Frédéric Chopin's reputation as one of the Great Romantics endures, but as Benita Eisler reveals in her elegant and elegiac biography, the man was more complicated than his iconic image. A classicist, conservative, and dandy who relished his conquest of Parisian society, the Polish émigré was for a while blessed with genius, acclaim, and the love of Europe's most infamous woman writer, George Sand. But by the age of 39, the man whose brilliant compositions had thrilled audiences in the most fashionable salons lay dying of consumption, penniless and abandoned by his lover. In the fall of 1849, his lavish funeral was attended by thousands—but not by George Sand. In this intimate portrait of an embattled man, Eisler tells the story of a turbulent love affair, of pain and loss redeemed by art, and of worlds—both private and public—convulsed by momentous change.

Among the best-loved and most performed of Chopin's piano compositions are his mazurkas. This volume includes 51 works — remarkable for their wide emotional appeal, advanced chromatic techniques and pianistic devices, and ranging in difficulty from relatively easy, for advanced beginnings, to quite challenging, for the accomplished pianist. Edited by Carl Mikuli, a pupil of Chopin, the works in this inexpensive and attractive volume extend from the radiant joyfulness of the Mazurka in B-flat major, Op. 7, No. 1, to the aching sadness of the Mazurka in A minor, Op. 17, No. 4, and from the brevity of the Mazurka in E-flat minor, Op. 6, No. 4, to the breadth of the C-sharp minor Mazurka, Op. 50, No. 3. Pianists and music lovers will welcome this attractive, sturdy volume reproduced directly from the authoritative Kistner edition. It comprises a treasury of Chopin's most characteristic and appealing works in one convenient, inexpensive source.

The nocturnes (night pieces) are among the most introspective and personal of Chopin's works, as he was influenced by John Field's pieces of the same title. This complete collection of the nocturnes includes a useful thematic index and footnotes citing the differences between the manuscripts and the first editions. The pedaling, tempos and other musical markings are Chopin's. The comb binding creates a lay-flat book that is perfect for study and performance.

Op. 261 is a set of studies that covers a wide range of technical problems in a short, clear manner. They are appropriate for both early and advanced pianists. Techniques include arpeggios, change of fingers on repeated notes, change of hand position, chords, and many others. This collection is especially suitable to students with small hands since exercises in octave playing are not included.

Seven masterpieces by Chopin, arranged for flute and guitar (in standard notation and tablature). A New York Times Book Review Editors' Choice. The Sunday Times (U.K.) Classical Music Book of 2018 and one of The Economist's Best Books of 2018. "A magisterial portrait." --Corinna da Fonseca-Wollheim, The New York Times Book Review A landmark biography of the Polish composer by a leading authority on Chopin and his time Based on ten years of research and a vast cache of primary sources located in archives in Warsaw, Paris, London, New York, and Washington, D.C., Alan Walker's monumental Fryderyk Chopin: A Life and Times is the most comprehensive biography of the great Polish composer to appear in English in more than a century. Walker's work is a corrective biography, intended to dispel the many myths and legends that continue to surround Chopin. Fryderyk Chopin is an intimate look into a dramatic life; of particular focus are Chopin's childhood and youth in Poland, which are brought into line with the latest scholarly findings, and Chopin's romantic life with George Sand, with whom he lived for nine years. Comprehensive and engaging, and written in highly readable prose, the biography wears its scholarship lightly: this is a book suited as much for the professional pianist as it is for the casual music lover. Just as he did in his definitive biography of Liszt, Walker illuminates Chopin and his music with unprecedented clarity in this magisterial biography, bringing to life one of the nineteenth century's most confounding, beloved, and legendary artists.

(Piano Collection). Well-known Chopin works in one affordable volume, including 10 preludes, 16 mazurkas, 12 nocturnes, 12 waltzes, 3 polonaises, 8 etudes, and more.

Soft bound music score for piano.

