

## Chela And The Path Keys To Soul Mastery In Aquarian Age

"The Chela and the Path contains personal instruction from the master El Morya for all spiritual seekers and chelas (students of a spiritual teacher). As El Morya Khan at the conclusion of the nineteenth century, he is known for his efforts in founding the Theosophical Society with the adept Koot Hoomi and for his far-reaching work in bringing together the ancient spiritual truths of the East with the traditions of the West. El Morya's instruction came in part in the form of personal letters addressed to a handful of disciples of the "Mahatma of the Himavat." Those letters are now on file with the British Museum in London. Now, with the incomparable skill of a Zen master, El Morya teaches us in The Chela and the Path to see beneath the surface of daily life and the ego of the lesser self to become who we really are. He calls us to "experience life with the faculties of the soul" as we learn and practice the keys to self-mastery on the spiritual path. A foundational work for all who aspire to a higher level of consciousness and spirituality."

Morya is an anthology of teachings of the renowned Tibetan mahatma, El Morya, given to Mark and Elizabeth Prophet. What makes the life of El Morya so notable is his far-reaching work in merging the ancient spiritual truths of the East with the traditions of the West. He founded the Theosophical Society with the adept Koot Hoomi in 1875 and certain of his writings are now on file with the British Museum in London. In Morya we experience the strength--and tenderness--of one of the most outstanding spiritual adepts of our time.

Man has long dreamed of visiting the legendary Shamballa and the spiritual enclaves of the lost continents of Lemuria and Atlantis. When darkness fell on the earth, the ancient temples were hidden from the outer world or withdrawn to the etheric plane. The Aquarian age brings new opportunity to those who would enter the temples and retreats of the masters.

"In science fiction there is only a handful of books that stretch the mind—and this is one of them."—Arthur C. Clarke In a moving story of sacrifice and triumph, human scientists establish a relationship with intelligent lifeforms—the cheela—living on Dragon's Egg, a neutron star where one Earth hour is equivalent to hundreds of their years. The cheela culturally evolve from savagery to the discovery of science, and for a brief time, men are their diligent teachers. Praise for Dragon's Egg "Bob Forward writes in the tradition of Hal Clement's Mission of Gravity and carries it a giant step (how else?) forward."—Isaac Asimov "Dragon's Egg is superb. I couldn't have written it; it required too much real physics."—Larry Niven "This is one for the real science-fiction fan."—Frank Herbert "Robert L. Forward tells a good story and asks a profound question. If we run into a race of creatures who live a hundred years while we live an hour, what can they say to us or we to them?"—Freeman J. Dyson "Forward has impeccable scientific credentials, and . . . big, original, speculative ideas."—The Washington Post

In this book, Hope, Help, Healing with Archangel Raphael and The Angels, many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future. Planet Earth and the individuals living on it need to know about Angels, Archangels, Spirit Guides, and Ascended Masters in order to avail themselves of all the helpful, hopeful, healing, protecting and guiding ways they have given in the past and about how all these offerings can be utilized now. The authors intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again. This book has come forth at this time to offer words of hope, help, and healing to a world in its transformational period!

"The Path to Your Ascension will empower you to focus on what's really important in life. It will help you rediscover what your soul has known from the beginning—that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping-stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and "ascended" to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father, and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how we, too, can master the circumstances of our life and walk the path home to God. The Path to Your Ascension shapes the wisdom of these ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down-to-earth terms, sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home. "

"No spiritual journey is complete without a road map and an expert guide. Book 3 in the Sacred Adventure series provides just that—detailed advice from the ascended masters for anyone who would like to follow in their footsteps and reach the pinnacle of self-mastery on one of the seven rays, or paths, of the divine consciousness. You will learn what is important to the ascended masters and how to work with these mentors of the spirit in chapters on the science of wholeness, the light of the divine mother, the creative power of music, the power of love in action, the joy of divine purity, the mysteries of elemental life (nature spirits), the gift of divine freedom, and the path of personal Christhood."

Elizabeth Clare Prophet on "The Soul of Mary in Heaven," the text of Mother Mary's Rosaries for Monday through Friday evenings, and 28 wonderful messages from the heart of Mother Mary.

This landmark of metaphysical literature explores topics important to every spiritual seeker—the destiny of the soul, the difference between soul and Spirit, the role of the Christ, how to contact the Higher Self and the spark of God within the heart, and the role of nature spirits in planetary ecology.

"The physical world in which we live represents only a small slice of a broad spectrum of being—from the realm of the humblest nature spirits to that of the most exalted archangels and cosmic beings. This second book in the Sacred Adventure series describes the presence of masterful spiritual beings just beyond the veil. Learn from them how to embody the divine qualities of power, wisdom and love as you explore the hidden dimensions of life in chapters on our teeming cosmos, the strength of divine will, soul travel, the brilliance of divine wisdom, the angelic kingdom, the comfort of divine love, and the threefold flame in the heart."

