

## Christian Theology Book Library

The Theological Library. Lifels it Worth Living?Christian CommitmentAn ApologeticWipf and Stock Publishers

This summary of Christian teaching covers nearly one hundred major theological points from a biblical Reformed perspective, in brief, easy-to-understand chapters. By the author of Knowing God.

This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues. The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism.

Praise for the first edition "The authors do what no book on the market does: In one volume they faithfully present divergent views on the crucial issues that divide evangelicals, and they do so in an unbiased, succinct, and lively manner. This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups. It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition."--Dennis Okholm, Azusa Pacific University "Across the Spectrum succeeds with distinction in at least two respects. First, it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems. The book will be most helpful to beginning students in evangelical theology, the target audience. Second, the work presents various perspectives in fair and unbiased tones. . . . If used with care, it will repeatedly reward the reader with its fair and even treatment of different theological views."--Nathan D. Holsteen, Bibliotheca Sacra

"I've been waiting for this book for some time. Due to its brief, nontechnical format, it can be used in a variety of ways in undergraduate theology courses. Although a concise volume, it succinctly outlines multiple arguments, both pro and con, for (incredibly!) over two dozen issues in disputed, largely non-fundamental areas of doctrine. The professor can present positions in favor of particular views or leave the issues open. It's settled--I'm requiring it!"--Gary R. Habermas, Liberty University "A collective sigh of relief will arise from the evangelical student body when it discovers this book! It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues. It constitutes a small library between two covers."--Roger E. Olson, George W. Truett Theological Seminary, Baylor University

Vols. for 1971- include annual reports and statistical summaries.

The Foundations of Theology in Everyday Language Dallas Seminary professors Nathan Holsteen and Michael Sviel are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: · How Firm a Foundation: Revelation, Scripture, and Truth · God in Three Persons: Father, Son, and Holy Spirit The authors explore these important topics in a concise and highly readable style that makes sense--whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic you'll find · An introduction, overview, and review of the key points · Several applicable Bible texts, including verses to memorize · A quick-paced history of the doctrine · Distortions to be aware of and avoid · Reading lists for further study · A glossary of theological terms "Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect. . . . A great way to get acquainted with key biblical theological themes." --Darrell Bock, Senior Research Professor, Dallas Theological Seminary

St. Augustine's view of history and humanity reflect his dedication to Christian thought and theology

In Masters of the Sacred Page, Lesley Smith has crafted a "history of a world turned upside down." Her illuminating study of theology and scholarship in the Middle Ages focuses on the dramatic intellectual transformations of the twelfth and thirteenth centuries, using a collection of manuscripts as a measurement of these changes and developments.

The Foundations of Theology in Everyday Language Dallas Seminary professors Nathan Holsteen and Michael Sviel are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: · From Dust to Dust: Creation, Humanity, and the Fall · Wise Unto Salvation: Gospel, Atonement, and Saving Grace The authors explore these important topics in a concise and highly readable style that makes sense--whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic you'll find · An introduction, overview, and review of the key points · Several applicable Bible texts, including verses to memorize · A quick-paced history of the doctrine · Distortions to be aware of and avoid · Reading lists for further study · A glossary of theological terms "Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect. . . . A great way to get acquainted with key biblical theological themes."--Darrell Bock, Senior Research Professor, Dallas Theological Seminary

Students often find introductions to systematic theology too daunting or boring to wade through. Here author and teacher Bradley Hanson offers an attractive, accessible alternative for undergraduates. Hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics, illuminate options on key issues, and nudge students to formulate a personal stance.

An overview of how religious thinking developed in the thousand years between the end of the Roman Empire and the Reformation, Many Mansions goes beyond other textbooks by looking at developments in both the Latin West and the Greek East. In addition to providing an introduction for readers with no background in theology or history, Bellpoints out the reasons behind the growing divergence between the two great halves of Christendom.

Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies.

This "first book" provides students of any religious tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and

religious studies. Theological Foundations provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, "From the Reference Librarian," which teaches students the foundational skills needed for successful study in theology and in any academic discipline

... indispensable for all theological libraries and upper-division undergraduate and graduate collections generally. --METHODIST HISTORY ...the standard bibliographic source for the topic...Recommended for any library supporting the study of religion in the present-day U.S. --CHOICE

Introducing the Edward Carnell Library (Nine Titles Listed Inside) Rather than mounting a rational proof for God's existence, the author advocates here a spiritual approach to God. This calls for an exercise not only of one's rational faculties, but also of the spiritual. The four parts of this book, originally published in 1957, treat the development and application of knowledge by moral acceptance, the process of becoming acquainted with the person of God, and concluding inferences and problems.
