**Chimes at Midnight** Seanan McGuire,2013-09-03 New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • Top of my urban-paranormal series list! —Felicia Day Things are starting to look up for October Toby Daye. She's training her squire, doing her job, and has finally allowed herself to grow closer to the local King of Cats. It seems like her life may finally be settling down...at least until dead changelings start appearing in the alleys of San Francisco, killed by an overdose of goblin fruit. Toby's efforts to take the problem to the Queen of the Mists are met with harsh reprisals, leaving her under sentence of exile from her home and everyone she loves. Now Toby must find a way to reverse the Queens decree, get the goblin fruit off the streets--and, oh, yes, save her own life. And then there's the question of the Queen herself, who seems increasingly unlikely to have a valid claim to the throne...To find the answers, October and her friends will have to travel from the legendary Library of Stars into the hidden depths of the Kingdom of the Mists--and they'll have to do it fast, because time is running out.

*An Artificial Night* Seanan McGuire,2010-09-07 New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • Top of my urban-paranormal series list! —Felicia Day Changeling knight in the court of the Duke of

Shadowed Hills, October Toby Daye has survived numerous challenges that would destroy fae and mortal alike. Now Toby must take on a nightmarish new assignment. Someone is stealing both fae and mortal children—and all signs point to Blind Michael. When the young son of Toby's closest friends is snatched from their Northern California home, Toby has no choice but to track the villains down, even when there are only three magical roads by which to reach Blind Michael's realm—home of the legendary Wild Hunt—and no road may be taken more than once. If she cannot escape with all the children before the candle that guides and protects her burns away, Toby herself will fall prey to Blind Michael's inescapable power. And it doesn't bode well for the success of her mission that her own personal Fetch, May Daye—the harbinger of Toby's own death—has suddenly turned up on her doorstep...

**A Local Habitation** Seanan McGuire,2010-03-02 New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • Top of my urban-paranormal series list! —Felicia Day October Toby Daye is a changeling, the daughter of Amandine of the fae and a mortal man. Like her mother, she is gifted in blood magic, able to read what has happened to a person through a mere taste of blood. Toby is the only changeling who has earned knighthood, and she re-earns that position every day, undertaking assignments for her liege, Sylvester, the Duke of the Shadowed Hills. Now Sylvester has asked her to go to the County of Tamed Lightning—otherwise known as Fremont, CA—to make sure that all is well with his niece, Countess January O'Leary, whom he has not been able to contact. It seems like a simple enough assignment—but when dealing with the realm of Faerie nothing is ever as simple as it seems. Toby soon discovers that someone has begun murdering people close to January, whose domain is a buffer between Sylvester's realm and a scheming rival duchy. If Toby can't find the killer soon, she may well become the next victim.

When Sorrows Come Seanan McGuire,2022-08-02 Toby's getting married! Now in paperback, the fifteenth novel of the Hugo-nominated, New York Times-bestselling October Daye urban fantasy series. It's hard to be a hero. There's always something needing October Toby Daye's attention, and her own desires tend to fall by the wayside in favor of solving the Kingdom's problems. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things... ...except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the other? Includes an all-new bonus novella!

*A Killing Frost* Seanan McGuire,2021-09-07 October Daye finds herself confronted with her family's past and responsible for peace in the Kingdom of the Mists, as she plans for her wedding and for her future.

*The Unkindest Tide* Seanan McGuire, 2020-08-25 Now in mass market, the thirteenth novel of the Hugo-nominated, New York Times-bestselling Toby Daye urban fantasy series! Hundreds of years ago, the Selkies made a deal with the sea witch: they would have the sea for as long as she allowed it, and when the time came, she would call in all their debts at once. Many people assumed that day would never come. Those people were wrong. When the Luidaeg--October Toby Daye's oldest and most dangerous ally--tells her the time has come for the Selkies to fulfill their side of the bargain, and that Toby must be a part of the process, Toby can't refuse. Literally. The Selkies aren't the only ones in debt to the Luidaeg, and Toby has to pay what she owes like anyone else. They will travel to the fabled Duchy of Ships and call a convocation of the Selkies, telling them to come and meet the Luidaeg's price...or face the consequences. Of course, nothing is that simple. When Dianda Lorden's brother appears to arrest Dianda for treason against the Undersea, when a Selkie woman is stripped of her skin and then murdered, when everything is falling apart, that's when Toby will have to answer the real question of the hour. Is she going to sink? Or is she going to swim?

**The Brightest Fell** Seanan McGuire, 2017-09-05 When her mother, Amandine the Liar, forces her to search for her missing sister August, Toby must consult with the man who ruined her mortal life.

**Once Broken Faith (Toby Daye Book 10)** Seanan McGuire, 2016-09-01 'Top of my urban-paranormal series list!' Felicia Day, author of *You're Never Weird on the Internet* Politics have never been Toby Daye's strong suit. When she traveled to the Kingdom of Silences to prevent them from going to war with her home, the Kingdom of the Mists, she wasn't expecting to return with a cure for elf-shot and a whole new set of political headaches. Now the events she unwittingly set in motion could change the balance of modern Faerie forever, and she has been ordered to appear before a historic convocation of monarchs, hosted by Queen Windermere in the Mists and overseen by the High King and Queen themselves. Naturally, things have barely gotten underway when the first dead body shows up. As the only changeling in attendance, Toby is already the target of suspicion and hostility. Now she needs to find a killer before they can strike again - and with the doors locked to keep the guilty from escaping, no one is safe. As danger draws ever closer to her allies and the people she loves best, Toby will have to race against time to prevent the total political destabilization of the West Coast and to get the convocation back on track . . . and if she fails, the cure for elf-shot may be buried forever, along with the victims she was too slow to save.

