

Chase

Chase isn't just another bounty hunter. As an elemental—or “storm fairy” as they were called in the legends no one believes in anymore—she always has an advantage over her adversaries, even though they are bigger and stronger than she is. Chase has been bringing murderers to justice for a long time, always careful to keep her powers and true identity a secret. Now, things are about to change. A new employer is interested in utilizing her unique skills to bring in a different breed of criminals: elementals like herself. Torn but excited at the prospect, she hopes to use the opportunity to find and get revenge on the person responsible for the death of her parents over a century earlier. But is anything ever that simple? As her world begins to unravel, she is forced to see things from a new perspective, and with that shift comes uncertainty. Will new understanding help heal old wounds? Will revenge free her from her pain or simply perpetuate it? And just what is she prepared to do to find those answers?

Get ready to run . . . an edge-of-your-seat thriller with bite from international bestselling author Linwood Barclay, in his first novel for 9-12 year olds. Chipper is a very special dog. As part of a top-secret, multi-million dollar experiment to create the ultimate canine spy technology, Chipper's whole life has been spent within the walls of a secret organization known only as The Institute. Chipper is supposed to be more machine than mutt, but something's wrong and The Institute knows it. He's about to be terminated. Across the state, twelve-year-old orphan Jeff Conway is working all hours at his aunt Flo's lakeside cabin business. He misses his parents, his old life, and the dog he had to leave behind. When Chipper escapes and his and Jeff's paths collide, dog and boy find themselves tangled up in the most dangerous game of chase imaginable... Winner of the Arthur Ellis award for Best Kid's Crime Novel *Danger*, secrets and thrilling suspense in Linwood Barclay's action-packed first novel for children.

A compelling and innovative television writer, David Chase has created distinctive programs since the 1970s, each reflecting his edgy humor and psychological realism. These critical essays examine Chase's television writings, placing particular emphasis on how his past works have shaped and influenced the cultural phenomenon of HBO's *The Sopranos*, and studying Chase's use of identity, community, and place in defining his on-screen characters. Topics explored include Chase's constructs of the urban L.A. environment in *The Rockford Files*, the portrayal of hybridized American archetypes in *Northern Exposure*, and the interpretation of sexual identity/masculinity in *The Sopranos*. An appendix containing complete episode guides for *The Rockford Files*, *Northern Exposure*, and *The Sopranos* is also included.

Following the death of his beloved mentor, Dr. Robert "Rocket" Richter, American covert operative, Chase Fulton, inherits far more than a life insurance policy. In Richter's belongings, Chase discovers journals that take him back to the final days of World War II and into the skies over Europe, where he learns that his own battles with the demons of his past aren't so different from those of the man he'd admired and loved. The undeniable truths revealed in Richter's final hours send the young American operative on a harrowing, self-imposed mission into the frozen wilds of Northern Europe, and as far as the icy doorstep of the Kremlin, to fulfill unspoken promises, and to save the life of the beautiful Russian spy who almost cost him everything. The treacherous journey finally unveils the mystery of Anya's true identity and brings the two face-to-face in a dramatic reunion that could change both of their lives forever. In the most shocking and unpredictable ending in the Chase Fulton Series so far, Chase's decisions for his future violently collide with his deeds from the past, and leave everything in question.

Simone Bonnaire, a young French woman who lives in Tahoe, has a sadistic boyfriend who abuses her. Simone's only friend is Cynthia Rorvik, an older woman who provides comfort. When Cynthia falls from her deck and ends up in a coma, her 92-year-old, former Olympic ski racer husband Joe Rorvik calls Tahoe Detective Owen McKenna and asks him to investigate. McKenna discovers a string of deaths that look like accidents. But he can find no other connection between them until he learns that all of the victims opposed a new, proposed ski resort development in Tahoe. As McKenna gets closer to a devious killer, he realizes that Simone is to be the next victim. But McKenna can't save her because she has left on a solo ski trek into the Desolation Wilderness, and she is unreachable except by the killer who has been following her and has already begun his final chase...

