

Codependent More Workbook Melody Beattie

Detach--from codependency in 5-steps. You can say no. You can stop people pleasing and start setting boundaries. You can ask for what you need. You can love and be loved--without sacrifice--by breaking the codependency cycle. The Codependency Recovery Plan empowers you to have healthy, happy interdependent relationships. This actionable 5-step program is designed to help you get in touch with yourself, assert boundaries, and communicate confidently. You'll be free to nurture true intimacy. The 5-steps to break the codependency cycle include: Step 1: Get in Touch with Your "Self"--Learn how to stand on your own two feet. Step 2: Prioritize Self-Care--Show yourself respect by caring for your mind and body. Step 3: Build Boundaries--Take a stand for what feels good to you in life and love. Step 4: Communicate Confidently--Open up about what you think, feel, and need to share with others. Step 5: Get intimate--Experience healthy and joyful connections. You can't change your history with codependency--but you can take charge of your recovery. Starting now.

Provides a detailed explanation of the Twelve-Step program designed by Alcoholics Anonymous, accompanied by advice on how to apply the program to codependent issues and cross-addiction Melody Beattie encourages and inspires readers to reconnect with what's truly important in life. "Today, celebrate who you are." "We can show our gratitude for life in even our smallest actions." "Could it be that you're who you are and where you are for now for a reason?" Featuring stirring affirmations from Melody Beattie, Gratitude encourages and inspires readers to reconnect with what's truly important in life. Beyond today's often-harried lifestyle, the colorful pages in this book capture the essence of everyday blessings--the twists and turns of challenges, the friends we make, and the simple pleasures that create a lasting attitude of gratitude.

An excellent enhancement to therapy, daily thoughts provide clients with ongoing insights into issues such as surrendering, the damaging effects of manipulation, and healthy communication. More Language of Letting Go shares unsentimental, direct help for clients recovering from chemical dependency, healing from relationships and family issues, and exploring personal growth.

If you want to know how you can overcome your nature of codependency, then keep reading... More often than not, people have face difficulty in maintaining healthy relationships. They are either too clingy or go into a complete emotional shutdown. They do not find proper connections with others that they can trust or feel safe in. Sometimes, you might think that you have found the one and develop a connection with that person, but can you differentiate between dependency and love? If you have the same question in your mind, then this book is the perfect choice for you because it will answer your question with proper explanations. In the case of codependents, their affection and love come from a place of fear of abandonment or rejection, and this is mostly because they had faced a neglectful childhood. They face endless, complex situations in their relationships, but even though they have the intention to form real human connections, their insecure self gets the better of them. Are you suffering from a similar situation? Do you think you are troubled by resentment, internalized shame, and guilt? All of these can be quite difficult feelings to handle on your own, and this book has mentioned a step-by-step approach to recover from the state of codependency. If you do not take the right steps towards recovery, you might simply be running in a race where you don't know where to go. Everything in a relationship boils down to one single word, and that is - communication. But healthy and assertive communication is something every codependent struggles with. They have so badly shamed for expressing themselves in their past that now they have forgotten how to look into their inner selves. They fear that whenever they try to communicate, there will be some conflict, and they will lose the person. There are others who manipulate people in their life to get what they want. Both these types of codependents can recover if they know what to do. Here is a summarized version of all the key points which have been mentioned in this book: Signs that denote codependency Forming proper connections and letting go of pent up resentment Loving yourself and giving your needs the first priority The steps towards recovery Building strong relationships with the right amount of autonomy and intimacy Even if you do not have a basic idea of what codependency is, do not worry as this book will give you the introduction you need and then explain everything in the simplest way possible. So, it's time for you to take your life into your own hands and don't let yourself be a hostage to your ego. What could be better than a relationship where both your needs are fulfilled, and you can reveal your true selves? So, if you want to be in a relationship like that, all you have to do is scroll up and click on the Buy Now button!

