MAKE YOURSELF AT HOME IN GOD'S HEART: After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary. Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's family that are far too often overlooked, disqualified, and misunderstood. Each month I would show up with a fresh sermon in hand-ready to inspire and motivate those whom "I thought" were in need of encouragement. But each time, I left with the discovery that I needed it more than any of them. I arrived ready to inspire, but left all the more inspired myself.HOPE FOR THE SOUL is inspired by the men, women, and children seeking love, purpose, and a reason to believe that a better experience of life exists. In this book, you too will discover that there is a secret place in God's heart to find all the rest, affirmation, and love you have been longing for. HOPE FOR THE SOUL is guaranteed to strengthen your ability to:\*Speak life to every dead dream\*Pursue your God-given power\*Declare freedom from past failures\*Perform at maximum capacity in His strength\*Trust God and His promises to build a better life!!

For many years I struggled to find real, lasting joy. Whenever I achieved a goal that I believed would bring me happiness I would find that the happiness I sought had moved somewhere else: to the next job, the next college degree, the next completed project, the next success. Never the current one. It was a discouraging way to live, and my dissatisfaction fueled a desire for change. Through books, mentors, good friends and spiritual guidance I learned how to transform my beliefs and thoughts and reshape the emotions and actions that determine my results and create the reality in which I live. I've experienced greater peace, fulfillment and success as I've worked to internalize these life-giving truths. I am excited to share them with you, and I hope they will bless your life as they've blessed mine.

Since its publication in 1842, Dead Souls has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition.

Since man has known himself and became conscious of death, the greatest wish of all has been to become immortal. Such desire led many in the quest for magic sources of eternal youth in nature, magic, religion and art, but also blood drinking rituals. For others, immortality had to be conquered, with wars, empires, ruthless or brave leaderships, and, in most recent years, with the manipulation of the public opinion and use of hypnosis. True Immortality, however, isn't something that we should be searching outside of ourselves but within. One can put his name in history through a huge variety of deeds, good or bad, but a name is just an illusion, just like our identity and personality are as well. The true and only immortal element in a human is his spirit, which by impersonating different entities and expressing himself through different souls, travels through time, from one reality to another, in a never ending cycle of life and death. It is the spirit that becomes the master and the disciple, the king and the slave, the man and the woman, the strong and the weak, the loved and the hated, in order to truly develop a clear perspective of self and learn to discard the ego, while expressing a contradiction inside the drama that is life. In this drama, some times he represents what he fears, and other times who imposes that fear, as well as the one that receives the most and the one that offers plenty. The conscience of self is immortal and never ceases expanding. Knowing that we are immortal and gaining conscience about it is the purpose of this book, which intends to describe the path to such state of mind.

A ten-year account of the genesis and evolution of Washington, DC's Soul Searchers band; from 1968, the year Chuck Brown, John Euell, and Lloyd Pinchback exited the Los Latinos to form the Soul Searchers, to 1978, the year Chuck Brown and the Soul Searchers released their first major recorded hit, "Bustin' Loose."

Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.

We realize that we're going to survive, and spiritual practice helps us believe that we can and will thrive! Transcendent experiences like meditation and reverence for nature give us the gift of knowing that we can rise above (transcend) the limiting beliefs about ourselves, the pain and alienation of everyday life, and become our Best Selves. Transcendent experiences become transcendent beliefs; they take us beyond what we thought was possible." - From the Introduction
