Cynthia Ann Crawford is an American model and actress. Her years of success at modeling made her an international celebrity that has led to roles in television and film, and work as a spokesperson.

“Hilarious and inspiring, Anner has made a life filled with fans, love, and Internet fame—reminding us that disability is no match for dreams.”—People (Book of the Week) “Zach Anner is way more than an inspirational figure for anyone who has ever felt impossibly different: he’s also a great f\*\*king writer.”—Lena Dunham Comedian Zach Anner opens his frank and devilishly funny book, *If at Birth You Don't Succeed*, with an admission: he botched his own birth. Two months early, underweight and under-prepared for life, he entered the world with cerebral palsy and an uncertain future. So how did this hairless mole-rat of a boy blossom into a viral internet sensation who's hosted two travel shows, impressed Oprah, driven the Mars Rover, and inspired a John Mayer song? (It wasn't "Your Body is a Wonderland.") Zach lives by the mantra: when life gives you wheelchair, make lemonade. Whether recounting a valiant childhood attempt to woo Cindy Crawford, encounters with zealous faith healers, or the time he crapped his pants mere feet from Dr. Phil, Zach shares his fumbles with unflinching honesty and characteristic charm. By his thirtieth birthday, Zach had grown into an adult with a career in entertainment, millions of fans, a loving family, and friends who would literally carry him up mountains. *If at Birth You Don't Succeed* is a hilariously irreverent and heartfelt memoir about finding your passion and your path even when it's paved with epic misadventure. This is the unlikely but not unlucky story of a man who couldn't safely open a bag of Skittles, but still became a fitness guru with fans around the world. You'll laugh, you'll cry, you'll fall in love with the Olive Garden all over again, and learn why cerebral palsy is, definitively, "the sexiest of the palsies." Praise for Zach Anner “Cerebral palsy couldn't stop Anner from becoming a celeb, traveling the world, and Friending Oprah (for starters).”—Cosmopolitan “Zach makes you want to be a better person, with his humor and his heart and everything he's had to deal with from the time he was born. I've never met anyone like him, and I've met a lot of people.” —Oprah Winfrey “A laugh-a-minute read.... *If At Birth You Don't Succeed* recounts his journey from being what he calls a “crappy baby” [with cerebral palsy to] the host of his own travel show and an improbable workout guru. If there was ever a book that showed the importance of laughing at yourself, this is probably it.”—MentalFloss (#1 A Best New Book for Spring) “Zach Anner is a truly inspiring and hysterical human being with a warped sense of humor (and body). He’s also an exceptional writer and his memoir is an absolute joy.”—Rainn Wilson “A characteristically hilarious and candid book about growing up with cerebral palsy, winning a reality TV contest with Oprah’s OWN channel and becoming an unlikely-yet-inspiring fitness guru and YouTube celebrity with more than 10 million views.”—What’s Trending “Zach Anner is the living

definition of 'giving better than he's gotten.' Life dealt him a difficult hand but he managed to beat the house with humor, heart, and a fearless punk attitude. Required reading."—Patton Oswalt "I love Zach Anner and I love his memoir. If everyone were a little more like Zach, the world may not be a better place, but it would be a funnier place, which is a great step forward."—Reddit Co-founder Alexis Ohanian "He's a unique, creative kid with a smart, edgy sense of humor."—Arsenio Hall "I think I speak for everybody when I say...I want to see more of Zach." —John Mayer "Wonderful. . . Anner's comedy is the peppy, uplifting sort you'd expect from someone who Oprah says 'makes [her] want to be a better person,' such as his elaborate Olive Garden metaphors for the nature of life. . . . Anner remarks wryly that being expected to act as an ambassador for the disabled 'is a tightrope walk, which is hard on four wheels.' Maybe so, but with this book, he makes it look easy."—Publishers Weekly (starred review) "Funny, empowering...An inspirational memoir with a seasoned, infectious sense of humor...[Anner's book chronicles] his three decades of life (so far) with cerebral palsy, a permanent condition that hasn't prevented him from living his dream as a comic, a media sensation, and a motivational speaker."—Kirkus Reviews

