

## Chitra

The world saw him as the son of a lowly charioteer, but Karna had the bearing of a prince. With his skill as a warrior, he could have re-written the tale of the Mahabharata. Fate, however, had other plans. This haunting tale of passion and loyalty presents the other side of the war, and a hero as shining as the sun.

The story book talks about Rabindranath Tagore, who rejected formal education and yet began a world-famous university. His poems were mocked for their colloquial language but they were adopted as anthems by two countries. Bengali society despaired of him until he was awarded the coveted Nobel Prize for Literature and a knighthood! Know more about this multi-faceted personality and get inspired.

Chiefly maps and plans by French cartographers.

"Divakaruni is a brilliant storyteller; she illuminates the world with her artistry; and shakes the reader with her love." --Junot Diaz Late afternoon sun sneaks through the windows of a passport and visa office in an unnamed American city. Most customers and even most office workers have come and gone, but nine people remain. A punky teenager with an unexpected gift. An upper-class Caucasian couple whose relationship is disintegrating. A young Muslim-American man struggling with the fallout of 9/11. A graduate student haunted by a question about love. An African-American ex-soldier searching for redemption. A Chinese grandmother with a secret past. And two visa office workers on the verge of an adulterous affair. When an earthquake rips through the afternoon lull, trapping these nine characters together, their focus first jolts to their collective struggle to survive. There's little food. The office begins to flood. Then, at a moment when the psychological and emotional stress seems nearly too much for them to bear, the young graduate student suggests that each tell a personal tale, "one amazing thing" from their lives, which they have never told anyone before. And as their surprising stories of romance, marriage, family, political upheaval, and self-discovery unfold against the urgency of their life-or-death circumstances, the novel proves the transcendent power of stories and the meaningfulness of human expression itself. From Chitra Divakaruni, author of such finely wrought, bestselling novels as *Sister of My Heart*, *The Palace of Illusions*, and *The Mistress of Spices*, comes her most compelling and transporting story to date. *One Amazing Thing* is a passionate creation about survival--and about the reasons to survive. Praise for *One Amazing Thing* "The plot of Chitra Banerjee Divakaruni's new novel could be ripped from the horrifying headlines about Haiti in a strange case of art imitating life. ...*One Amazing Thing*, which was written well before the Haiti earthquake, is receiving high praise." --USA Today "The appeal of these life stories, like that of Chaucer's *Canterbury Tales*, is that they throw the spotlight onto varied lives, each with its own joys and miseries. Together, the stories show how easy it is to divert young lives into unforeseen and restrictive channels, and how hard it is for people to realize their early dreams. Their shared experiences and fears form the frame that holds together this compendium of short stories into an absorbing novel. ...At the end of her novel, her readers are fully engaged in what will happen to those nine people." --Washington Post "Hauntingly beautiful. ...*One Amazing Thing* is a page-turner with high drama, elegant writing, and lots of helpful tips for teamwork in a crisis." --Houston Chronicle "Her fiction is so intimate that it often seems as if cultural context is irrelevant. Her character's dreams and disappointments are paramount... The karmic energy of *One Amazing Thing* revolves around Divakaruni's gifts as a novelist." --Seattle Times "Masterful storyteller Chitra Banerjee Divakaruni examines such stories in an apropos novel for our times. Her suspenseful tale of nine souls who suddenly don't know if they will live or die is a tribute -- on many levels -- to hope and survival. But it is also, most successfully, a ringing rebuke to rushes to judgment. It's an adult, literary version of *The Breakfast Club*, with dire circumstances. 'Hell is other people,' Uma thinks as she looks at one of her fellow distraught victims. But redemption can be other

people, too, Uma and the others soon understand. One more amazing thing we've learned from Divakaruni." --Miami Herald "Divakaruni portrays in beautiful prose, haunting characters, and a luminously and ominously developed plot, the universal and individual qualities of the search for meaning in life, as well as the search's timelessness. We see the parallel as soon as Uma does: as in *The Canterbury Tales*, where Chaucer's characters are pilgrims to a holy site, the visa applicants are also pilgrims, on their way to India. Divakaruni is a beautiful writer, using words as lithely and effortlessly as breathing, and while she breathes, she sings."

