Featuring a new chapter on ten restaurants changing America today, a "fascinating . . . sweep through centuries of food culture" (Washington Post). Combining an historian's rigor with a food enthusiast's palate, Paul Freedman's seminal and highly entertaining *Ten Restaurants That Changed America* reveals how the history of our restaurants reflects nothing less than the history of America itself. Whether charting the rise of our love affair with Chinese food through San Francisco's

fabled Mandarin; evoking the poignant nostalgia of Howard Johnson's, the beloved roadside chain that foreshadowed the pandemic of McDonald's; or chronicling the convivial lunchtime crowd at Schrafft's, the first dining establishment to cater to women's tastes, Freedman uses each restaurant to reveal a wider story of race and class, immigration and assimilation. "As much about the contradictions and contrasts in this country as it is about its places to eat" (The New Yorker), *Ten Restaurants That Changed America* is a "must-read" (Eater) that proves "essential for anyone who cares about where they go to dinner" (Wall Street Journal Magazine).

NEW YORK TIMES BESTSELLER #1 bestselling author Lisa Scottoline offers a sweeping and shattering epic of historical fiction fueled by shocking true events, the tale of a love triangle that unfolds in the heart of Rome...in the creeping shadow of fascism. What war destroys, only love can heal. Elisabetta, Marco, and Sandro grow up as the best of friends despite their differences. Elisabetta is a feisty beauty who dreams of becoming a novelist; Marco the brash and athletic son in a family of professional cyclists; and Sandro a Jewish mathematics prodigy, kind-hearted and thoughtful, the son of a lawyer and a doctor. Their friendship blossoms to love, with both Sandro and Marco hoping to win Elisabetta's heart. But in the autumn of 1937, all of that begins to change as Mussolini asserts his power, aligning Italy's Fascists with Hitler's Nazis and altering the very laws that govern Rome. In time, everything that the three hold dear--their families, their homes, and their connection to one another--is tested in ways they never could have imagined. As anti-Semitism takes legal root and World War II erupts, the threesome realizes that Mussolini was only the beginning. The Nazis invade Rome, and with their occupation come new atrocities against the city's Jews, culminating in

a final, horrific betrayal. Against this backdrop, the intertwined fates of Elisabetta, Marco, Sandro, and their families will be decided, in a heartbreaking story of both the best and the worst that the world has to offer. Unfolding over decades, *Eternal* is a tale of loyalty and loss, family and food, love and war--all set in one of the world's most beautiful cities at its darkest moment. This moving novel will be forever etched in the hearts and minds of readers.

Featuring 140 mouthwatering new recipes, a gastronomic journey of the Italian regions that have inspired and informed Lidia Bastianich's legendary cooking. For the home cook and the armchair traveler alike, Lidia's Italy offers a short introduction to ten regions of Italy—from Piemonte to Puglia—with commentary on nearby cultural treasures by Lidia's daughter Tanya, an art historian. · In Istria, now part of Croatia, where Lidia grew up, she forages again for wild asparagus, using it in a delicious soup and a frittata; Sauerkraut with Pork and Roast Goose with Mlinzi reflect the region's Middle European influences; and buzara, an old mariner's stew, draws on fish from the nearby sea. · From Trieste, Lidia gives seafood from the Adriatic, Viennese-style breaded veal cutlets and Beef Goulash, and Sacher Torte and Apple Strudel. · From Friuli, where cows graze on the rich tableland, comes Montasio cheese to make fricos; the corn fields yield polenta for Velvety Cornmeal-Spinach Soup. · In Padova and

Treviso rice reigns supreme, and Lidia discovers hearty soups and risottos that highlight local flavors. · In Piemonte, the robust Barolo wine distinguishes a fork-tender stufato of beef; local white truffles with scrambled eggs is “heaven on a plate”; and a bagna cauda serves as a dip for local vegetables, including prized cardoons. · In Maremma, where hunting and foraging are a way of life, earthy foods are mainstays, such as slow-cooked rabbit sauce for pasta or gnocchi and boar tenderloin with prune-apple Sauce, with Galloping Figs for dessert. · In Rome Lidia revels in the fresh artichokes and fennel she finds in the Campo dei Fiori and brings back nine different ways of preparing them. · In Naples she gathers unusual seafood recipes and a special way of making limoncello-soaked cakes. · From Sicily’s Palermo she brings back panelle, the delicious fried chickpea snack; a caponata of stewed summer vegetables; and the elegant Cannoli Napoleon. · In Puglia, at Italy’s heel, where durum wheat grows at its best, she makes some of the region’s glorious pasta dishes and re-creates a splendid focaccia from Altamura. There’s something for everyone in this rich and satisfying book that will open up new horizons even to the most seasoned lover of Italy.

