

Chilcott A Little Jazz Mass Programme Notes

Original jazz solos designed to introduce students to the rhythmic, harmonic and melodic elements of jazz style. Book 1 contains eight solos at the late elementary level while Book 2 includes seven solos for the early intermediate level pianist. Portions of this stunning setting of the Mass are already well-known. Using the previously composed Kyrie, Festival Sanctus and Agnus Dei as pivotal points, John's powerful settings of the Gloria and Credo round out the Mass setting with strength and dignity. A wonderful addition to any school or church library. Perform with piano accompaniment or chamber orchestra.

This collection is filled with songs that tell of the pleasures and pains of love, the patterns of the countryside and the lives of ordinary people. Here are unfaithful soldiers, ghostly lovers, whalers on stormy seas, cuckolds and tricksters. By turns funny, plain-speaking and melancholic, these songs evoke a lost world and, with their melodies provided, record a vital musical tradition. Generations of inhabitants have helped shape the English countryside - but it has profoundly shaped us too. It has provoked a huge variety of responses from artists, writers, musicians and people who live and work on the land - as well as those who are travelling through it. English Journeys celebrates this long tradition with a series of twenty books on all aspects of the countryside, from stargazey pie and country churches, to man's relationship with nature and songs celebrating the patterns of the countryside (as well as ghosts and love-struck soldiers).

Suitable for SATB accompanied and unaccompanied, this title contains music from England's most important church composers with German as well as English or Latin texts. It offers the best of nearly five centuries of English church music. It includes 56 anthems, hymns, services, and psalms that cover various occasions in the church year.

Wolfgang Amadeus Mozart's popular serenade for strings arranged for one piano, four hands.

Choral Repertoire is the definitive and comprehensive one-volume presentation of the canon of the Western choral tradition. Designed for practicing conductors and directors, students and teachers of choral music, amateur and professional singers, scholars, and interested vocal enthusiasts, it is an account of the complete choral output of the most significant composers of this genre throughout history. Organized by era (Medieval, Renaissance, Baroque, Classical, Romantic, and Modern), Choral Repertoire covers general characteristics of each historical era; trends and styles unique to various countries; biographical sketches of over 500 composers; and performance annotations of more than 5,000 individual works. This book will be an essential guide to programming, a reference tool for program notes and other research, and, most importantly, a key resource for conductors, instructors, scholars, and students of choral music.

Here is an excerpt of what The Good Opera Guide has to say about Cilea & rsquo;s Adriana Lecouvreur : & ldquo;The one about the star of stage and screen whose rival sends her a bouquet of poison gas violets. She sniffs it: snuffs it. & rdquo; The Good Opera Guide is not only for regular operagoers but also for people who are new to the world of opera, or indeed people who want to bluff their way through a performance! It is written with humor and is entertaining as well as informative. Where else would you find a & ldquo;dagger count & rdquo; for La Gioconda, and have Hansel and Gretel categorized as a & ldquo;Gingerbread Opera & rdquo;? From Adriana Lecouvreur to Mozart & rsquo;s Die Zauberfl & ouml;te, for each opera, Sir Denis details the plot and cast of characters, awarding stars to parts that are & ldquo;worth looking out for, & rdquo; & ldquo;really good, & rdquo; or, occasionally, & ldquo;stunning. & rdquo; He goes on to tell the history of each opera and its early reception. Finally, each work is graded from alpha to gamma, and Sir Denis has no qualms about voicing his opinion. The guide also presents brief biographies of the great composers, conductors, and singers. A glossary of musical terms is included, as well as & ldquo;Operatica, & rdquo; or the essential elements of opera, from the proper place and style of the audience & rsquo;s applause (and boos) to the use of subtitles. & ldquo;The first guide to take the sensible decision of separating comments on the music (serious and helpful) from descriptions of the plot (invariably flippant and often funny). & rdquo; & mdash; The Sunday Telegraph Sir Denis Forman (1917 & ndash;2013) was for many years chairman and chief executive of Granada Television. He was also deputy chairman of the Royal Opera House for nine years. Other works include The Good Wagner Guide.

Today, jazz history is dominated by iconic figures who have taken on an almost God-like status. From Satchmo to Duke, Bird to Trane, these legendary jazzmen form the backbone of the jazz tradition. Jazz icons not only provide musicians and audiences with figureheads to revere but have also come to stand for a number of values and beliefs that shape our view of the music itself. Jazz Icons explores the growing significance of icons in jazz and discusses the reasons why the music's history is increasingly dependent on the legacies of 'great men'. Using a series of individual case studies, Whyton

examines the influence of jazz icons through different forms of historical mediation, including the recording, language, image and myth. The book encourages readers to take a fresh look at their relationship with iconic figures of the past and challenges many of the dominant narratives in jazz today.