*A Red-Rose Chain (Toby Daye Book 9)* Seanan McGuire, 2016-07-07 Things are looking up. For the first time in what feels like years, Toby Daye has been able to pause long enough to take a breath and look at her life - and she likes what she sees. She has friends. She has allies. She has a squire to train and a King of Cats to love, and maybe, just maybe, she can let her guard down for a change. Or not. When Queen Windermere's seneschal is elf-shot and thrown into an enchanted sleep by agents from the neighboring Kingdom of Silences, Toby finds herself in a role she never expected to play: that of a diplomat. She must travel to Portland, Oregon, to convince King Rhys of Silences not to go to war against the Mists. But nothing is that

simple, and what October finds in Silences is worse than she would ever have imagined. How far will Toby go when lives are on the line, and when allies both old and new are threatened by a force she had never expected to face again? How much is October willing to give up, and how much is she willing to change? In Faerie, what's past is never really gone. It's just waiting for an opportunity to pounce.

*Late Eclipses* Seanan McGuire, 2011-03-01 New York Times-bestselling October Daye series • Hugo Award-winning author Seanan McGuire • Top of my urban-paranormal series list! —Felicia Day October Toby Daye, changeling knight in the service of Duke Sylvester Torquill, finds the delicate balance of her life shattered when she learns that an old friend is in dire trouble. Lily, Lady of the Tea Gardens, has been struck down by a mysterious, seemingly impossible illness, leaving her fiefdom undefended. Struggling to find a way to save Lily and her subjects, Toby must confront her own past as an enemy she thought was gone forever raises her head once more: Oleander de Merelands, one of the two people responsible for her fourteen-year exile. Time is growing short and the stakes are getting higher, for the Queen of the Mists has her own agenda. With everything on the line, Toby will have to take the ultimate risk to save herself and the people she loves most—because if she can't find the missing pieces of the puzzle in time, Toby will be forced to make the one choice she never thought she'd have to face again...

**Be the Serpent** Seanan McGuire, 2022-08-30 Trying to enjoy married life, October Daye discovers that an old friend and ally is really an enemy in disguise and must battle for her life and community--

Ashes of Honor (Toby Daye Book 6) Seanan McGuire, 2015-05-05 The sixth instalment of the highly praised Toby Daye series. It's been almost a year since October 'Toby' Daye averted a war, gave up a county, and suffered personal losses that have left her wishing for a good day's sleep. She's tried to focus on her responsibilities, but she can't help feeling like her world is crumbling around her - and her increasingly reckless behaviour is beginning to worry even her staunchest supporters. To make matters worse, Toby's just been asked to find another missing child...only this time it's the changeling daughter of her fellow knight, Etienne. Chelsea is the kind of changeling the old stories warn about: the ones with all the strength and none of the control. She's opening doors that were never meant to be opened, releasing dangers that were sealed away centuries before - and there's a good chance she could destroy Faerie if she isn't stopped. Now Toby must find Chelsea before time runs out, racing against an unknown deadline and through unknown worlds as she and her allies try to avert disaster. Toby thought the last year was bad. She has no idea.

Rosemary and Rue (Toby Daye Book 1) Seanan McGuire, 2015-04-02 The first instalment of the highly praised Toby Daye series. The world of Faerie never disappeared; it merely went into hiding, continuing to exist parallel to our own. Secrecy is the key to Faerie's survival: but no secret can be kept forever, and when the fae and mortal worlds collide, changelings are born. Outsiders from birth, these children spend their lives fighting for the respect of their immortal relations. Or in the case

of October 'Toby' Daye, rejecting the fae completely. Toby has retreated into a 'normal' life - spending her nights stocking shelves at a San Francisco grocery store and her days asleep in her downtown apartment. But when Countess Evening Winterroseis murdered, Toby finds herself drawn abruptly back into the world she thought she'd left behind. It's going to take everything she's got just to stay alive, and the stakes are higher than anyone has guessed . . .

*On a Red Station, Drifting* Aliette de Bodard,2024-07-29 A new edition of the Hugo, Nebula and Locus Awards novella finalist, from the author of the acclaimed *Dragons and Blades* series, and set in the same universe as the Clarke Award finalist *The Red Scholar's Wake*... For generations Prosper Station has thrived under the guidance of its Honoured Ancestress: born of a human womb, the station's artificial intelligence has offered guidance and protection to its human relatives. But war has come to the Dai Viet Empire. Prosper's brightest minds have been called away to defend the Emperor; and a flood of disorientated refugees strain the station's resources. As deprivations cause the station's ordinary life to unravel, uncovering old grudges and tearing apart the decimated family, Station Mistress Quyen and the Honoured Ancestress struggle to keep their relatives united and safe. What Quyen does not know is that the Honoured Ancestress herself is faltering, her mind eaten away by a disease that seems to have no cure; and that the future of the station itself might hang in the balance... Praise for *On a Red Station, Drifting* and Aliette de Bodard: "Riven with tension... emotional and social... *One Salt Sea (Toby Daye Book 5)* Seanan McGuire,2015-05-05 The fifth instalment of the highly praised Toby Daye series. October 'Toby' Daye is finally doing all right - and inevitably that means it's time for things to take a turn for the worse. Someone has kidnapped the sons of the Duke and Duchess of the Undersea Duchy of Saltmist. To prevent a war between land and sea, Toby must not only find the missing boys, but also prove that the Queen of the Mists was not behind their abduction. But someone is determined to stop her. From the streets of San Francisco to the lands beneath the waves, Toby will need all her guiles and the help of her allies if she wants to make it through this in one piece.
