A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical, bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English-language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories, which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

The Letters of Dorothy L. Sayers, Volume II Dorothy L. Sayers, 2014-12-02 This second volume of Dorothy L. Sayers covers the seven years in which the greatest detective novelist of the golden age--and the creator of Lord Peter Wimsey--turns away from mystery writing to become a playwright and, in turn, a controversial figure. Accused on the one hand of blasphemy, acclaimed on the other as one of the most influential lay theologians of her time, she found herself drawn into a vast network of correspondence, dealing with a wide range of social concerns. These, after all, are the years of World War II, of air-raids, threats of invasion, rationing, lack of domestic help, congested travel, and blackouts. But there was no blackout in the creativity of Dorothy L. Sayers; in fact, this is the peak period of her creative endeavors: seventeen plays, several books, innumerable articles and talks--and hundreds of letters. The letters reveal the context of her published words and send the reader back to them with new understanding. But the issues they raise are not merely those of her time; many are startlingly topical, even today. The letters take us behind the scenes of her thinking, activity, and personal life. Here is an unknown Dorothy L. Sayers, whose influence on her contemporaries and beyond has yet to be measured. But at the same time, here is the Sayers whom we have always known and loved: witty, engaging, creative, passionate, committed. Barbara Reynolds, Dorothy L. Sayers's acclaimed biographer, has selected and annotated these letters from the hundreds that Sayers wrote during one of the most fascinating times of her life.

Godly Ambition Alister Chapman, 2014 British Christian leader John Stott was one of the most influential figures of the evangelical movement during the second half of the twentieth century. Called the pope of evangelicalism by many, he helped to shape a global religious movement that grew rapidly during his career. He preached to thousands on six continents. Millions bought his books and listened to his sermons. In 2005, Time included him in its annual list of the 100 most influential people in the world. Alister Chapman chronicles Stott's rise to global Christian stardom. The story begins in England with an exploration of Stott's conversion and education, then his ministry to students, his work at All Souls Langham Place, London, and his attempts to increase evangelical influence in the Church of England. By the mid-1970s, Stott had an international presence, leading the evangelical Lausanne movement that attracted evangelicals from almost every country in the world. Chapman recounts how Stott challenged evangelicals' habitual conservatism and anti-intellectualism, showing his role in a movement that was as dysfunctional as it was dynamic. *Godly Ambition* is the first scholarly biography of Stott. Based on extensive examination of his personal papers, it is a critical yet sympathetic account of a gifted and determined man who did all he could to further God's kingdom and who became a Christian luminary in the process.

The Nonviolent Atonement, Second Edition J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought, *The Nonviolent Atonement* challenges the traditional, Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive, innocent submission to violent death at the hands of a cruel

God. Instead J. Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement, grounded in the New Testament and sensitive to the concerns of pacifist, black, feminist, and womanist theology. While many scholars have engaged the subject of violence in atonement theology, Weaver's *Nonviolent Atonement* is the only book that offers a radically new theory rather than simply refurbishing existing theories. Key features of this revised and updated second edition include new material on Paul and Anselm, expanded discussion on the development of violence in theology, interaction with recent scholarship on atonement, and response to criticisms of Weaver's original work. Praise for the first edition: The best current single volume on reconstructing the theology of atonement. S. Mark Heim in *Anglican Theological Review* Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist, feminist, womanist, and black theologians into the centuries-old christological conversation. . . . A provocative but faithful proposal benefiting any student of christology. *Religious Studies Review* A noteworthy contribution to the literature on the atonement. Weaver provides a useful critique of the history of atonement motifs; he does a fine job of placing Anselm's theology in its historical context; he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse; and he attempts to relate discussions of the atonement to Christian social ethics. *Trinity Journal* This is a superb succinct survey and analysis of classical and contemporary theories of the atonement, ideal for students and general readers. . . . A clearly written, passionately expressed introduction to current debates on the atonement. . . . Excellent resource. *Reviews in Religion and Theology*

Studies in Earliest Christianity Robert L. Greenhow, 2014-01-07 These studies cover a variety of topics: Beliefs and expectations of first-century Jews The earliest gospel Stephen The beginning of the gospel Christ died for our sins The Jerusalem Council Speaking in tongues Comparing the gospels

Biblical Preaching and Teaching Volume 1 Dallas R. Burdette, 2009-08 One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to this kind of study: (1) Christianity versus Skepticism, (2) Credibility and Candor of the New Testament Writers, and (3) Paul's Conversion: Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And, finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals, as well as many

essays and sermons which are available on his website (www.freedominchrist.net). He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree (1999) from Erskine Theological Seminary.
