**Adam Clarke, Dr**

*Gods and the One God* Robert McQueen Grant,1986-01-01

**The Christian Theology Reader** Alister E. McGrath,2016-10-17 Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning Designed to function as a stand-alone volume, or as a companion to *Christian Theology: An Introduction*, 6th edition, for a complete overview of the subject

**Theological Foundations** John J. Mueller,2007 Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies. This first book provides students of any religious tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and religious studies. *Theological Foundations* provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, *From the Reference Librarian*, which teaches students the foundational skills needed for successful study in theology and in any academic discipline

Crown Theological Library. Evolution in Christian Doctrine. Vol. XLI Percy Gardner,2017-10-02 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a

hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

*The Modern Theologians* David Ford, 1989 Library only has v.1.

*Christian Theology* Ezekiel Gilman Robinson, 2018-02-22 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Christian Theology, by A. Clarke, Selected from His Writings, with a Life of the Author by S. Dunn** Adam Clarke, Dr, 2015-08-11 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your

support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Biblical Theology of the New Testament* Bernhard Weiss,1885

**Biblical Theology of the New Testament** Christian Friedrich Schmid,1870

The Fundamental Truths of the Christian Religion Reinhold Seeberg,1908

Survivals in Christianity Charles James Wood,1893

**Catalogue of the Library of Princeton Theological Seminary** Princeton Theological Seminary. Library,1886

**Biblical Theology** Prof. Leo Perdue,2010-10-01 One of the thorniest problems in theological study is the relationship between biblical studies on the one hand, and constructive theology on the other. Theologians know that the Bible is the core source document for theological construction, and hence that they must be in conversation with the best in critical study of Scripture. For many biblical scholars, the point of what they do is to help the biblical text speak to today's church and world, and hence they would do well to be in conversation with contemporary theology. Yet too often the two groups fail to engage each other's work in significant and productive ways. The purpose of the Library of Biblical Theology, and this introductory volume to it, is to bring the worlds of biblical scholarship and constructive theology together. It will do so by reviving biblical theology as a discipline that describes the faith of the biblical periods on the one hand, and on the other hand articulates normative understandings of modern faith and practice. In this volume the authors begin by providing an overview of the history and possible future of biblical theology. They introduce biblical theology as a fundamentally contrastive discipline, one that is neither dogmatic theology (seeking to explain the official teachings of a particular Christian tradition), nor is it a purely historical approach to Scripture, eschewing questions of the Bible's contemporary message and meaning. Rather, biblical theology takes seriously both the need to understand the message of Scripture in its particular historical context, and the need to address that message to questions that confront contemporary human life.

An Outline of Christian Theology William Newton Clarke,2019-03-05 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.
