

Collins Official Scrabble Words

This first edition of the 'Official Scrabble Dictionary' is a helpful item for all Scrabble players.

You'll want to have this invaluable resource at your side every time you set up the board to play.

This “marvelously absorbing” book is “a walk on the wild side of words and ventures into the zone where language and mathematics intersect” (San Jose Mercury News). A former Wall Street Journal reporter and NPR regular, Stefan Fatsis recounts his remarkable rise through the ranks of elite Scrabble players while exploring the game’s strange, potent hold over them—and him. At least thirty million American homes have a Scrabble set—but the game’s most talented competitors inhabit a sphere far removed from the masses of “living room players.” Theirs is a surprisingly diverse subculture whose stars include a vitamin-popping standup comic; a former bank teller whose intestinal troubles earned him the nickname “G.I. Joel”; a burly, unemployed African American from Baltimore’s inner city; the three-time national champion who plays according to Zen principles; and the author himself, who over the course of the book is transformed from a curious reporter to a confirmed Scrabble nut. Fatsis begins by haunting the gritty corner of a Greenwich Village park where pickup Scrabble games can be found whenever weather permits. His curiosity soon morphs into compulsion, as he sets about memorizing thousands of obscure words and fills his evenings with solo Scrabble played on his living room floor. Before long he finds himself at tournaments, socializing—and competing—with Scrabble’s elite. But this book is about more than hardcore Scrabblers, for the game yields insights into realms as disparate as linguistics, psychology, and mathematics. Word Freak extends its reach even farther, pondering the light Scrabble throws on such notions as brilliance, memory, competition, failure, and hope. It is a geography of obsession that celebrates the uncanny powers locked in all of us, “a can’t-put-it-down narrative that dances between memoir and reportage” (Los Angeles Times). “Funny, thoughtful, character-rich, unchallengeably winning writing.” —The Atlantic Monthly This edition includes a new afterword by the author.

This title will help you learn more words to improve your game, whether you're looking to become the next World Scrabble Champion or just to turn the tables on that friend or relation who always seems to beat you

Every word counts This is the most comprehensive Scrabble dictionary ever. It is the perfect reference for all players and includes an exhaustive list of every valid word playable in Scrabble and an invaluable supplement with advice and guidance for better play.

Endorsed by WESPA for use in Tournament & Club play from January 1st 2016, the latest official wordlist contains all 276613 words. Nearly every Scrabble(TM) player has been involved in a dispute over which words are acceptable. Now you can settle all those squabbles with this wordlist from Collins - the authority on Scrabble.

Encompassing more than 620,000 words and phrases, this reference of the English language covers both old and new words, the commonplace and the unusual, with information on idioms, pronunciation, and etymologies.

Filled with drugs, prostitution, and crime, this mystery explores the unglamorous life of a street cop in the rough-and-tumble 51 Division. Jack Warren, a young officer who enters the dangerous downtown streets after working in a virtually crime-free area, is immediately thrown into a brutal war against a crack-cocaine dealer intent on taking over the city’s drug trade. Jack soon discovers that no one is safe from the dealer’s quest for domination when the war turns horrifically personal. Working with the division’s elite major-crime unit, Jack learns there is an imperceptible yet enormous difference between the law and justice—and being a police officer and surviving in the 51.

Britain’s World Scrabble Champion reveals the secrets for mastering the world of competitive Scrabble.