--Huffington Post "One Amazing Thing collapses the walls dividing characters and cultures; what endures is a chorus of voices in one single room." --Jhumpa Lahiri, author of *Interpreter of Maladies* and *The Namesake* "I was up very late. I read straight through because this is the sort of book that pulls you along. Divakaruni is so adept with her characterizations...I wanted to be in any of the beauty salons described so lovingly. I wanted to eat the bits of food described with such delicacy." --Louise Erdrich, author of *Love Medicine* and *A Plague of Doves*, from her blog at [birchbarkbooks.com](http://birchbarkbooks.com) "Ingeniously conceived and intelligently written, this novel is a fable for our time. The characters, troubled or shattered by their past, vibrate with life whenever they begin to speak. The book is a fun read from the first page to the last." --Ha Jin, author of *A Free Life* and the National Book Award-winning *Waiting* "Chitra Divakaruni understands the power of stories to heal us, make us laugh, and comfort us in the most difficult of circumstances. *One Amazing Thing* is one powerful and beautifully written book. I loved it, and I'm sure that readers everywhere will embrace it too." --Lisa See, author of *Shanghai Girls* Praise for Chitra Divakaruni "[Her] sentences dazzle; the images she creates are masterful." --The Los Angeles Times "Divakaruni beautifully blends the chills of reality with the rich imaginings of fairy tale." --The Wall Street Journal "Authentic and complex . . . Sophisticated and compassionate . . . Moving . . . [It is] a vision of what it means to be human, and in that resonance lies this collection's triumph." --The Washington Post "Divakaruni's stories will touch everyone who reads them . . . It is her gift of language and her ability to cast sentences of exquisite beauty that make her such a high-performance writer." --USA Today

A cookbook focused on the celebrated vegetarian fare of South India. This particular style of Indian home cooking, often called the 'yoga diet,' is light and fresh, yet satisfying and rich in bold and complex flavors. Grains, legumes, fresh produce, coconut, and yogurt, along with herbs, citrus, chiles, and spices, form the cornerstone of this delectable cuisine, rooted in vegetarian customs and honed over centuries for optimum taste and nutrition.

Panchaali, wife of the five legendary Pandavas brothers, offers her own version of the ancient Indian epic, *The Mahabharat*, as she chronicles the story of her magical birth, the problems of dealing with five husbands who have been cheated out of their birthright, the trials she endures, her friendship with Krishna, and her attraction to her husband's enemy. Reprint. 30,000 first printing.

This book is a compilation of the pdf files of all the 73 videos on Group Theory published in the YouTube channel 'Chemistry Learning Simplified' Link to the Channel: <https://www.youtube.com/c/ChitraThomas> About the YouTube channel: CHEMISTRY LEARNING SIMPLIFIED is a Channel which helps science students of the world to learn abstract and difficult concepts in chemistry with ease. There are three series of videos in this channel 1. GROUP THEORY AND CHEMISTRY (Completed series with 73 videos) 2. QUANTUM CHEMISTRY

tyrannical king decrees that anyone who wants a favour from him, has to play chess with him. Sitting near by will be the king's cat, with seven lamps balanced on her tail. If she moves and even a drop of oil is spilt, the king will do as his opponent wants. But if the cat remains still, the person will become the king's slave! The hilarious adventures of this book, are taken from John Dorairaj's collection of folk tales.

Anant Pai strode the Indian comics industry like a colossus. Using the comics format he told stories from mythology, history and literature to generations of children. Uncle Pai, as he was known, wanted Indian children to be familiar with their heritage. He believed that it helped build self-esteem and confidence. He also wanted to bring the children of this country together through stories. A chemical engineer by profession, Anant Pai gave up his job to follow his dream, a dream that led to the creation of Amar Chitra Katha and Tinkle. Amar Chitra Katha pays tribute to its creator and traces the story of the man who left behind a legacy of learning and laughter.