Written for those of us who struggle with codependency, these daily meditations offer growth and renewal, and remind us that the best thing we can do is take responsibility for our own self-care. Pia Mellody creates a framework for identifying codependent thinking, emotions and behaviour and provides an effective approach to recovery. Mellody sets forth five primary adult symptoms of this crippling condition, then traces their origin to emotional, spiritual, intellectual, physical and sexual abuses that occur in childhood. Central to Mellody's approach is the concept that the codependent adult's injured inner child needs healing. Recovery from codependence, therefore, involves clearing up the toxic emotions left over from these painful childhood experiences.

In a crisis, it's easy to revert to old patterns. Caring for your well-being during the coronavirus pandemic includes maintaining healthy boundaries and saying no to unhealthy relationships. The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, straightforward, readable map of the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness. Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook, and Playing It by Heart.

Growing up in a home where there is addiction or relationship trauma puts a child at great risk for long-term, post-traumatic stress effects that adversely compromise adult relationships. Bestselling author, psychologist, and psychodramatist Tian Dayton examines this trauma through an exploration of the way the brain and body process frightening or painful emotions and experiences in childhood, and she shows how these traumas can become catalysts for unhealthy, self-medicating behaviors including drug and alcohol abuse, food issues, and sex, gambling, and shopping addictions. Through Dr. Dayton's insightful analysis and thoughtful examination, Adult Children of Alcoholics will learn how and why the pain they experienced in childhood plays out in their adult partnering and parenting, and they will learn how to restore health and happiness through their resilience. There are many books that promise to help you fix a bad relationship. This groundbreaking bestseller is the first one to help you choose whether you should even try—or if you need to go. Psychotherapist Mira Kirshenbaum draws on years of research and her work with real-life couples to help you make the right decision. She shows you how to diagnose your unique situation with self-analysis and questions like these, which get to the very heart of your problems: • What sins are forgivable and which ones are unpardonable? • Is your partner questioning your opinions to the point where you doubt yourself? • What is your sex life really like, and how important is it? • Is there real love left between you, and how does it stack up against all that you find unlovable? Mira Kirshenbaum provides expert guidelines that are the key to making all your choices, concrete steps that you can implement right now, and the ultimate way to determine your personal bottom line—what you need to be happy. This remarkably insightful and probing guide offers advice that lets you see the truth about your relationship—and with wisdom and compassion, it helps you act with the confidence of knowing that whether you decide to go or stay, you are doing the very best thing.

Daily thoughts provide readers with ongoing insights into issues such as surrendering, the damaging effects of manipulation, and healthy communication. This new volume of meditations offers clients ongoing wisdom and guidance about relationship issues. An excellent enhancement to therapy, daily thoughts provide clients with ongoing insights into issues such as surrendering, the damaging effects of manipulation, and healthy communication. More Language of Letting Go shares unsentimental, direct help for clients recovering from chemical dependency, healing from relationships and family issues, and exploring personal growth.

From a leading voice on recovering from toxic relationships, a deeply insightful guide to getting back to your "old self" again--in order to truly heal and move on. Jackson MacKenzie has helped millions of people in their struggle to understand the experience of toxic relationships. His first book, Psychopath Free, explained how to identify and survive the immediate situation. In this highly anticipated new book, he guides readers on what to do next--how to fully heal from abuse in order to find love and acceptance for the self and others. Through his close work with--and deep connection to--thousands of survivors of abusive relationships Jackson discovered that most survivors have symptoms of trauma long after the relationship is over. These range from feelings of numbness and emptiness to depression, perfectionism, substance abuse, and many more. But he's also found that it is possible to work through these symptoms and find love on the other side, and this book shows how. Through a practice of mindfulness, introspection, and exercises using specific tools, readers learn to identify the protective self they've developed - and uncover the core self, so that they can finally move on to live a full and authentic life--to once again feel light, free, and whole, and ready to love again. This book addresses and provides crucial guidance on topics and conditions like:

complex PTSD, Narcissistic abuse, Avoidant Personality Disorder, Codependency, Core wounding, toxic shame, Borderline Personality Disorder, and so many more. Whole Again offers hope and multiple strategies to anyone who has survived a toxic relationship, as well as anyone suffering the effects of a breakup involving lying, cheating and other forms of abuse--to release old wounds and safely let the love back inside where it belongs.