"Outstanding biography . . . If you never read it, you should. It's an amazing story." --Louisiana Cookin' Leah Lange Chase was raised in a small, country town across Lake Pontchartrain from New Orleans. With the values instilled in her by devoted parents--hard work, faith, and family--she soon grew into a woman to be reckoned with. In her roles as chef of the most popular Creole restaurant in New Orleans, nationally respected patron of the arts, and civic leader, she has influenced the world around her in important ways. Reading her story makes one think, "If she can do it, maybe I can too." After rejecting the usual occupations for respectable Creole girls to work in a restaurant in the French Quarter, Leah married Edgar "Dooky" Chase II and began running the kitchen for her mother-in-law. After her mother-in-law's death, Leah nurtured the former po' boy shop and numbers business into a world-class restaurant. Dooky Chase's was one of a handful of restaurants in the country where African Americans could sit down to a nice meal in well-appointed surroundings. The restaurant was and still is frequented by prominent African American actors, athletes, artists, writers, and musicians. It has also always been a

gathering place for local politicians and activists. Leah Chase has become a living legend for popularizing Creole cuisine, for her political activism, for her tireless work for numerous organizations, and for her extensive art collection. Through it all, she raised four children and survived the sudden loss of the daughter with whom she worked closely and a bombing during the Civil Rights era. What has borne her through it all is perhaps the most compelling aspect of this amazing woman: her faith and her family.

Marking the culmination of this exciting trilogy, the hardcover editions of the #1 New York Times best-selling Magnus Chase and the Gods of Asgard books, THE SWORD OF SUMMER, THE HAMMER OF THOR, and THE SHIP OF THE DEAD, are now available together in a stunning slipcase.

Salmon P. Chase was one of the preeminent men of 19th-century America. A majestic figure, tall and stately, Chase was a leader in the fight to end slavery, a brilliant administrator who as Lincoln's Secretary of the Treasury provided crucial funding for a vastly expensive war, the Chief Justice of the Supreme Court during the turmoil of Reconstruction, and the presiding officer of the impeachment trial of President Andrew Johnson. Yet he was also a complex figure. As John Niven reveals in this magisterial biography, Chase was a paradoxical blend of idealism and ambition. If he stood for the highest moral purposes--the freedom and equality of all mankind--these lofty ideas failed to mask a thirst for power so deeply ingrained in his character that it drove away many who shared his principles, but mistrusted his motives. Niven provides a vivid description of Chase's early years--his childhood in New Hampshire (where his father's failed business venture and early death left the family all but destitute) and in Ohio (where he was sent to live with his uncle Philander, an Episcopal bishop), his education at Dartmouth, and his early law career in Cincinnati. Niven shows how the plight of the slaves stirred this reticent young lawyer, and how Chase gradually moved to the forefront of the antislavery movement. At the same time, we see how he used his growing prominence in the antislavery movement to forward his political ambitions. Niven illuminates Chase's long tenure as a public man. Twice elected United States Senator, twice chosen governor of Ohio (then the third most populous state in the Union), Chase organized the widespread but diffuse anti-slavery movement into a workable political organization, the Free Soil party (whose slogan "Free Soil, Free Labor, Freemen" Chase coined himself). We read of Chase's work in Lincoln's war cabinet and his tenure as Chief Justice of the Supreme Court, and we also follow his many political maneuvers, his attempts to undercut rivals, and his poorly run campaigns for presidential nominations. Niven also provides an intimate portrait of Chase's family life--his loss of three wives and four of his six children, and the unfortunate marriage of his beautiful daughter Kate to a rich but dissolute man--and a vivid picture of life at mid-century. What emerges is a portrait of a tragic figure, whose high qualities of heart and mind and whose many achievements were ultimately tarnished by an often unseemly quest for power. It is a striking look at an eminent statesman as well as a revealing glimpse into political life in 19th-century America, all set against a background of the anti-slavery movement, the Civil War, and the turmoil of Reconstruction.

Three children become involved in a series of adventures when left under the care of a detestable governess in a rural English manor.