"The Frédéric Chopin Annik LaFarge presents here is not the melancholy, sickly, romantic figure so often portrayed. The artist she discovered is, instead, a purely independent spirit: an innovator who created a new musical language, an autodidact who became a spiritually generous, trailblazing teacher, a stalwart patriot during a time of revolution and exile. In Chasing Chopin she follows in his footsteps during the three years, 1837-1840, when he composed his iconic "Funeral March"-dum dum da dum-using its composition story to illuminate the key themes of his life: a deep attachment to his Polish homeland; his complex relationship with writer George Sand; their harrowing but consequential sojourn on Majorca; the rapidly developing technology of the piano, which enabled his unique tone and voice; social and political revolution in 1830s Paris; friendship with other artists, from the famous Eugène Delacroix to the lesser known, yet notorious in his time, Marquis de Custine. Each of these threads-musical, political, social, personal-is woven through the "Funeral March" in Chopin's Opus 35 sonata, a melody so famous it's known around the world even to people who know nothing about classical music. But it is not, as LaFarge discovered, the piece of music we think we know. As part of her research into Chopin's world, then and now, LaFarge visited piano makers, monuments, churches,

An intricately plotted mystery and an engrossing story imbued with the foggy atmosphere of post-Communist Prague, the third book in the Walter Presents Library is a bewitching mystery about a woman who claims to transcribe music from the ghost of Chopin. Prague, 1995: Vera Foltynova, a widow in her late 50s, claims to receive visits from the ghost of great composer Frederic Chopin. What's more, she declares that Chopin has dictated dozens of compositions to her, to allow the world to hear the sublime music he was unable to create in his own short life. Many dismiss her story as a ridiculous hoax, while others swear that the music has the same beauty and refinement as the work of the dead master. Ludvik Slany, a secret police agent-turned-television journalist, is assigned to make a documentary debunking Vera's claims. He arrives in Prague ready to uncover a scam, but the more he subtly tries to trick her into giving herself away, the more he begins to think he may be witnessing a genuine miracle... The Ghost of Frederic Chopin is an engrossing story of music, faith and the ghosts of the past.

Frederic Chopin: Music From and Inspired by The Pianist contains authentically transcribed music from the Academy Award and BAFTA winning film, including ten solo Piano works by Chopin, some of which have been arranged by Jerry Lanning. The film was adapted from the memoir of Jewish-Polish musician Wladyslaw Szpilman, whose world collapsed at the outbreak of World War II in 1939, and portrays his struggles and encounters throughout the war. A superb selection of Chopin's most beautiful and haunting piano pieces feature, and the segments presented here provide an enjoyable challenge to the advancing pianist, as well as perfect additions to any pianist's repertoire. Guide to the Tuba Repertoire is the most comprehensive investigation ever undertaken into the literature and discography of any single musical instrument. Under the direction of R. Winston Morris and Daniel Perantoni, this publication represents more than 40 years of research by dozens of leading professionals throughout the world. The guide defines the current status of the tuba and documents its growth since its inception in 1835. Contributors are Ron Davis, Jeffrey Funderburk, David Graves, Skip Gray, Charles A. McAdams, R. Winston Morris, Mark A. Nelson, Timothy J. Northcut, Daniel Perantoni, Philip Sinder, Joseph Skillen, Kenyon Wilson, and Jerry A. Young.

First published in 1999, this biography from David Tunley draws on newly researched documentary evidence to chart Campoli's early success and his later struggle for recognition as a serious artist. Campoli's early success and his later struggle for recognition as a serious artist. Campoli's career emerges as one particularly shaped and directed by the great economic and social forces of the first half of the century, and the story here is as much that of his times, as of his life. Described by Szigeti as 'one of the last great individualists among violinists', Alfredo Campoli was a household name in the field of British light music prior to the Second World War. Having made his début at the Wigmore Hall in 1923 Campoli toured with Melba and Butt, then turned to light music during the Depression. He became one of Decca's early recording artists and broadcast frequently for the BBC with his light music ensembles and pursued a long, successful career as a distinguished international performer.