A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction. In this fresh new look at codependence, Pia Mellody traces the origins of this illness back to childhood, describing a whole range of emotional, spiritual, intellectual, physical, and sexual abuses. Because of these earlier experiences, codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships. Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence. Central to Mellody's concept is the idea of the "precious child" that needs healing within each adult. She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self-help processes. Designed to be used with her new workbook for codependents, *Breaking Free*, this is a powerful tool for understanding the nature of codependence.

In this seminal work, *Codependent No More*, the author breaks down, in a most lucid fashion, the cause and effect of being in a codependent relationship, and how to overcome it.

Free yourself from codependency with evidence-based tools and exercises *Reclaim your sense of self--reclaim your life*. From the same author as *The Codependency Recovery Plan*, *The Codependency Workbook* is a comprehensive resource filled with research-based strategies and activities for people seeking to break out of their codependent patterns. Learn how to address mood disorders, like depression and anxiety, that often appear within codependent relationships. With this workbook, the path to recovery is clear. Discover practical exercises based on Cognitive Behavioral Therapy (CBT) designed to help you set goals, challenge and replace negative thoughts, identify your triggers, manage conflicts and emotions, and reduce stress. Moments of reflection at the end of each chapter provide helpful summaries and motivation to move forward in your recovery. *The Codependency Workbook* includes: *Codependency explained--You'll get a better understanding of this condition, including a broad look at addiction and the benefits of using CBT to address these issues. Modular exercises--Triage the concerns you wish to prioritize first with exercises you can complete in any order. Inclusive approach--Secular, therapeutic activities include open discussions about all addictions (not just alcoholism). Break down the barriers to codependency recovery with realistic exercises and evidence-based tools so you can live authentically and independently. Your journey starts here.* *The New York Times* bestselling book *Boundaries* has helped millions understand that being a loving Christian does not mean never saying no. This newly updated and expanded companion workbook provides practical exercises for setting boundaries in marriage, parenting, business, and friendships in a digital age. Following the newly updated and expanded edition of *Boundaries* chapter-by-chapter, this interactive workbook helps you look at specific relationships in your own life. With those situations in mind, you can ask and answer: Why do I feel guilty about setting clear boundaries? What if the boundaries I set hurt the other person? Is it difficult for me to hear no from others? What are examples of legitimate boundaries at work and home? How can I have good boundaries online? How can I stay connected while still setting boundaries with my phone? In what ways do I need to set better boundaries with social media? *Boundaries Workbook* gives a biblical foundation and practical tools for helping others respect your boundaries—whether you are not responding to a text message immediately or saying no when someone asks you to volunteer for one more activity. Discover firsthand how good boundaries give you the freedom to live as the loving, generous, fulfilled person God created you to be.

The Grief Club is Melody Beattie's profoundly personal, powerfully healing book to help readers through life's most difficult times. *The Grief Club* is Melody Beattie's profoundly personal, powerfully healing book to help readers through life's most difficult times. Part memoir, part self-help book, part journalism, *The Grief Club* is a book of stories bound together by the human experience of loss in its many forms such as death, divorce, drug addiction, and the tumultuous yet tender process of recovery. It's a book you need to read and share. Twenty years ago, *Codependent No More* established Melody Beattie as a pioneering voice in self-help literature and endeared her to readers who longed for healthier relationships. Over the years, Melody has invited readers into her life with several more best-selling books--each punctuated with her trademark candor and intuitive wisdom.

For all of us recovering from codependency, especially those working the Twelve Steps, TALK, TRUST, AND FEEL offers reinforcement and inspiring perspectives from 10 of Hazelden's leading voices. Their wise observations help us let go of our desire to change the other person and take responsibility for ourselves as continue our journey toward wholeness. Copyright © Libri GmbH. Journey to the Heart by New York Times bestselling author of *Codependent No More*, *Beyond Codependency*, and *Lessons of Love*, contains 365 insightful daily meditations that inspire readers to unlock their personal creativity and discover their divine purposes in life. "Melody Beattie gives you the tools to discover the magnificence and splendor of your being." –Deepak Chopra, author of *Jesus and Buddha*