The subject of race (particularly as relates to interracial dating and marriage) has long been considered strongly controversial. I maintain that any lack of acceptance on the part of the races (where it still exists) is largely the result of a lack of familiarity--one to another. Knowledge, insight, and the dispelling of stereotypical rumor are each important elements necessary to bridge the racial gap that yet remains. The purpose of this book is to provide the material necessary to gain a greater understanding of just how truly connected we are as a people. While we will each possess our own individual dreams, hopes, fears, and insecurities, it is hopeful that (above all) we will recognize the presence and plan of God within each of our lives. The following material has been written in such a format that one can simply begin by opening the book on any given page (even starting in the middle if so desired). In your reading, it is my hope that you will glean valuable information along the way. The composition of material is likened to that of a family scrapbook or album whose contents are assorted snippets, sentimental tokens, and snapshots of life. You might also compare it to a recipe, where a "dash of this, and a sprig of that" enter into the mix. Subjects range from healthcare to cuisine and even manage to include encapsulated brief short story. The material is intended to educate, inform, and enlighten. Moreover, may it serve as a reminder of the obligation we all bear to show respect for all races and nationalities--looking beyond title, race, or ethnicity. In essence, seeking to know the true person, the heart, the genuine soul--the individual. Body Image: Understanding Body Dissatisfaction in Men, Women and Children presents a review of what is presently known and the results of some new research on body image. It compares the effects of gender, sexuality, social class, age and ethnicity on satisfaction with the way we look and suggests how these differences arise. Why, for instance, are heterosexual men much happier with their body images than women or gay men? Sarah Grogan discusses the effect of media presentation of the ideal body and other cultural influences. Surprisingly, despite the almost exclusive media preference for very young female bodies, she finds that older women are not less satisfied with their bodies than younger women. Written for readers from a variety of disciplines, this clear and eclectic book will make the ideal text for students from psychology, sociology, gender and media studies.

From a caretaker of newborns who's had years of hands-on experience with celebrity clients—a practical and reassuring guide to the first three months with your new baby. Are you a new or soon-to-be new mother? Are you caught between self-doubt and conflicting parenting advice coming at you from every direction? Are you unsure who to trust—your mother, sister, friends, or “the experts”? Luiza DeSouza is here to help. Her best advice? For thirty years, Luiza has been helping new mothers navigate the skills, practices, and support it takes to start a family. For her, mothering is

not about programs or techniques. Rather, it is about the connection between you and your new child. And for that reason, she believes that attitude is more important than approach. All mothers are different, but the three most important qualities remain the same for everyone: patience, openness, and attentiveness. Can being patient, open, and attentive guarantee that your baby will be a good sleeper or easy to feed? Of course not! But no matter what challenges your newborn brings, these three key qualities will help you rise to meet them. Like having your very own baby nurse right at your side, *Eat, Play, Sleep* is an indispensable guide to a good start and a happy, healthy first three months. —Learn the best methods for feeding your infant —Discover the secrets of “good sleepers” —Understand the importance of a predictable routine —How to use “play” to help establish a routine —Tips for introducing bathing and massage —How to deal with crying, especially if you have a “difficult-to-calm” baby And much more!

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa

The #1 New York Times–bestselling author of *Mommie Dearest* explores WomanSpirit through the ages, from the Neolithic Goddess to the Inquisition to present day. Breaking free of the emotional wreckage of her childhood and a devastating illness that challenged her physically, emotionally, and spiritually, Christina Crawford sought out an indomitable and innate inner source of power. Upon reconnecting with the very essence of the female spirit—that which unites all daughters throughout time—Crawford decided to pursue and discover its “herstory.” Drawing on years of research, she explores every aspect of the evolution of womanhood over the past ten thousand years: culture, government, religion, professions, laws, customs, family, fashion, marriage, commerce, art, industry, and sexuality. Charting the trajectory of female communion, Crawford delves into the Goddess culture of the Neolithic period, in which self-sovereign women governed, built empires, and were deified; explores the Inquisition in which women were demonized, brutalized, and erased from history; and celebrates the rebirth of the WomanSpirit and its influence over generations on the Western world. Both an enlightening journey and an invaluable reference, *Daughters of the Inquisition* is a testament to the rise, endurance, survival, and lasting impact of the WomanSpirit—its givers of life, its queens, and its warriors. Finally, a book about hair that one can really use and have fun using. With information on everything from hair textures and styles to cuts and colors, to consulting a stylist to styling it yourself, *The Mane Thing* does it all with panache, humor, and some very recognizable faces. Many of Kevin's illustrious clients are here, such as Cindy Crawford, Stephanie Seymour, Brooke Shields, Daisy Fuentes, Kristen Johnston, Peggy Lipton, Ashley Judd, and Halle Berry. There are also chapters on a wide range of "coif" topics, from understanding the basics of hair, to products and tools, to info on wigs, extensions, and hairpieces -- all brimming with practical know-how, professional shortcuts, and a bevy of beautiful faces.
