.