Elizabeth Clare Prophet examines controversial questions being asked today: What was Jesus' relationship with Mary Magdalene? Who is the Divine Mother? Is God only male? Mary Magdalene and the Divine Feminine explores the archetypal role of the Divine Feminine in Eastern and Western spirituality and helps to clarify the position of Mary Magdalene. Early Church leaders denied Jesus' message on reverence for Woman and on the inner feminine potential of both man and woman. As a result, his teaching was lost for 2,000 years and only recently rediscovered in ancient texts. Includes 55 black and white illustrations, 2 maps and 12 questions for discussion.

Wisdom on the Path of Enlightenment Chela is Sanskrit for "disciple" of a spiritual teacher, or guru. The guru-chela relationship is far more than that of ordinary teacher and pupil, since it involves a profoundly spiritual interrelationship. Now, in this new volume, William Wilson Quinn has compiled and organized selections from several extraordinary gurus—primarily of India and Tibet—who were highly advanced and authentic spiritual teachers. Their advice focuses on chelaship—of how to become, and remain, a chela of one of their qualified successors. Distilled to its essence, and borrowing from their words, this handbook succinctly offers a guide to cultivating the chela's inner qualities and virtues, as well as his or her outer behaviors. These inner qualities include, among others, open mindedness, purity of heart, an eager intellect, a sense of duty to the spiritual teacher, and a willing obedience to the behests of Truth. For the chela, these inner pursuits are effective only when matched with corresponding outer behaviors such as loving kindness toward others, selflessness, and a genuine compassion and charity for all who suffer. For seekers of spiritual truth and students of the perennial philosophy wanting to explore spiritual wisdom at depth, The Chela's Handbook offers a guide for becoming and remaining a chela, and thereafter traversing the spiritual path toward the ultimate goals of enlightenment and liberation from the wheel of death and rebirth.

In The Path of the Universal Christ, the authors of the bestselling Lost Years of Jesus and The Lost Teachings of Jesus series recapture the heart of the Master's message—that we, like Jesus, are meant to realize our own innate divinity, that we are destined to become one with our own Higher Self. Church fathers suppressed Jesus' original teaching on the Christ within. But today, Mark and Elizabeth Prophet reveal our inner identity and the true goal of our life on earth.

"The great lights who have come out of all the world's spiritual traditions and graduated from earth's schoolroom have become

widely known as masters. They demonstrate that in the world of Spirit, there is no division of race, religion or philosophy—there is simply oneness, ineffable sweetness and love. What is not so widely known is that these great masters have retreats—temples and cities of light in the heaven world—where we can go in spiritual meditation and while our bodies sleep at night. In this comprehensive work, Mark and Elizabeth Prophet talk about these great masters, the stories of their lives and their magnificent spiritual retreats."

"Who is Christ? Who is Antichrist? Both are present in the world as well as within ourselves. How do we tell them apart, especially when the strategies of Antichrist are subtle and calculated to deceive? The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life, to be or not to be who we really are. This is a choice we affirm with each decision, large or small, that we make in life. The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self-mastery. They offer new interpretations of the age-old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life."

"Is it really possible to predict your future? As we look at the universe around us, we see a rhythm to all of life. We discover that all things move in cycles. The law of cycles governs both the spiritual and material universes, for our world is a reflection of the world beyond, of higher realms, of spiritual dimensions. In this groundbreaking work, Elizabeth Clare Prophet shows how you can apply the law of cycles to your own life through a science known as the Cosmic Clock. This science will help you chart the cycles of your karma, the cause-and-effect sequences in your life, just as it will allow you to map the inner dimensions of your dharma, your duty to fulfill your reason for being. This is not predestination. But you can, by charting your personal Cosmic Clock, learn to see the patterns in your life and prepare for the challenges and the opportunities that come your way each day. Equipped with the powerful tools and techniques revealed in this book, you can make the most of your future and be the master of your fate, your cycles, your destiny. Includes 60 figures and illustrations, many in color."

A great sage once said, "Little keys unlock the biggest doors." For the serious student on the spiritual path, this book contains keys that can unlock many doors. They are drawn from episodes in the life of Annice Booth, who for more than forty years has been a student of Mark Prophet and Elizabeth Clare Prophet. Annice is a true mystic. She occasionally had transcendent spiritual experiences, and she was sometimes more in the etheric plane than the physical. Yet she knew that this was a lifetime to be in the world, and to work. Her stories--sometimes funny, often surprising--illustrate some unexpected truths about the spiritual path. They show the tests and initiations that come to anyone who would pursue higher consciousness.