Do you want to stop relying on relationships to meet all of your emotional needs? Then keep reading... Do you need to find love and validation outside of yourself to be able to function properly? Are your abandonment issues so severe that you feel as if one of your limbs is being amputated when someone leaves you? Like most psychiatric concepts, codependency causes, symptoms, and effects are complicated. In almost all cases, codependency disorder begins in childhood. Of course, all children are completely dependent on their caretakers in the first few years of their life, but as an adult, they shouldn't be dependent to the extent that it becomes harmful to both themselves and their family. When you have a codependent personality, you tend to have low self-esteem and turn to anything outside of yourself for comfort, such as alcohol, drugs, relationships, or compulsive behaviors. This can take a toll on your life and leave you in a state of constant fear of abandonment, a compelling need to please and control others, poor communication, lack of boundaries, and obsession with your partner. However, recovering from

codependency and healing is possible! Anyone who struggles with codependent behaviors such as abandonment, trust, assertiveness, people pleasing, and dependency will greatly benefit from reading this book. Codependent Cure: The No More Codependence Recovery Guide for Obtaining Detachment From Codependency will provide you with steps to identify codependent behaviors and strategies to get rid of them for good! In this book, you'll discover: The severity of codependency and its impact on individuals The real "culprit" who is to blame for your codependency Which dysfunctional character describes you Why codependents are dangerous to certain individuals The horrifying stages of codependency relationships/codependent marriage The telltale signs of a codependent relationship A simple technique for setting boundaries to open up the lines of communication When it's time pack and leave a toxic relationship How to make the road to recovery less bumpy Proven techniques for maintaining your recovery And much much more! Many people struggle for years to let go of their codependency, but our codependency workbook provides proven techniques that makes facing codependence much simpler than other codependent books on the market. So if you're tired of looking for love and validation outside of yourself in order to function, then take control of your life. Order this book and begin your journey today!

Stop Being Mean to Yourself is a compassionate guide filled with new ideas for overcoming the pitfalls of guilt and self-doubt, and helps readers find a happier place in the world. In this wonderfully practical book, Melody Beattie gives you the tools to discover the magnificence and splendor of your being. -- Deepak Chopra, M.D. Beckoning readers toward a spiritual territory beyond even that of her revolutionary best-seller Codependent No More, Melody Beattie conducts us through teeming Casablanca, war-torn Algeria, and the caverns of Egypt's great pyramids as she embarks on a new kind of journey of the soul. An enlightening blend of travel adventure and spiritual discovery, filled with new ideas for overcoming the pitfalls of guilt and self-doubt, Stop Being Mean to Yourself is a compassionate tour guide for the troubled and the heartsick, for those who seek a happier place in the world. A tale that is at once modern and timeless, rich with the promise of personal discovery, it is a book about learning the art of living and of loving others -- and ourselves. As full of suspense and excitement as it is of hope and encouragement, it is as rewarding for its pure reading pleasure as for the wisdom it imparts. About the Author: Melody Beattie is the author of numerous best-selling books, including Codependent No More, Beyond Codependency, The Language of Letting Go, A Codependent's Guide to the Twelve Steps, and Journey to the Heart. Beattie's writing draws on the wisdom of Twelve Step healing, Christianity, and Eastern religions.

Defies the myth that parents must sacrifice themselves. Instead, shows them how to reclaim their power, balance, happiness...and lives. When kids turn to substance abuse, parents also become victims as they watch their children transform into irrational and antisocial individuals. This harrowing scenario finds parents buckling beneath the stress--often with catastrophic consequences: Divorce, career upsets, breakdowns and worse. "Don't Let Your Kids Kill You" is a landmark work that dares focus on the plight of the confused, distressed parent and not the erring child. It sets aside any preconceived ideas that parents are to blame for what is essentially a full-blown global crisis. Drawing on interviews with parents who've survived the heartbreak of kids on drugs, combined with his own experience, Charles Rubin provides practical advice on how parents can help themselves and their families by first attending to their own needs. Liberation begins when you open this book.