Rabindranath Tagore's Drama Chitra Is Aimed At Reminding Man That The Ultimate Truth Is To Be Found Not At The Physical Level But In The Steady Evolution Of The Self. The Illumination Of A Young Princess Mind Lies In The Recognition And Realization That It Is In Truth Alone That True Happiness Resides. Similarly Aurobindo's Epic Savitri Seeks To Narrate The Story Of A Young Princess Who Saves The Life Of Her Husband From Death To Suggest The Ultimate Liberation Of Man From Universal Death. Chitra And Savitri Are Upanishadic Works In The Sense That Their Principal Theme Is The Search For Vidya (Knowledge) That Liberates Man From Avidya (Ignorance), And That Their Main Stylistic Device Is The Conversation Between The Human And Divine Characters. Evolution Thus Becomes The Watchword Of Both Aurobindo And Tagore. The Awakening Of The Self Or Raising The Life And Existence To A Higher Level Of Consciousness Is One Of The Parallel Themes Observed In Chitra And Savitri. Further, The Integral Transformation Of Chitra And Savitri And Their Inner Intuitive Development Has A Much Wider Connotation To Mankind At Large. Chitra And Savitri Are Thus Established As Works Of Self-Discovery. Although There Are Fundamental Differences In Terms Of The Nature Of Chitra And Savitri's Awareness, There Is No Denying The Fact That These Legends From The Mahabharata Are Exquisite Examples Of The Female Aspect Of The Indian Women. Believing the slander of his other wives, King Vikram of Avanti unjustly exiles Queen Shashikala to bear her child in a lonely forest fortress, with only her faithful maid Devaki for company. Devaki teaches the young prince, Thugsen, the arts of disguise and mimicry. When he grows up, Thugsen sets off to Avanti, determined to teach Vikram a lesson for being unfair to Shashikala. Soon, the kingdom of Avanti is plagued by a new trickster. The man is audacious enough to steal the necklaces right off the queens' necks and to fool the King. The stolen things are always returned and the King starts to wonder why the trickster is targeting him. In this folk-tale from Maharashtra, Thugsen gets justice for his mother in a most unusual way!

A power-hungry warrior and a peace-loving-wife-could they ever tread together on the path of non-violence? Ashoka waged war after ruthless war, yet by the time his children grew up, he proudly saw them off as Buddhist missionaries. Read about the charmed life of this famous king of Magadha, who not only built a prosperous kingdom but spread the message of universal love

When Srinivasa Ramanujan was born in the small town of Kumbakonam in 1887, his

parents did not suspect that he would grow up to be one of the most extraordinary people in the world. In fact, he was such a quiet child that they worried he would never speak. But Ramanujan's grandfather taught him to read, the little boy rapidly discovered a delight in learning, especially in mathematics. It was a delight that would shape his life and that of everyone he met. Ramanujan's short life was one of extremes, of shining mental exuberance and great poverty, of unrelenting hard work and of equally unrelenting illness. But his genius, his sheer enthusiasm and his fervor for mathematics never dimmed and his legacy lives on.

Ganesha revered in India as the remover of obstacles is first and foremost an obedient son. Standing guard at his mother's door, this son of Parvati refuses to let anyone through. Even Lord Shiva is denied entry! This confrontation between father and son has one beneficial outcome - the emergence of Ganesha, the elephant headed god of wisdom.

"Ripples... of the soul is a collection of poetry by Chitra Srinivasan. What makes it really interesting, is its simplicity and its ability to relate to the booklover. Be it her depiction of children "As you lay in the crib on a soft bed with tiny cushions I saw your small hands" A butterfly "In early spring bright wings a sea of flying color in a garden of flowers" A busy marketplace "The early morning rush, the train, the bus a crush" Or the Train of Life "The train of life when it arrives with its solitary passengers at the platform of death leaves behind memories that wither like flowers on a wreath". In this day and age when we are surrounded by the concrete jungle she takes the reader on a virtual trek through nature while sitting in the drawing room. Her description of death is an eye opener as it reveals the complexities of this unchangeable and final truth of our lives. Not to mention her narrative of life, which is equally engaging. One poem that will particularly touch the reader's heart and connect with every reader is ""My Granny."" A grandmother is an indispensable part of our lives and this poem brings out in a very simple and charming manner the story of this wonderful woman. A truly appealing collection of verses wherein every poem will strike a chord with the reader."

To succeed, modern businesses need to foster the creativity of their staff; they need to provide an environment that promotes constant innovation. Intrapreneurship, which harnesses the entrepreneurial drive within an existing organization to foster new ideas and creative thinking, gives companies the problem-solving edge to succeed in an ever-changing world. To stay on top, companies need to empower all their employees — their rebels, their trend spotters, their communicators, their researchers — to find and implement new ways of operating. The Greenhouse Approach shows how companies and organizations can use creative thinking to reimagine current norms and structures and develop a culture of intrapreneurship, equipping them with the tools to anticipate and adapt to change.

