

Civics Prentice Hall Edition

This is the fourth edition *We the People*, which corresponds to the paper textbook (© 2016). Used by thousands of students in civics classes nationwide since 1987, the *We the People: The Citizen & the Constitution* high school textbook explains the principles of American constitutional democracy and citizenship. Features include critical thinking exercises, writing activities, a full glossary, the complete text of the Constitution, the Declaration of Independence, and other founding documents. The Lesson Links feature of each lesson provides additional learning opportunities from the *We the People* Resource Center. Visit www.civiced.org/wethepeople for more information about the *We the People* program.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with

Maximize learning and minimize preparation time with lesson plans, activities, and assessment support based on the research of Jay McTighe, co-author of *Understanding by Design*.

High interest simulations -- Mock trial -- Debates on major contemporary issues.

The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level

scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

These flash cards can also be used in the classroom as an instruction tool for citizenship preparation. Important note: on the naturalization test, some answers may change because of elections or appointments. Applicants must be aware

of the most current answers to these questions.

Applicants must answer these questions with the name of the official who is serving at the time of his or her eligibility interview with the USCIS. The USCIS officer will not accept an incorrect answer.

Connect Citizenship To Your Students' World.

Interactive state and community government activities --

Background activities -- Investigation activities.

Activities to teach wise money management -- Sample financial forms and documents for hands-on practice.

American Government: In the United States, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship.

The Trusted Authority, Setting A New Standard For The Future.

Cartoons from the past and present -- Background information -- Critical thinking and analysis.

Civics: Government and Economics in Action provides an engaging, current, and relevant look at the foundations of American government, citizenship, and the American economic and legal systems. The program combines an accessible narrative and engaging visual design with a wide variety of instructional tools -- from workbooks to interactive technology -- to motivate students to participate, make decisions, and take action both in and out of the classroom.

This is your government! This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government.

With each aspect covered, it raises thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-free writing style, Canadian Politics will engage students and provide them with the foundation they need for future study.

(High School) Hailed as a stellar educational resource for nearly a century, Magruder's American Government is