Something's missing from your life. This much you know. But did you know you may be looking for it in the wrong place? This book is about a problem disguised as a solution, an idea that shapes and drives us all: Control. It's about the universal urge to make reality meet our expectations. How this urge becomes an addiction, wrecking lives and relationships. How it leads to anxiety, depression, substance abuse, broken marriages and dysfunctional parenting. In this book you'll learn: Why everyone is addicted to control How this addiction causes most -- if not all -- of our emotional problems How to listen to feelings instead of controlling them Filled with actionable insights you can start using today, "Monkeytraps" is a must-read for anyone seeking happiness, healthier relationships, and more peace of mind.

In Codependent No More, Melody Beattie introduced the world to the term codependency. Now a modern classic, this book established Beattie as a pioneer in self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a followup volume, The New Codependency, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In The New Codependency, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. Codependency, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities pertaining to a particular behavior -- caretaking, controlling, manipulation, denial, repression, etc. -- enabling us to personalize our own step-by-step guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing. Punctuated with Beattie's renowned candor and intuitive wisdom, The New Codependency is an owner's manual to learning to be who we are and gives us the tools necessary to reclaim our lives by renouncing unhealthy practices.

What does it mean to feel at home, truly present with ourselves, comfortable with our choices, and alive to the possibilities of conscious change? How can we develop inner balance and connection, keeping our boundaries clear while opening our hearts to those we love? With practical wisdom and insight, Melody Beattie addresses these questions, encouraging us to reach a higher level of living and loving, and showing us how to be at home with ourselves wherever we are in the world, at whatever stage of life. Through true stories and take-action exercises, including journaling, visualizations, affirmations, meditations, and prayers, Beattie provides the essential tools to help us discover our own sense of home. Accessible and illuminating, Finding Your Way Home is a soul-searching look at how not to be victimized by ourselves?or other people. Beattie urges us to discover new levels of integrity, to break through barriers that have blocked us for too long. This is a powerful and challenging book about buying back our souls and learning to live a life guided by spirit.

Codependent No More Workbook Simon and Schuster

In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic Codependent No More, help you along your way. A guided tour past the pitfalls of recovery, Beyond Codependency is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.

This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

"A documentary filmmaker and daughter of the late, great New York Times columnist David Carr celebrates and wrestles with her father's legacy in a raw, redemptive memoir."--O: The Oprah Magazine "A breathtaking read . . . a testimony equal parts love and candor. David would have had it no other way."--Ta-Nehisi Coates, bestselling author of Between the World and Me NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GLAMOUR AND MARIE CLAIRE Dad: What will set you apart is not talent but will and a certain kind of humility. A willingness to let the world show you things that you play back as you grow as an artist. Talent is cheap. Me: OK I will ponder these things. I am a Carr. Dad: That should matter quite a bit, actually not the name but the guts of what that name means. A celebrated journalist, bestselling author (The Night of the Gun), and recovering addict, David Carr was in the prime of his career when he suffered a fatal collapse in the newsroom of The New York Times in 2015. Shattered by his death, his daughter Erin Lee Carr, at age twenty-seven an up-and-coming documentary filmmaker, began combing through the entirety of their shared correspondence--1,936 items in total--in search of comfort and support. What started as an exercise in grief quickly grew into an active investigation: Did her father's writings contain the answers to the question of how to move forward in life and work without her biggest champion by her side? How could she fill the space left behind by a man who had come to embody journalistic integrity, rigor, and hard reporting, whose mentorship meant everything not just to her but to the many who served alongside him? All That You Leave Behind is a poignant coming-of-age story that offers a raw and honest glimpse into the multilayered relationship between a daughter and a father. Through this lens, Erin comes to understand her own workplace missteps, existential crises, and relationship fails. While daughter and father bond over their mutual addictions and challenges with sobriety, it is their powerful sense of work and family that comes to ultimately define them. This unique combination of Erin Lee Carr's earnest prose and her father's meaningful words offers a compelling read that shows us what it means to be vulnerable and lost, supported and found. It is a window into love, with all of its fierceness and frustrations. "Thank you, Erin, for this beautiful book. Now I am going to steal all of your father's remarkable advice and tell my kids I thought of it."--Judd Apatow