Like Divakaruni's much-loved and bestselling short story collection Arranged Marriage, this collection of poetry deals with India and the Indian experience in America, from the adventures of going to a convent school in India run by Irish nuns (Growing up in

Darjeeling) to the history of the earliest Indian immigrants in the U.S. (Yuba City Poems). Groups of interlinked poems divided into six sections are peopled by many of the same characters and explore varying themes. Here, Divakaruni is particularly interested in how different art forms can influence and inspire each other. One section, entitled Indian Miniatures, is based on and named after a series of paintings by Francesco Clemente. Another, called Moving Pictures, is based on Indian films, including Mira Nair's "Salaam Bombay" and Satyajit Ray's "Ghare Baire." Photographs by Raghubir Singh inspired the section entitled Rajasthani. The trials and tribulations of growing up and immigration are also considered here and, as with all of Divakaruni's writing, these poems deal with the experience of women and their struggle to find identities for themselves. This collection is touched with the same magic and universal appeal that excited readers of Arranged Marriage. In *Leaving Yuba City*, Chitra Banerjee Divakaruni proves once again her remarkable literary talents.

He was a child, who only wanted to ride elephants and hunt tigers. Crowned emperor of Hindustan at the age of 13, he was mature enough to choose his friends carefully. Enemies and dangerous courtiers, on the other hand, were dispatched mercilessly. For his courage and generosity, his love of the arts and universal justice, history gave Jalaluddin Muhammad Akbar an enduring label - 'Akbar the Great'.

*Chitra: A Play in One Act* (1914) is a play by Rabindranath Tagore. Published following his ascension to international fame with the 1912 Nobel Prize in Literature, the play is based on the story of Chitrangada and Arjuna from Sanskrit epic Mahabharata. "I am Chitra, the daughter of the kingly house of Manipur. With godlike grace Lord Shiva promised to my royal grandsire an unbroken line of male descent. Nevertheless, the divine word proved powerless to change the spark of life in my mother's womb—so invincible was my nature, woman though I be." Her whole life, Chitra has tried to live up to her father's name. Raised as the son he never had, she becomes a fearsome warrior and legendary hero, yet still longs for something more. When she meets the handsome Arjuna, Chitra petitions the god of love to make her beautiful. Mercifully, they allow her to be with her lover for one whole year. With a beautifully designed cover and professionally typeset manuscript, this edition of Rabindranath Tagore's *Chitra: A Play in One Act* is a classic of Indian literature reimagined for modern readers.

PROJECT GBA&C recognizes and celebrates the accomplishments of world's renowned artists who have made, and are making, significant contributions in the field of art, producing powerful imagery that continues to captivate, educate, inspire and heal humanity. Engaging art with books "ART EXHIBIT" is one such

initiative showcasing the best moments captured by artists across the globe, encapsulating the sheer joy of subtle self-expression behind every art. Editors Panel - PROJECT GBA&C

When Alexander, the great Macedonian conqueror, invaded India in 327 B.C., the various kingdoms and republics of the North-West failed to forge a united front against the common enemy. Some rulers, like Ambhi, submitted without resistance, while others, like Paurava and the chief of Massaga, refused to bow to Alexander even when defeat seemed certain. Although Alexander met his match in King Paurava, he managed to overpower him. Alexander was also helped by the weather, the heavy rain on the day before the battle had made the earth wet, so that Paurava's able archers found it difficult to rest their bows on the slippery ground. Nineteen Greek writers, who either accompanied Alexander or visited India soon after the invasion, wrote accounts of Alexander's march. Based on these early records Arrian (1st century A.D.) wrote his biography of the Macedonian conqueror. This and other works by Curtius, Diodoros, Plutarch and Justin describe Alexander's invasion but there is no detailed Indian source to which we can turn. It is, therefore, difficult to trace Alexander's movements in India with precision or to identify the tribes he encountered in the course of his arduous march.

A king who can't stop thinking about food; a carpenter who spends days, years, decades, working on a single piece of furniture; a disciple who hates his name and other such characters - all of whom turn their life around through Buddha's wisdom. A wonderful collection of stories filled with the wisdom, joy and simplicity that makes the tales of the Buddha so popular world-over.
