Going further than regarding humans as better-than-robot tools for exploration, it investigates the human quest for odysseys beyond Earth's atmosphere and reflects on arising issues related to Europe's role among the States conducting human exploration. It provides perspectives related to governance, management of space exploration, space settlements, the role of astronauts in the future as well as related to the encounter of extraterrestrial life.

En 2021 se cumplen diez años del 15M. Sin duda alguna, este movimiento cambió las conciencias de varias generaciones y transformó para siempre el futuro político, social, económico y artístico de España. La relevancia del 15M es indudable por lo que parece necesario revisar aquel momento: ¿por qué surgió?, ¿qué se generó en aquellos campamentos?, ¿qué propició intensas simpatías, movilización e incluso cambios vitales?, ¿de qué manera se relacionaron la ética y la estética?, ¿cómo cambió la forma de hacer política, protesta y arte?, ¿sigue vigente y de qué manera?, ¿los grupos políticos son los herederos del 15M o se trata de un movimiento que trasciende la política?

Partiendo de los antecedentes a escala mundial y nacional, el libro se centra en la acampada que durante varios meses se estableció en la plaza del Sol de Madrid en 2011 para a continuación recorrer las distintas movilizaciones que tuvieron lugar en España y en Estados Unidos, dedicando un capítulo a Occupy Wall Street. Finalmente, la autora valora las consecuencias sociales surgidas del movimiento 15M y la aparición de partidos políticos que, recogiendo las demandas de quienes se movilizaron, han aparecido en el panorama nacional. 15M. El tiempo de las plazas está ampliamente ilustrado con cientos de imágenes, cuenta con entrevistas a personas que participaron en primera línea y una bibliografía actualizada.

Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save

her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