This highly anticipated workbook will help readers put the principles from Melody Beattie's international best seller Codependent No More into action in their own lives. This highly anticipated workbook will help readers put the principles from Melody Beattie's international best seller Codependent No More into action in their own lives. The Codependent No More Workbook was designed for Beattie fans spanning the generations, as well as for those who may not yet even understand the meaning and impact of their codependency. In this accessible and engaging workbook, Beattie uses her trademark down-to-earth style to offer readers a Twelve Step, interactive program to stop obsessing about others by developing the insight, strength, and resilience to start taking care of themselves. Through hands-on guided journaling, exercises, and self-tests, readers will learn to integrate the time-tested concepts outlined in Codependent No More into their daily lives by setting and enforcing healthy limits, developing a support system through healthy relationships with others and a higher power, experiencing genuine love and forgiveness, letting go and detaching from others' harmful behaviors. Whether fixated on a loved one with depression, an addiction, an eating disorder, or other self-destructive behaviors, or someone who makes unhealthy decisions, this book offers the practical means to plot a comprehensive, personalized path to hope, healing, and the freedom to be your own best self.

Let go of unhealthy relationships with the book that more than 850K people have trusted. Best-selling doctors, Hemfelt, Minirth, and Meier, walk you through their ten proven stages to recovery from codependency that results from external circumstances. Humans are susceptible to codependency because of our sinful tendency to use defense mechanisms to fool ourselves. In codependent relationships, deceitful games are played, and important Christian principles are often taken out of context and abused. God wants us to have healthy relationships with a balance between being dependent and independent. The doctors describe how the most effective means of overcoming codependent relationships is to establish or deepen a relationship with Christ Himself. They describe the causes of codependency, pointing out the factors that perpetuate it, and lead readers through their ten stages of recovery. Continue a deeper study with the Love Is a Choice workbook, available separately.

"Melody Beattie gives you the tools to discover the magnificence and splendor of your being." — Deepak Chopra, author of Jesus and Buddha "Beattie understands being overboard, which helps her throw bestselling lifelines to those still adrift." — Time magazine From the New York Times bestselling author of Codependent No More, The Language of Letting Go, Finding Your Way Home, Journey to the Heart, and Stop Being Mean to Yourself, comes Choices: powerful wisdom and insight about how to make the best choices in our lives from the author who revolutionized how we look at relationships.

Offers those contemplating suicide ways to find a reason to live, suggests immediate activities to help, and tells how to help stop a person from committing suicide

Men are right. The "relationship talk" does not help. Dr. Patricia Love's and Dr. Steven Stosny's How to Improve Your Marriage Without Talking About It reveals the stunning truth about marital happiness: Love is not about better communication. It's about connection. You'll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends. Male emotions are like women's sexuality: you can't be too direct too quickly. There are four ways to connect with a man: touch, activity, sex, routines. Men want closer marriages just as much as women do, but not if they have to act like a woman. Talking makes women move closer; it makes men move away. The secret of the silent male is this: his wife supplies the meaning in his life. The stunning truth about love is that talking doesn't help. Have you ever had this conversation with your spouse? Wife: "Honey, we need to talk about us." Husband: "Do we have to?" Drs. Patricia Love and Steven Stosny have studied this all-too-familiar dynamic between men and women and have reached a truly shocking conclusion. Even with the best of intentions, talking about your relationship doesn't bring you together, and it will eventually drive you apart. The reason for this is that underneath most couples' fights, there is a biological difference at work. A woman's vulnerability to fear and anxiety makes her draw closer, while a man's subtle sensitivity to shame makes him pull away in response. This is why so many married couples fall into the archetypal roles of nagging wife/stonewalling husband, and why improving a marriage can't happen through words. How to Improve Your Marriage Without Talking About It teaches couples how to get closer in ways that don't require "trying to turn a man into a woman." Rich in stories of couples who have turned their marriages around, and full of practical advice about the behaviors that make and break marriages, this essential guide will help couples find love beyond words.