Jazz-a-Little, Jazz-a-Lot, Book 1 Alfred Music

A prize possession of the Belwin Mills catalog, these thirteen pieces are from the Russian 'Combined Prayer Service' or 'All Night Vigil.' For sacred or secular forces, the subtle intricacies, imposing climaxes, and dramatic contrast will call out the best of which conductor and chorus are capable.

Suitable for SSAA and piano, this work is No 3 of Three Birthday Madrigals suitable for upper voices.

This is a superbly entertaining overview of the Church of England over the last fifty years. The image of Sung Evensong may seem timeless, but the patterns of Anglican worship have changed continuously. Beginning with the great Victorian modernisers who stamped their taste on music as much as church buildings, we are taken on a memorable and entertaining musical tour that takes in: the impact of the Wesleys, the publication of "Hymns Ancient & Modern", the great organ builders, Willis and Walker, Vaughan Williams and the "English Hymnal", the Royal School of Church Music, The hymn writing explosion and the electronic age. All this and more presented here in Trevor's inimitable and sharply observant style.

Suitable for two 3-part upper-voice choirs, flute obbligato, and piano.

for SATB with optional double bass and optional piano These pieces may be performed individually or as a five-movement suite. Numbers 1, 4, and 5 are also published for upper voices and keyboard as Three Birthday Madrigals. The music captures the varied moods of the words with their rapture, sorrow, humour, and vitality in a way which makes these classic madrigal texts come alive for contemporary audiences.

Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.

Der liturgische Teil des Jahrbuchs wird mit einem Beitrag zur neuen evangelischen Revision der Lese- und Predigtperikopen und ihren liturgischen Implikationen eröffnet. Dazu werden 10 Thesen aufgestellt. Ein anderer Artikel befasst sich mit dem Verhältnis von Verkündigung und Liturgie unter kontroverstheologischen und ökumenischen Aspekten und erörtert die Frage, welchen Sinn gottesdienstliche Feiern in der Moderne haben können. Aus Anlass der Reformationsfeierlichkeiten wird der ökumenischen Buß- und Versöhnungsgottesdienstes, der im März 2017 in Hildesheim gefeiert wurde, beschrieben und gewertet. Im hymnologischen Teil geht es zunächst grundsätzlich um die Relevanz von Rezeptionsforschung in der Hymnologie, dann ganz aktuell um die Entstehung des Wochenliedplanes, der zum Kirchenjahr 2018/2019 in der EKD eingeführt wird, drittens klassisch um Hans von Lehdorffs Lied „Komm in unsre stolze Welt“ und schließlich ganz praktisch um digitale Quellenerschließung anhand einer Sammlung Anglikanischer

Gesänge. Literaturberichte zur Liturgik und Hymnologie sowie Register zu Liedern und Personennamen runden das Jahrbuch wie üblich ab.

Following the success of "My First Classical Music Book," author Genevieve Helsby and illustrator Jason Chapman return with "My First Piano Book." Bursting with life and humor, this is a uniquely comprehensive introduction to the piano, designed first and foremost to inspire. Text and illustrations are so perfectly in tune with each other that every page is a treat to explore. With a cast of animal characters showing what they know (and what they don't!), this truly is both informative and great fun. Book and two CDs, with online music, and narration. Part 1: "Why is the Piano So Special?" How the piano works and sounds. 23 music tracks including: Bach - Prelude in C; Mozart - Piano Concerto No. 21; Joplin - The Entertainer; Debussy - Clair de lune; Faure - Berceuse; John Cage - Perilous Night No. 6; Satie - Gymnopedie No. 1 Part 2: "How Do I Play It?" A clear introduction to playing the piano. Play along with 12 specially written pieces with "Guide Me" narration option.

This gently moving, lyrical selection features the traditional Latin text and works effectively in both school and church settings. The flute adds warmth and color to this fine introduction to contrapuntal singing for developing choirs. for children's choir, mixed choir and orchestra or tubular bells and organ A dark and beautiful, yet also extremely approachable, work in three movements. The first two are darker in character: evening hymns that ask for protection and comfort through the night. The music lightens for the final hymn, a song for the morning that looks forward to a new beginning.

A complete biographical reference work covering all aspects of the classical music world.