NEW YORK TIMES BESTSELLER Janet Evanovich and Lee Goldberg, bestselling authors of The Heist, return in this action-packed, exciting adventure featuring master con artist Nicolas Fox and die-hard FBI agent Kate O'Hare. And this time around, things go from hot to nuclear when government secrets are on the line. Internationally renowned thief and con artist Nicolas Fox is famous for running elaborate and daring scams. His greatest con of all: convincing the FBI to team him up with the only person who has ever caught him, and the only woman to ever capture his attention, Special Agent Kate O'Hare. Together they'll go undercover to swindle and catch the world's most wanted—and untouchable—criminals. Their newest target is Carter Grove, a former White House chief of staff and the ruthless leader of a private security agency. Grove has stolen a rare Chinese artifact from the Smithsonian, a crime that will torpedo U.S. relations with China if it ever becomes public. Nick and Kate must work under the radar—and against the clock—to devise a plan to steal the piece back. Confronting Grove's elite assassins, Nick and Kate rely on the skills of their ragtag crew, including a flamboyant actor, a Geek Squad techie, and a band of AARP-card-carrying mercenaries led by none other than Kate's dad. A daring heist and a deadly chase lead Nick and Kate from Washington, D.C., to Shanghai, from the highlands of Scotland to the underbelly of Montreal. But it'll take more than death threats, trained henchmen, sleepless nights, and the fate of a dynasty's priceless heirloom to outsmart Fox and O'Hare. BONUS: This edition includes an excerpt from Janet Evanovich and Lee Goldberg's The Job. Praise for The Chase "Fast and entertaining . . . new thrills and adventure on every page."—Examiner.com "The action never stops . . . and a humorous tone keeps everything moving at a fun clip."—Associated Press "Great fun, with plenty of twists."—The Sacramento Bee

Chase Fury, the VP of the Savage Kings MC has dealt with his fair share of tragedy over the years. He never wanted the responsibility that comes with being at the head of the table, preferring to leave that to his brother, Torin. But after an unexpected attack on the Kings sends his brothers on a path of vengeance, Chase will have no choice but to take on the burden of being the man in charge. Reporter Sasha Sheridan has steered clear of any and all bad boy bikers wearing the bearded skull for the last ten years. While investigating a story, she suddenly finds herself back in the cross-hairs of the Savage Kings. Uncovering the secrets that the club's president is trying to keep hidden may very well put her life in danger. She may be able to handle the threat, but she can't escape the man who broke her heart. Chase hasn't forgiven himself for hurting Sasha and causing her an unbelievable amount of pain. He still wears her name on his chest, a reminder of the night that he wrecked his bike and everything the two of them had together. Now, with secrets, lies, bloodshed, and violence causing chaos in the club, Chase is determined to use his second chance with Sasha to keep her safe. He never imagined that the best way to do that would be to get her as far away from him and the MC as possible.

Called ". . . the most influential woman in the history of American politics," Senator Margaret Chase Smith always carried with her a strong connection to her roots in Skowhegan, Maine. How did her years and experiences in this community influence her strength of character and lifetime commitment to public service? Author Frank H. Sleeper has searched local archives to bring us rare photographs and new connections between Skowhegan and its famous senator. In this illuminating pictorial history, readers enjoy unique views of Skowhegan, with its historic buildings and riverfront, where Senator Smith spent her first forty years. Her strong convictions and tolerance for dissent, especially apparent in her famous "Declaration of Conscience" speech against Senator Joe McCarthy, may well have come from her background in Skowhegan.

Magnus Chase has seen his share of trouble. Ever since that terrible night two years ago when his mother told him to run, he has lived alone on the streets of Boston, surviving by his wits, staying one step ahead of the police and truant officers. One day, he's tracked down by an uncle he barely knows—a man his mother claimed was dangerous. Uncle Randolph tells him an impossible secret: Magnus is the son of a Norse god. The Viking myths are true. The gods of Asgard are preparing for war. Trolls, giants, and worse monsters are stirring for doomsday. To prevent Ragnarok, Magnus must search the Nine Worlds for a weapon that has been lost for thousands of years. When an attack by fire giants forces him to choose between his own safety and the lives of hundreds of innocents, Magnus makes a fatal decision. Sometimes, the only way to start a new life is to die . . .