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors. What is it in the operatic Italian psyche that allows-indeed, forgives, even applauds-Italy's premier for conducting a lifestyle as decadent as a Fellini extravaganza, while organizing an ongoing string of questionable behaviors and politically incorrect gaffes not seen since the days of Nero? All this, and yet Mr. Berlusconi remains completely "understood" by so many of his countrymen-some of whom keep coming back for more! Best-selling writer Beppe Severgnini, who by explaining America to Italians humorously

immortalized American behavior in his book *Ciao, America!*, now trains his sights on his own countrymen. Through witty yet substantive anecdotes touching on Italy's current political and economic climate, Severgnini decodes the Italian premier's style and appeal, exploring his rise to power and creating a compulsively readable portrait of Italy today.

Welcome to the second edition of *Avanti!* In the new edition out priorities remain the same as those of the first edition, to provide an introductory language course that meets the needs of both instructors and learners. Three significant characteristics set *Avanti!* apart from other first-year Italian texts: First, *Avanti!* satisfies students' desire to communicate in everyday situations right from the start and to explore Italy's rich and unique culture in meaningful ways. Second, *Avanti!* responds to instructors' concern that most textbooks attempt to cover too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Third, the methodology of *Avanti!* is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative classroom environment that is promoted by this research. The title *Avanti!* was chosen to convey the forward-thinking approach of this exciting new program.

You couldn't really tell about Mama's brain just from looking at her, but it was obvious as soon as she spoke. She had a high voice, like a little girl's, and she only knew 23 words. I know this for a fact, because we kept a list of the things Mama said tacked to the inside of the kitchen cabinet. Most of the words were common ones, like good and more and hot, but there was one word only my mother said: soof. Although she lives an unconventional lifestyle with her mentally disabled mother and their doting neighbour, Bernadette, Heidi has a lucky streak that has a way of pointing her in the right direction. When a mysterious word in her mother's vocabulary begins to haunt her, Heidi's thirst for the truth leads her on a cross-country journey in search of the secrets of her past.

****THE BRAND-NEW THRILLER FROM THE #1 SUNDAY TIMES BESTSELLER** **'A TERRIFIC WRITER' MARK BILLINGHAM** **PETER MAY: OVER 5.5 MILLION COPIES SOLD WORLDWIDE****

In a sleepy French village, the body of a man shot through the head is disinterred by the roots of a fallen tree. A week later a famous art critic is viciously murdered in a nearby house. The deaths occurred more than seventy years apart. Asked by a colleague to inspect the site of the former, forensics expert Enzo Macleod quickly finds himself embroiled in the investigation of the latter. Two extraordinary narratives are set in train - one historical, unfolding in the treacherous wartime years of Occupied France; the other contemporary, set in the autumn of 2020 as France re-enters Covid lockdown. And Enzo's investigations reveal an unexpected link between the murders - the Mona Lisa. Tasked by the exiled General Charles de Gaulle to keep the world's most

famous painting out of Nazi hands after the fall of France in 1940, 28-year-old Georgette Pignal finds herself swept along by the tide of history. Following in the wake of Da Vinci's Mona Lisa as it is moved from château to château by the Louvre, she finds herself just one step ahead of two German art experts sent to steal it for rival patrons - Hitler and Göring. What none of them know is that the Louvre itself has taken exceptional measures to keep the painting safe, unwittingly setting in train a fatal sequence of events extending over seven decades. Events that have led to both killings. The Night Gate spans three generations, taking us from war-torn London, the Outer Hebrides of Scotland, Berlin and Vichy France, to the deadly enemy facing the world in 2020. In his latest novel, Peter May shows why he is one of the great contemporary writers of crime fiction.
